often talked about the dreams and she said that I did seem to have the gift I had by this time began to understand just what she meant by the various talks with these women I was eventually allowed to sit in on the talks and sometimes I was asked for my opinion In later life my granda became poorly and she showed me a lot of her private books that she had written down her musings on all of the subjects within dreams I was asked to take over from her for the readings When she died I was asked if I wanted anything of hers I asked for the books that she had written down her thoughts on the subject I moved back to Birmingham and the books lay in my attic for years In 1972 I came across them and again began to get an interest in the interpretation of dreams I got out grandma s books and decided to bring them up to date It has taken my since then to complete them *Catalog of Copyright Entries* Library of Congress.
