Scott Braveheart:

Brigadoon, Braveheart and the Scots Colin McArthur, 2003-09-26 The films Brigadoon and Braveheart have an enormous resonance both for Scots throughout the world and the wide audience of non Scots for whom such films provide general impressions of Scottishness This provocative book discusses the films representations of Scotland and the Scots looking at that cluster of images and stories whereby Scotland is mis recognized and yet often comes to be known Colin McArthur explores Brigadoon and documents the contempt the film has elicited particularly from the Scots intelligentsia He succumbs to Brigadoon s charm but finds no such mitigating features in Braveheart Tracing the film s appropriation by political touristic and sporting figures he argues that far from being about Scottish history it is primarily about Hollywood and its cinematic traditions He looks at the way film distorts history and examines Braveheart s sinister appeal to the proto fascist psyche

Highland Homecomings Paul Basu, 2007-03-12 The first full length ethnographic study of its kind Highland Homecomings examines the role of place ancestry and territorial attachment in the context of a modern age characterized by mobility and rootlessness With an interdisciplinary approach speaking to current themes in anthropology archaeology history historical geography cultural studies migration studies tourism studies Scottish studies Paul Basu explores the journeys made to the Scottish Highlands and Islands to undertake genealogical research and seek out ancestral sites Using an innovative methodological approach Basu tracks journeys between imagined homelands and physical landscapes and argues that through these genealogical journeys individuals are able to construct meaningful self narratives from the ambiguities of their diasporic migrant histories and recover their sense of home and self identity This is a significant contribution to popular and academic Scottish studies literature particularly appealing to popular and academic audiences in USA Canada Australia New Zealand and Scotland

Vespa Giorgio Sarti, 2006 Now a venerable icon of Italian style the internationally known quintessential scooter the Vespa was once a two wheeled revolution offering mobility to everyone Today it has come to symbolize scootering status style and freedom As Vespa reaches its 60s without showing a wrinkle this book celebrates its decades of incomparable spirit In glowing images and words the book shows Vespa in its many guises as the two wheeled vehicle of the post war economic boom as the symbol of the forward charging ideas of the 1960s appearing in romantic films such as Roman Holiday and promoted in delirious ads that claimed Whoever Vespas eats apples Decades of period ads and famous calendars are included as well as technical and production information on every model ever built including rare prototypes and variants Each model is detailed in over 30 categories from engine specs to production facts Filled with stunning color photos and illustrations the book is itself a stylish tribute to the iconic vehicle it celebrates Author Giorgio Sarti knows Vespa and this book is a thorough and thoroughly enchanting tribute to the scooter as it has sped through history meaning something new to each generation and in the process making its unique mode of personal transport synonymous with freedom Officially licensed and includes a foreword from Piaggio Group President Roberto Colaninno

