Folksong Hugh Anderson,1970 **On the Wool Track** Charles Edwin Woodrow Bean,1925 Solly's Way: An Australian story Ron Thomas, The Solly Trilogy is a tale of three generations from a boy's enlistment as cabin boy on a Yankee packet ship the Delaware Belle plying between Plymouth and New York in the early nineteenth century through the drought conflict and financial strife of the 1890's in Australia to the impact on ordinary folk of the great war and its aftermath The story is

based around the lives of ordinary people of three generations surviving a world that was changing faster than at any time before. It was an era in which the world was shrinking and the affairs of men of diverse nations began to break down centuries old barriers of class and inherited wealth. We denizens of the 21st century can easily forget that the accomplishments of every generation are built upon those of generations that came before them. Similarly the values we hold dear were first learned at the knees of our parents. The Solly Trilogy is about a time not just before aircraft, the computer and the internet but before labour saving devices we take for granted today had been invented. How did people live in times such as these? These were resourceful people, adaptable people in times that required a surfeit of both of these admirable qualities. Solly's Trilogy is designed to be read in any order but it is suggested that you begin with Solly's Way, the story of Solly's arrival at Wallangulla as an old man and his impact on a struggling Australian outback family. Solly's Legacy tells of the legacy of caring, respect and ingenuity the old man left for the next generation. Finally Solly's Journey completes the loop by telling the story of a cabin boy whose travels under sail as he grows to manhood lead him to cross great oceans of the world. After travelling the American west a shipwreck brings him to a land down under where he finds a wide brown land worth exploring. The Solly Trilogy is set in a period when events in a more remote Europe changed life in Australia. Today events before the Great War seem like some far off good old days when life in the Australian outback was simple and wholesome. I'm grateful to my grandfather and his mates who loved a yarn about the old days and could no doubt spin a few tall ones to a gullible lad. They helped me gain many valuable insights into how it really was back then and became the inspiration behind the Solly Trilogy.

The Boy Travellers in Australasia Thomas Wallace Knox, 1889. Originally written as a contribution to the Australian Centennial in 1888 based on the author's knowledge of the areas and subsequent historical and scientific research. Includes encounters with and observations about Australian Aboriginal people, diet, corroboree, marriage, initiation rituals.

The Story of an Earnest Life Eliza Davies, 1881

Talking with Horses Colin Dangaard, 2019-12-30. She falls in love with Zehun, a lieutenant of Attila the Hun, while he saves her from savages who want her dead. She returns the favor by saving Zehun seconds before he is sliced to pieces by Roman soldiers who have captured him. She places seven arrows into seven soldiers in as many seconds, shooting left and right with her bow. This happens in an action-packed fantasy world Emma Armbrust has created as a refuge from her autism. In real life Emma's autism enables her to communicate with her jumping horse, Tower, as people and horses did millions of years before. Emma is eighteen years old, tall, blonde and beautiful. She lives in the hills of Malibu, California, and she falls in love with Jules, a troubled young man who is her age and also a social outcast. There is just one problem: Zehun and Jules look exactly alike. They just live two thousand years apart. While Emma tries desperately to resolve her love triangle, she survives medication to make her normal and then rides Tower to National Grand Prix victory, thus saving the family horse ranch from bankruptcy.

The Gilpins and their Fortunes: A Story of Early Days in Australia William Henry Giles Kingston, 2020-09-28. Large as Sydney then was, it was still diminutive.

compared to what it has since become Founded by criminals it was unhappily as far advanced in crime and wickedness as the oldest cities of the old world though efforts were being then made as they have ever since continued to be made and happily not without some degree of success to wipe out the stain The two brothers stood for some time watching the bustling scene before them Huge drays laden with bales of wool were slowly moving along the quay towards the ships taking in cargo while porters and carts with ever moving cranes overhead were rapidly unloading other vessels of miscellaneous commodities Irish Negro Chinese and Malay porters were running here and there cabs and carts were driving about and other persons on foot and on horseback mostly in a hurry evidently with business on their hands There were however a few saunterers and they were either almost naked black aborigines with lank hair hideous countenances and thin legs or men with their hands in their pockets in threadbare coats and uncleaned shoes their countenances pale and dejected and mostly marked by intemperance Many of them were young but there were some of all ages broken down gentlemen unprepared for colonial life without energy or perseverance unable and still oftener unwilling to work The brothers had not to inquire who they were Their history was written on their foreheads
