**The Day of the Lord, the Key to Understanding End-Time Prophecy** Allen M. Barber,2011-07 Have modern Christians been enlightened or misled Left

behind has been a catch phrase in American church culture for more than a decade but pretribulation beliefs were virtually unheard of before the eighteenth century Many modern day believers await the return of the Lord to rapture the Church before a turbulent tribulation period expecting unbelievers to be left behind to suffer the horrors of this seven year period This popular belief is promoted from many evangelical pulpits and popularized by books and movies but does it really line up with the Bible Dr Barber provides a careful examination of Scripture and a critical analysis of the biblical commentaries that form the basis of the pretribulation rapture belief Once a pretribulationist himself he found that his in depth study of the Bible quickly revealed the errors of this position With spiritual biblical and intellectual insight The Day of the Lord The Key to Understanding End Time Prophecy challenges the very foundation of pretribulation theology Dr Barber stresses the importance of sola scriptura as he guides readers through his compelling and convincing argument for a clearer understanding of end times prophecy

**The Race Set Before Us** Ardel B. Caneday, Thomas R. Schreiner, 2025-10-30

Discipline Endurance Perseverance The New Testament often describes the Christian life as a marathon a race set before us But what exactly is the prize Do all those completing the race share in it And can the prize be lost Tackling these and other vexing questions Thomas Schreiner and Ardel Caneday offer in this book a serious exegetical wrestling with the biblical understanding of the nature of saving faith and its implications for the people of God Here is a foundational study that considers all of the relevant New Testament texts and that weighs the meaning of those texts for both Christian living and pastoral ministry

God's Plan Dan Malczewski, 2010-08-17 A compilation of Christian Apologetics gathered from various authors over the years that is designed to bring brand new Christians up to speed quickly and to strengthen the faith for all Christians This book also introduces a model of Gods Plan for mankind It contains answers to almost all of the arguments leveled against Christianity from science falsely so called Furthermore this book provides an historical discussion of Christian prophecy from a Dispensational perspective Did you know that genetic anthropologists have traced back our DNA to single parents or that most of the miracles of the Old Testament probably occurred naturally such as the parting of the Red Sea or that approximately 1 600 Bible Codes have been discovered around a single Old Testament chapter or that it is highly probable that no human beings drowned in the Flood or that Mount Sinai is not in the Sinai Peninsula but in Saudi Arabia and is heavily guarded or that the speed of light may have been millions of times faster at the Creation than it is now All of these questions and many more are answered in this book

Forth, 2009-05-26 Eve's Bible is for every woman who has ever said I've always wanted to read the Bible but Whatever the reason it's too complicated too big too old too many men and too few women and anyway I don't know whether I believe it or not Eve's Bible helps readers explore the Old Testament regardless of religious affiliation Eve's Bible challenges conventional ideas about women in the Bible and shows readers how to draw upon their own truth to interpret the Bible in new and liberating ways With Eve's Bible as their companion readers will Recognize and read the Old Testament's literary building blocks Learn how women in the biblical era lived Learn why the biblical Deity is such a complex character Derive meaning from scripture by balancing left brained inquiry with heart felt intuition Become their own authority on the Bible A friendly guide that anticipates readers questions and concerns Eve's Bible helps readers find their way through the Bible with intelligence and verve     *A Testimony of Jesus Christ - Volume 1* Anthony Charles Garland, 2007 A Commentary on the Book of Revelation Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation To understand this controversial book the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel Ezekiel and others It is the author's conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible The commentary is linked to a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1 000 slides