Hypertextual Approach to Walter Scott's Waverley Andrew Monnickendam, 1998 Law, Justice, and Society in the Medieval World Esther Liberman Cuenca, M. Christina Bruno, Anthony Perron, 2025-05-06 This coursebook is the first full length study of cinematic legal medievalism or the modern interpretation of medieval law in film and popular culture For more than a century filmmakers have used the Middle Ages to produce popular entertainment and comment on contemporary issues Each of the twenty chapters in *Law Justice and Society in the Medieval World* represents an original contribution to our understanding of how medieval regulations laws and customs have been depicted in film It offers a window into the rules of medieval society through the lens of popular culture This book includes analyses of recent and older films avant garde as well as popular cinema Films discussed in this book include *Braveheart* 1995 *Kingdom of Heaven* 2005 *The Passion of Joan of Arc* 1928 *The Last Duel* 2021 *The Green Knight* 2021 *The Little Hours* 2017 and *The Adventures of Robin Hood* 1938 among others Each chapter explores the contemporary context of the film in question the medieval literary or historical milieu the film references and the lessons the film can teach us about the medieval world Attached to each chapter is an appendix of medieval documentary sources and reading questions to prompt critical reflection "A Hero Will Endure": Essays at the Twentieth Anniversary of 'Gladiator' Rachel L. Carazo, 2023-05-16 This volume adds to previous historical and political studies about *Gladiator* with essays about the movie's relation to pop culture and contemporary discourses It not only relates *Gladiator* to traditional cinema aspects such as heroism music acting studio culture and visual effects but it also connects the film to sports religion and the environment expanding the ways in which the film can be evaluated by modern audiences The volume can be read by individuals or in classroom settings especially as a recommended text for students studying the ancient world in film **William Wallace** Graeme Morton, 2014-10-08 A deconstruction of the national biography and mythology of William Wallace Freed from the historian's bedrock of empiricism by a lack of corroborative sources the biography of this short lived late medieval patriot has long been incorporated into the i The Hero Building Professor Johnny Rodger, 2015-07-28 A tradition of building architectural monuments to commemorate national heroes has developed as a distinctive feature of the Scottish built environment This book examines this architectural culture by studying a prominent selection of buildings such as the Burns monuments in Alloway Edinburgh and Kilmarnock the Edinburgh Scott Monument the Glenfinnan Monument and the Wallace Monument in Stirling By raising awareness of this rich architectural and social heritage while analysing and interpreting the buildings in their historical context this book makes an exciting and original scholarly contribution to the current debates on identity and nationality taking place in Scotland and the wider UK **The Ridley Scott Encyclopedia** Laurence Raw, 2009-09-28 From his first feature film *The Duellists* to his international successes *Alien* *Blade Runner* *Thelma and Louise* *Black Hawk Down* *Gladiator* and *American Gangster* Ridley Scott has directed some of the most compelling films of the last 30 years Apart from his work as a film director Scott has engaged in a vast range of activities including that as a designer producer film mogul and advertising

executive The Ridley Scott Encyclopedia is the first book that focuses on all aspects of his work in a wide ranging career that spans nearly 50 years The entries in this encyclopedia focus on all aspects of his work and are divided into four categories The first focuses on Ridley Scott s work as a director encompassing his feature films from The Duellists to Body of Lies as well as his work in television including commercials The second category focuses on the people who have been involved in Scott s projects including actors directors producers designers writers and other creative personnel The third focuses on general thematic issues raised in Scott s work such as gender construction political issues and geographical locations Finally the encyclopedia incorporates entries on films by other directors who have influenced Scott s approach to his work as a director or producer Each entry is followed by a bibliography of published sources both in print and online making this the most comprehensive reference on Scott s body of work

Premodern Rulers and Postmodern Viewers Janice North,Karl C. Alvestad,Elena Woodacre,2018-02-01 Pop culture portrayals of medieval and early modern monarchs are rife with tension between authenticity and modern mores producing anachronisms such as a feminist Queen Isabel in RTVE s Isabel and a lesbian Queen Christina in The Girl King This book examines these anachronisms as a dialogue between premodern and postmodern ideas about gender and sexuality raising questions of intertemporality the interpretation of history and the dangers of presentism Covering a range of famous and lesser known European monarchs on screen from Elizabeth I to Muhammad XII of Granada this book addresses how the lives of powerful women and men have been mythologized in order to appeal to today s audiences The contributors interrogate exactly what is at stake in these portrayals namely our understanding of premodern rulers the gender and sexual ideologies they navigated and those that we navigate today

Movies of the 90s Jürgen Müller,2001 This book s 140 A Z entries include synopses film stills and production photos

Bannockburns Robert Crawford,2014-01-14 Poet and critic Robert Crawford explores in eloquent detail the literary cultural background to Scottish nationalism in the lead up to the referendum on independence for Scotland from the United Kingdom in September 2014 He begins with the totemic Battle of Bannockburn in 1314 in which the Scots routed the English and preserved their independence until the two nations parliaments united in 1707 Paying particular attention to Robert Burns and continuing up to the present day he examines how writers have set out in poetry fiction plays and on film the ideal of Scottish independence Publication coincides with the 700 year anniversary of the Battle of Bannockburn

Shakespeare Survey: Volume 57, Macbeth and Its Afterlife Peter Holland,2008-01-31 Shakespeare Survey is a yearbook of Shakespeare studies and production Since 1948 Survey has published the best international scholarship in English and many of its essays have become classics of Shakespeare criticism Each volume is devoted to a theme or play or group of plays each also contains a section of reviews of that year s textual and critical studies and of the year s major British performances The books are illustrated with a variety of Shakespearean images and production

photographs The virtues of accessible scholarship and a keen interest in performance from Shakespeare's time to our own have characterised the journal from the start Most volumes of *Survey* have long been out of print Backnumbers are gradually being reissued in paperback

