Frequency Laura Eisenhower,2024-01-21 If you aren't living your most authentic self you can't realize universal and personal truth If we compromise and waver in our integrity how on Earth will we successfully navigate life or our relationships We become vulnerable to distortions and imbalances that attract archonic attachments and AI signals that keep us in a lower existence of reality We have lost touch with our connection to our higher mind and intuitive abilities and its integration into our daily life The quickest way to heal is for Awakening the Truth Frequency to embody our highest self Our bodies thrive in this energy not the distortions or programs And now more than ever before we live in times when our energies are supported by spiritual forces like never before We must be humble enough to allow this alignment and let go of the ego attachments about what other people think and not be afraid to admit where we have been misled Claiming our truth eases our journey Into the Unified Field
