William Brenchley Rye

Sacred Mediaeval Architecture 2vol:

Reassessing the Roles of Women as 'Makers' of Medieval Art and Architecture (2 Vol. Set) Therese Martin, 2012
The twenty four studies in this volume propose a new approach to framing the debate around the history of medieval art and architecture to highlight the multiple roles played by women moving beyond today's standard division of artist from patron

Bibliography of Art and Architecture in the Islamic World (2 Vol. Set) Susan Sinclair, C. H. Bleaney, Pablo García Suárez, 2012
Following the tradition and style of the acclaimed Index Islamicus the editors have created this new Bibliography of Art and Architecture in the Islamic World The editors have surveyed and annotated a wide range of books and articles from collected volumes and journals published in all European languages except Turkish between 1906 and 2011 This comprehensive bibliography is an indispensable tool for everyone involved in the study of material culture in Muslim societies

The Routledge Companion to Medieval Iconography Colum Hourihane, 2016-12-19
Sometimes enjoying considerable favor sometimes less

iconography has been an essential element in medieval art historical studies since the beginning of the discipline. Some of the greatest art historians including M le Warburg, Panofsky, Morey and Schapiro have devoted their lives to understanding and structuring what exactly the subject matter of a work of medieval art can tell. Over the last thirty or so years, scholarship has seen the meaning and methodologies of the term considerably broadened. This companion provides a state of the art assessment of the influence of the foremost iconographers as well as the methodologies employed and themes that underpin the discipline. The first section focuses on influential thinkers in the field while the second covers some of the best known methodologies. The third and largest section looks at some of the major themes in medieval art. Taken together, the three sections include thirty-eight chapters, each of which deals with an individual topic. An introduction, historiographical evaluation, and bibliography accompany the individual essays. The authors are recognized experts in the field and each essay includes original analyses and/or case studies which will hopefully open the field for future research. *The National Union Catalog, Pre-1956 Imprints*, 1968 *Histoire de l'art: Le réalisme, les débuts de la Renaissance* André Michel, 1907
