Sacred Influences John Godolphin Bennett,1989 **Is There "life" on Earth?** John Godolphin Bennett,1989

Paperbound Books in Print 1995 Reed Reference Publishing,R5ference Reed,1995-12 **I Believe, So I Am:**

Reflections on the Psychology of Spirituality Katarzyna Skrzypińska,2022-12-05 This book brings together the theoretical and research perspectives of scholars who are looking for the right relationship between religiousness and spirituality With this question as her basis and backed by many years of research Katarzyna Skrzypińska introduces the Meaning Making Beliefs Spirituality Religiousness MM B S R and the Threefold Nature of Spirituality TNS models These points of view specify the psychological elements as well as hypothetical and researched mechanisms of spirituality paving the way for further exploration in the field The whole is a proposal for a new approach to the concept of the spiritual sphere as a multi factorial multi level phenomenon involved in cooperation with the cognitive system and personality which are important in the process of searching for the meaning of life as they have behavioral consequences resulting from the attitude towards the sacred a sacred and life **Small Press Record of Books in Print** Len Fulton,1994 **Publishers**

Directory ,1994 **The Oxford Handbook of Feminist Theology** Mary McClintock Fulkerson,Sheila Briggs,2012 This volume highlights the relevance of globalization and the insights of gender studies and religious studies for feminist theology It focuses on the changing global contexts for the field and its movement towards new models of theology distinct from the forms of traditional Christian systematic theology and of secular feminism **Sacred influences** John Godolphin

Bennett,1982 **Spirituality, Sport, and Doping: More than Just a Game** Tracy J. Trothen,2018-10-24 This book explores the deeper meaning of sports Drawing on contemporary research the author makes a strong case for why we should see sport not only in terms of religion but more importantly as a possible location for spiritual meaning Taking this a step farther she considers how gene editing robotics and other biomedical technological enhancements affect not only sports performances but experiences of sport as sacred In addition the author explores what difference it might make to the enhancement debate if sports spirituality is taken seriously The author is not afraid to explore the issue in all its complexity Yet the argument she presents is both meaningful and accessible This investigation applies insights from Christian theology applied ethics psychology and sports studies From lightweight tennis racquets to anabolic steroids athletes have long used technology and science to improve their performances But until now no one has asked how biomedical technological enhancements might affect the undervalued spiritual dimension of sport This book presents rich insights into the connection between sports spirituality and human enhancement technologies It will appeal to researchers athletes and sports followers and undergraduate and graduate students in ethics sport religion or theology **The Maryland Churchman** ,1901 **The**

Exploring the Spirituality of the World Religions Duncan S. Ferguson, 2010-06-25 This book is an insightful guide to the diverse ways that religious faith is practiced and spirituality is understood Discussing contemporary issues such as post modernism and the emergence of a new paradigm the new realities of geopolitics globalization and global warming this book explores the importance of religion in people s lives to provide direction in the society today This book demonstrates the common quest among the world religions for a deeper and more profound spirituality Describing the spiritual pathways of the various world religions it assesses the ways that the beliefs values and practices of these traditions can be life giving leading to personal and social responsibility and transformation but also sometimes harmful and divisive even used for dangerous purposes Promoting constructive engagements between the world s religions this book will connect social justice and ethical engagements with core religious practices and spiritualities This is an ideal introductory text for students of world religions spirituality and interfaith relations broadening their understanding of these lived faiths **Divine Teaching** Mark A. McIntosh, 2017-09-07 This innovative work is an introduction to Christian theology with a difference Not only does it interpret with clarity and energy fundamental Christian beliefs but it also shows how and why these beliefs arose promoting an understanding of theological reflection that encourages readers to think theologically themselves From Irenaeus and Aquinas to Girard from Augustine to Zizioulas and contemporary feminist thought Divine Teaching explores the ways in which major thinkers in the Christian tradition have shaped theology through the wide variety of their encounters with God It makes theological study adventurous and interactive not necessarily requiring a faith commitment from all but allowing readers a thoughtful involvement in the subject that takes seriously the Christian vision of God as the ultimate teacher of theology Divine Teaching An Introduction to Christian Theology is an imaginative and lively analysis of the Christian way of thinking offering vivid and informing insight into the history and practice of Christian theology **This Elusive Land** Melody Hessing, Rebecca Raglon, Catriona Sandilands, 2005 This Elusive Land provides an introduction to the literature about women and the environment in Canada It looks at the ways in which women integrate the social and biophysical settings of their lives and features a range of contexts in which gender mediates inspires and informs a sense of belonging to and in this land Drawing from geographical historical and cultural perspectives the volume reveals the significance of women s experiences in various landscapes Jacket **A Church for the Twenty-first Century** Robert Hannaford, 1998 *Worship: Adoration and Action* D. A. Carson, 2002-09-10 Anxious that current interest in and discussion of worship are too much preoccupied with mere mechanics Dr Carson joined with an international group of scholars to produce this final volume of the five Tyndale Consultations First a biblical theology of worship is explored by the Japanese Yoshiaki Hattori and the Australian David Peterson From this foundation there follow reflections upon the practice of worship in nine different contexts denominational including Anglicanism and Lutheranism cultural South America and the Two Thirds World and also the charismatic movement and student groups In the final part the Croat theologian Miroslav Volf concludes that worship is

the outworking of God centredness in individual and corporate experience The opinions expressed although at times in disagreement with one another are an indication of the wealth of diversity within the worldwide church **Laypeople Into Action** Joseph Cardijn, 2018-01-01 A reprint of Cardijn's classic 1964 Laymen into Action now titled Laypeople into Action This seminal work has been for many years the principal introduction to the Jocist movements and the Jocist method of See Judge Act the review of life method The Jocist See Judge Act were to become key words in various documents from Vatican II due to the influence of Cardijn and others associated with him and his work in the Jocists movements who wrote or contributed in some way to some of the key documents from Vatican II Born in Belgium ordained in 1906 Cardijn was nine years old when the the papal encyclical Rerum Novarum was released His life can be seen as a brilliant application of the principles of that social document He dedicated himself to the working class and especially to young workers whom he saw leading degraded and dechristianised lives in the industrial lives in the industrial society of Northern Belgium Cardijn established the Young Christian Workers YCW movement an international movement in the early part of this century His sound apostolic theology has provided inspiration and guidance for the YCW and for other apostolic movements including the YCS and TYCS Laypeople into Action is a collection of writings and speeches by Cardijn explaining his conception of the person and their mission methods of formation Cardijn's hopes for the future and his understanding of the Church in the modern world There is solid food for thought here for those actively engaged in the lay apostolate giving a detailed outline of a theology of the laity a theology of mission for the laypeople and for priests the role of priest in forming lay leaders a foundational document on the how and why of lay formation of formation through like to like and the importance and role in the Church and society of international movements of laypeople such as the YCW and the YCS
