## **Sad But Ok:**

Beyond Temptation Audrey Boss, Sophie Boss, 2012-09-06 In *Beyond Temptation* Sophie and Audrey Boss offer a radical alternative to the tried and tested methods used to combat overeating which either encourage women to rely on willpower alone or legitimise overeating by providing lists of free foods on which women are actively encouraged to binge. This book doesn't rely on NLP, CBT or life coaching techniques but instead draws on the authors' own experiences as two overweight and unhappy overeaters and their ten years of experience working with thousands of failed dieters in the *Beyond Chocolate* workshops and the successful techniques used in their newly established *Stop Overeating* workshops to offer women a practical sustainable approach to stopping overeating and achieving long term weight loss. **Donorboy** Brendan Halpin, 2015-04-07

*Rosalind* is mourning the deaths of both her moms and Sean is working on his own issues; the only thing they have in common is a little DNA. When both of Rosalind's mothers die, she moves in with the donor father she never knew. Fifteen, angry and feeling completely alone, Ros refuses to speak to her biological father Sean, sharing her feelings only with her journal. But through a series of emails and text messages, Ros and Sean slowly get to know each other. Sweet, comic, honest and moving, *Donorboy* is the story of two people who seem to have nothing more than genes in common, stumbling toward a shared future. Brendan Halpin has crafted a thoroughly modern take on love, family and figuring it all out. *Eternal Promise*

Kara Leigh Miller, 2021-01-12 Eternity might be shorter than she thought. With graduation looming and her wedding fast approaching, Chloe is fully focused on her future with Trent. She's finally so close to having everything she's ever wanted and she won't let anything or anyone stand in her way. And then a mysterious rogue witch arrives in town and starts causing trouble. Chloe ends up in the hospital, her strongest ally is probably double-crossing her, and the Zoya are getting desperate. But are they really the ones behind the attack? The answer has the power to bring her entire world crashing down around her and destroying her happily ever after. *The Cursed Series* is a binge-worthy young adult paranormal romance series perfect for fans of *The Crave Series* by Tracy Wolff, *The Twilight Saga* by Stephenie Meyer and *The Vampire Diaries* by LJ Smith. *The Cursed Series* is better enjoyed when read in order: *Eternal Curse*, *Eternal Choice*, *Eternal Bond*, *Eternal Love*, *Eternal Promise*, *Eternal Life*, *Everlasting Hope*. **Cognitive Therapy for Depressed Adolescents**, 1994-07-08

**Fur Kids** Resh Ramlakan, 2013-03 I recently wrote a book in honour of my beloved Boerboel and Cross Boerboel dogs. It is a book that highlights a series of events which transformed me from a girl who didn't like dogs to a lady whose heart has been filled with unconditional love for them. It is an amazing story of love in its truest and most sincere form. Boerboels are intelligent self-assured dogs bred to have extremely strong guarding instincts and it is the only breed in the world bred with only one purpose to guard and protect his family. The book highlights how cross breeding and inter breeding has led to many Boerboels in South Africa becoming prone to getting elbow and hip dysplasia. Three of my dogs were diagnosed with hip dysplasia with two having been put to sleep as a result of this condition. By writing this book I hope to create awareness in many ways. Firstly to let people know the love and joy that animals bring into our lives and show them how rewarding it can be. Secondly to raise awareness about buying Boerboels from registered breeders and lastly to put more focus on the beautiful South African Boerboel itself in an effort to preserve the breed. The book highlights love, loyalty, happiness, sadness and tells of my experiences over the years with my 5 fur kids. This is a book that will inspire people to never give up but to keep on trying. *Men Rising* Alyssa Ditch, 2021-09-21 What does it mean to be masculine? These eleven men thought they knew, following in the footsteps of their fathers marching to society's drumbeat of manhood. A man is strong. A man doesn't cry. A man is the provider. A man does it alone. In the course of their lives, each of these very different men found this same rigid idea of manhood standing between them and their happiness. Standing between them and being a fully realized man. Standing between them and their relationships. Standing between them and their heart's path. Instead of building them up and making them stronger, they found themselves chained and isolated by these standards of masculinity. In these soulful

interviews conducted by intuitive healer and author Alyssa Ditch these eleven men candidly share their ascent into becoming real men from heartache to healing failure to triumph Join her as she dives into the hearts of these eleven brave men to understand how these fully realized men had cast away society's limitations on masculinity rising to become better men for themselves their families and their communities Learn the tools and techniques that worked for each of them on their journey to self discovery Be inspired by the example they set for all men as it makes us think anew What is healthy masculinity
