Balinese Discourses on Music and Modernization Brita Heimarrck Renee,2013-08-21 While many Western scholars have discussed the technical aspects of Balinese music or the traditional contexts for performance little has been written in Western languages about Balinese discourses on their music This dissertation seeks to understand the experience of music in Bali according to Balinese voices through an analysis of oral and written dialogues on music mainly by musicians and dalangs shadow play puppeteers from the village of Sukawati scholars teachers administrators and students from the Indonesian College of the Arts STSI in the City of Denpasar The study examines the influence of modernization on the traditional arts and their role in society A concentration on Balinese discourses enables individual performers and scholars to represent themselves to a greater extent than previously seen in ethnomusicological scholarship making this study more of a critical discussion among equals than a Western interpretation of others This approach permits a rare view into contemporary Balinese conceptions and practices of music

Bali's silent crisis Jeff Lewis,Belinda Lewis,2009-04-16 Bali and Balinese culture have become central to western imaginings of the east Along with its natural beauty and tropical sensuality Bali's rich and complex culture has proved intensely alluring for western artists scholars and travelers However as

this aesthetic imagining and desire for beauty have evolved into a mass tourism industry the island people and their culture have experienced radical and rapid transformation While many in the international community were stunned by the horror of the militant bombings in 2002 and 2005 these attacks were merely the apex of a profound and ongoing crisis which resonates through the period of Bali s modernization and engagement with the global economy of pleasure Bali s Silent Crisis examines and elucidates the complex cultural and political environment of contemporary Bali The book explains the conditions of crisis in Bali in terms of a powerful collision of cultural elements and trends focusing specifically on the double matrix of desire and violence that has characterized Bali s recent past Moving beyond a simple opposition between tradition and the modern this book reveals a society that is struggling to reconcile its own profound aesthetic and sense of historical identity with the intense agonisms that are generated through rapid social and cultural change Through its thematic approach Bali s Silent Crisis presents an image of community trauma creative resilience and pluralization The book records the challenges and horrors associated with transition as well as the formidable beauty that remains intrinsic to the island s sense of cultural destiny