Scott-land Stuart Kelly, 2011-05-01 No writer has ever been as famous as Sir Walter Scott once was and no writer has ever enjoyed such huge acclaim followed by such absolute neglect and outright hostility But Scotland would not be Scotland except for Scott All the icons of Scottishness have their roots in Scott's novels poems public events and histories It's a legacy both inspiring and constraining and just one of the ironies that fuse Scott and Scotland into Scott-land In this book Stuart Kelly reveals Scott the paradox the celebrity unknown the nationalist unionist the aristocrat loved by communists the forward looking reactionary Part literary study part biography part travelogue part surreptitious autobiography *Scott-land* unveils a complex contradictory man and the complex contradictory country he created Insightful accessible witty and melancholy this is a voyage around my fatherland like no other

Swashbucklers James

Chapman, 2015-07-01 *Swashbucklers* is the first study of one of the most popular and enduring genres in television history the costume adventure series It maps the history of swashbuckling television from its origins in the 1950s to the present It places the various series in their historical and institutional contexts and also analyses how the form and style of the genre has changed over time And it includes case studies of major swashbuckling series including *The Adventures of Robin Hood* *The Buccaneers* *Ivanhoe* *William Tell* *Zorro* *Arthur of the Britons* *Dick Turpin* *Robin of Sherwood* *Sharpe* *Hornblower* *The Count of Monte Cristo* and the recent BBC co-production of *The Three Musketeers*

An Archaeology of Sympathy James Chandler, 2024-05-31 In the middle of the eighteenth century something new made itself felt in European culture a tone or style that came to be called the sentimental The sentimental mode went on to shape not just literature art music and cinema but people's very structures of feeling their ways of doing and being In what is sure to become a critical classic *An Archaeology of Sympathy* challenges Sergei Eisenstein's influential account of Dickens and early American film by tracing the unexpected history and intricate strategies of the sentimental mode and showing how it has been reimagined over the past three centuries James Chandler begins with a look at Frank Capra and the Capraesque in American public life then digs back to the eighteenth century to examine the sentimental substratum underlying Dickens and early cinema alike With this surprising move he reveals how literary spectatorship in the eighteenth century anticipated classic Hollywood films such as Capra's *It Happened One Night* *Mr Deeds Goes to Town* and *It's a Wonderful Life* Chandler then moves forward to romanticism and modernism two cultural movements often seen as defined by their rejection of the sentimental examining how authors like Mary Shelley Joseph Conrad James Joyce and Virginia Woolf actually engaged with sentimental forms and themes in ways that left a mark on their work Reaching from Laurence Sterne to the Coen brothers *An Archaeology of Sympathy* casts new light on the long eighteenth century and the novelistic forebears of cinema and our modern world

National Medievalism in the Twenty-first Century Matthias D. Berger, 2023 How ideas and ideals of an imagined protean

national Middle Ages have once again become a convergence point for anxieties about politics history and cultural identity in our time and why After a period of abeyance the link forged in the nineteenth century between the Middle Ages and national identity is increasingly being reclaimed with numerous groups and individuals mining an imagined medieval past to present ideas and ideals of modern nationhood Today s national medievalism asserts itself at the interface of culture and politics in literature and television programming in journalism and heritage tourism and in the way political actors of various stripes use a deep past that supposedly proves the nation s steady exceptionalism in a hectic globalised world This book traces these ongoing developments in Switzerland and Britain two countries where the medieval past has recently been much invoked in negotiations of national identity independence and Euroscepticism Through comparative analysis it explores examples of reemerging stories of national exceptionalism stories that ironically echo those of other nations The author analyses depictions of Robert the Bruce and Wilhelm Tell medievalism in the discourse surrounding Brexit as well as at the Welsh Senedd novels like Paul Kingsnorth s *The Wake* community based art such as the Great Tapestry of Scotland and elaborate public commemorations of Swiss victories and defeats in battle Basing his critical readings in current theories of cultural memory heritage and nationalism the author explores how the protean national Middle Ages have once again become a convergence point for anxieties about politics history and cultural identity in our time and why
