Mark Simmons,2019-04-02 THE HALFLIFE CHRONICLES ARE BACK Half vampire Christopher Cs jthe must once again face down the forces of darkness in the return of Wm Mark Simmon s Halflife Chronicles Years back a blood transfusion with a member of the undead left Christopher Cs jthe a half vampire Since that time he s gone mano y monster with zombies werewolves master vampires and creatures from the Cthulhu Lagoon not to mention an immortal Nazi an ancient Babylonian demon a six thousand year old necromancer voodoo queen Marie Laveau the mad monk Rasputin and a couple of the Great Old Ones As founder of After Dark Investigations he s seen his fair share of the seedy side of the supernatural world He s saved New Orleans from total destruction in the past And lost his family to another temporal realm To add insult to injury someone cut the gas line of his SUV and then ran over him with a semi truck while he tried to get a tow But this is the third time Chris has died It s old hat at this point for him Now awakened in a world he doesn t quite

recognize he'll have to use his wits to once again keep the supernatural world at bay INTERPOL is interested in some of his associations with Vlad Drakul's grandson better known as Dracula and a trio of witches from Greek myth want him dead and for good this time Bad enough But what's worse is that the IRS is looking into his tax returns and not at all liking what they find Now that's really terrifying At the publisher's request this title is sold without DRM Digital Rights Management About A Witch in Time a snappy snarky and surprisingly emotional grand finale that blends characters from weird fiction gothic tales and mythology into one fun if crowded universe Though the tone is light and comically cynical Simmons doesn't downplay the gravity of the history in his tale making this a tense and gripping story that is sure to please series fans Publishers Weekly About the Halflife Chronicles One of those rare novels that combine levity and the supernatural in just the right balance Chronicle on Habeas Corpses Praise for Wm Mark Simmons A high tech heroic fantasy full of adventure puns and damn good reading Well thought out Pulsar Frequently fun Publishers Weekly A nonstop romp through a complex and captivating world Highly recommended K D Wentworth
