In the Company of Sacred Cows Stephen Quesnelle, Geoff Smith, 2009-02 While 70% of all organizational change initiatives fail this one succeeded and improved telecom producer Mitel Corporation's bottom line profitability by a factor of 40 Like many organizations Mitel's entrenched processes procedures and policies its Sacred Cows had resulted in products that were slow getting to market When they did get to market many products had quality problems The sluggish company culture was also making it impossible for Mitel to face a looming technology shift and do battle with new brand of competitors who threatened to wipe the company out Authors Geoff Smith and Stephen Quesnell were front and center driving the change that saved Mitel Geoff as the Vice President of Research and Development with 500 engineers reporting to him and Stephen as the Organizational Development OD professional partnered with Geoff to help lead the turnaround Refreshing and engaging this book tells how Geoff and Stephen met the challenge head on They used a behavior based leadership approach based on over 50 years of scientific research plus their own creative initiatives to kill the Sacred Cows More than a fascinating case study this book provides all the hard hitting lessons learned by the company by Geoff as the Change Champion and by Stephen as the Change Agent *In the Company of Sacred Cows* provides you with a framework for making organizational change in your company Whether your business is growing or shrinking this book provides you with a how to manual with the real life tools and techniques you need to meet rapidly changing business demands

Killing Sacred Cows Garrett B. Gunderson, Stephen Palmer, 2008 Our culture is riddled with destructive myths about money and prosperity that are severely limiting our power creativity and financial potential In *Killing Sacred Cows* Garrett B Gunderson boldly exposes ingrained fallacies and misguided traditions in the world of personal finance He presents a revolutionary perspective that can create unprecedented opportunity and wealth for individuals Our financial lives are intimately connected to our societal contributions and we must be financially free in order to achieve our fullest potential Yet most people are held captive in their financial lives by misinformation propaganda and lack of knowledge Through well reasoned arguments and pitiless logic Gunderson attacks these sacred cows with revelatory insights such as High returns without high risk Security without a corporate job Debt that increases your financial productivity Enjoying your money instead of waiting for retirement *Killing Sacred Cows* is a must read for brave individuals willing to question common assumptions and teachings overcome the herd mentality break through financial myths and live a purposeful passionate and prosperous life Investors seeking financial advice in *The Little Book That Makes You Rich* will find this to be a must read for anyone who wants to achieve their financial potential today

The Devil's Guide to Hollywood Joe Eszterhas, 2013-09-10 In *The Devil's Guide to Hollywood* bestselling author and legendary bad boy screenwriter Joe Eszterhas tells everything he knows about the industry its players and screenwriting itself from the first blank sheet of paper in the Olivetti to the size of the credit on the one sheet There's just one hunk of funny anecdote after another quotes from everyone who ever mattered in the movie biz

and the thing is jam packed with screenwriterly advice Plus it s hilariously funny ribald sexy and brilliant Liz Smith Often practical and always entertaining The Devil s Guide to Hollywood distills everything one of Hollywood s most accomplished screenwriters knows about the business from writing advice to negotiation tricks from the wisdom of past players to the feuds of current ones Eszterhas has selected his personal pantheon of the most loved and loathed players in the business and treats the reader to a treasure trove of stories quotes and wisdom from those luminaries who include William Goldman loathes and Zsa Zsa Gabor loves The Devil s Guide to Hollywood could only have been written by someone who loves the business as much as Eszterhas does but who also has its number Eszterhas delivers a dishy catty mix of reminiscences and Hollywood trivia his forte is skewering sycophants and phonies in this opinionated showcase of the underside of Hollywood life Publishers Weekly Implementing for Results Sandra Nelson,2009 For nearly two decades the Public Library Association s Results Series has been the definitive resource for practical everyday management After the time and effort spent developing your strategic plan take the next step with this must have book **Air Force One** Robert F. Environmental Change and Human Development Chris Barrow,2014-04-04 *Environmental Change and Human Development* focuses on environmental change and human fortunes While there is a large and rapidly expanding

literature dealing with how people affect the environment less attention has been given in recent years to how the environment shapes human development In an ever more crowded world there is a need for anticipatory environmental management and a crucial input to this is consideration of the interaction between environment and humans The environment is not as stable benign or controllable as people like to think The world population is vastly larger than it has ever been and is still growing and humans increasingly upset nature through pollution and other activities While modern communications may help environmental managers rapid travel also increases the dispersal of diseases and pests Technological advance and social development is not all beneficial some innovations have the effect of making people more vulnerable to disruption by natural disaster and citizens are often less able to cope with changed conditions than people were in the past Environmental Change and Human Development addresses key issues such as soil degradation natural climatic variations and volcanic activity and provides geography and earth sciences students with an essential introduction to the major debates surrounding this topic

Animals as Religious Subjects Celia Deane-Drummond, Rebecca Artinian-Kaiser, David L. Clough, 2013-08-01 This book examines one of the most pressing cultural concerns that surfaced in the last decade the question of the place and significance of the animal This collection of essays represents the outcome of various conversations regarding animal studies and shows multidisciplinary at its very best namely a rigorous approach within one discipline in conversation with others around a common theme The contributors discuss the most relevant disciplines regarding this conversation namely philosophy anthropology religious studies theology history of religions archaeology and cultural studies The first section Thinking about Animals explores philosophical anthropological and religious perspectives raising general questions about the human perception of animals and its crucial cultural significance The second section explores the intriguing topic of the way animals have been used historically as religious symbols and in religious rituals The third section re-examines some Christian theological and biblical approaches to animals in the light of current concerns The final section extends the implications of traditional views about other animals to more specific ethical theories and practices
