**Sadakichi Hartmann** Jane Calhoun Weaver,1991 So much critical writing on the visual arts in this country today is what I call criticism without memory This book does much to restore an important chapter in the cultural memory all of our critics should have Hilton Kramer Editor The New Criterion Sadakichi Hartmann Sadakichi Hartmann,2023-12-22 Brilliant and controversial art critic Sadakichi Hartmann wrote copiously about American and European art and the shaping of American culture during the decades from 1890 to 1910 Jane Weaver has recovered and assembled over fifty of Hartmann s critical writings from influential though often obscure turn of the century journals These reviews and theoretical essays not only provide some of the earliest known criticism of important artists and photographers of the period but also make Hartmann s fundamental and uniquely American definition of modernism available to students of art and cultural history A most useful adjunct to the text is a complete bibliography of Hartmann s writings on art as well as an annotated checklist of all the artists treated by Hartmann in this book Sadakichi Hartmann 1867 1944 half German half Japanese learned the American cast of mind and heart as a beloved young disciple of the aged Walt Whitman Reflecting the poet s zealous vision Hartmann s piercing commentaries on the art centers of Boston and New York offer unparalleled documentation of the years before and after 1900 Brilliant and controversial art critic Sadakichi Hartmann wrote copiously about American and European art and the shaping of American culture during the decades from 1890 to 1910 Jane Weaver has recovered and assembled over fifty of Hartmann s critical Sadakichi Hartmann, Alien Son James S. Peters,2017-05-01 Sadakichi Hartmann was born in Japan in 1867 the second son of Prussian businessman Carl Hartmann and a young prostitute Osada Upon her death shortly after Sadakichi s birth both boys were sent to Hamburg Germany to live and be educated as promised by Hartmann Senior to their mother on her deathbed With this act of kindness their father completely washed his hands of any further obligation to the boys He ignored them completely as he continued his profession traveling the world over as a business rep for various corporations Their father s rare appearances and gelid distance toward them when he was present affected Sadakichi depressingly he having a satiating need of a father s acceptance and affection Although Sadakichi found the Hartmanns in general were a cold lot it was in particular his father s endearment he sought Possibly too he may have felt a streak of guilt over his mother s death As his father s Teutonic demeanor grew Sadakichi s growing rebelliousness became intolerable and at fourteen he was disowned and shipped to a Hartmann brother in Philadelphia From here on the youth drivingly self educated himself thoroughly in time becoming widely and respectfully known in the world of art literature and entertainment His retentive memory was an amazing asset which fascinated many of his colleagues And of course his aim at intentionally driving himself to succeed at anything he touched was to win his father s respect and acceptance But it was a draining thankless heart crushing journey *The Lives, Loves, and Art of Arthur B. Davies* Bennard B. Perlman,1999-03-11 This is the first full length biography of the American artist Arthur B Davies who played a major role in twentieth century

Pyne, 1996-01-01 Late in the nineteenth century many Americans were troubled by the theories of Charles Darwin which contradicted both traditional Christian teachings and the idea of human supremacy over nature and by an influx of foreign immigrants who challenged the supremacy of the old Anglo Saxon elite In response many people drew comfort from the theories of philosopher Herbert Spencer who held that human society inevitably develops towards higher and more spiritual forms In this illuminating study Kathleen Pyne explores how Spencer's theories influenced a generation of American artists She shows how the painters of the 1880s and 1890s particularly John La Farge James McNeill Whistler Thomas Dewing and the Boston school and the impressionist painters of the Ten developed an art dedicated to social refinement and spiritual ideals and to defending the Anglo Saxon elite of which they were members This linking of visual culture to the problematic conditions of American life radically reinterprets the
