Orson Welles, Volume 3: One-Man Band Simon Callow, 2016-04-05

A New York Times Book Review Editors Choice The third volume of Simon Callow's acclaimed Orson Welles biography covering the period of his exile from America 1947-1964 when he produced some of his greatest works including *Touch of Evil* In *One Man Band* the third volume in his epic and all inclusive four volume survey of Orson Welles's life and work the celebrated British actor Simon Callow again probes in comprehensive and penetrating detail into one of the most complex contradictory artists of the twentieth century whose glorious triumphs and occasional spectacular failures in film radio theater and television introduced a radical and original approach that opened up new directions in the arts This volume begins with Welles's self exile from America and his realization that he could function only to his own satisfaction as an independent film maker a one man band in fact which committed him to a perpetual cycle of money raising By 1964 he had filmed *Othello* which took three years to complete *Mr Arkadin* the most puzzling film in his output and a masterpiece in another genre *Touch of Evil* which marked his one return to Hollywood and like all too many of his films was wrested from his grasp and reedited Along the way he made inroads into the fledgling medium of television and a number of stage plays of which his 1955 London *Moby Dick* is considered by theater historians to be one of the seminal productions of the century His private life was as spectacularly complex and dramatic as his professional life The book reveals what it was like to be around Welles and with an intricacy and precision rarely attempted before what it was like to be him answering the riddle that has long fascinated film scholars and lovers alike Whatever happened to Orson Welles *Jayne Mansfield* Eve

Golden, 2021-06-29 Jayne Mansfield 1933-1967 was driven not just to be an actress but to be a star One of the most influential sex symbols of her time she was known for her platinum blonde hair hourglass figure outrageously low necklines and flamboyant lifestyle Hardworking and ambitious Mansfield proved early in her career that she was adept in both comic and dramatic roles but her tenacious search for the spotlight and her risqu promotional stunts caused her to be increasingly snubbed in Hollywood In the first definitive biography of Mansfield Eve Golden offers a joyful account of the star Andy Warhol called the poet of publicity revealing the smart determined woman behind the persona While she always had her sights set on the silver screen Mansfield got her start as Rita Marlowe in the Broadway show *Will Success Spoil Rock Hunter* She made her film debut in the low budget drama *Female Jungle* 1955 before landing the starring role in *The Girl Can't Help It* 1956 Mansfield followed this success with a dramatic role in *The Wayward Bus* 1957 winning a Golden Globe for New Star of the Year and starred alongside Cary Grant in *Kiss Them for Me* 1957 Despite her popularity her appearance as the first celebrity in *Playboy* and her nude scene in *Promises Promises* 1963 cemented her reputation as an outsider By the 1960s Mansfield's film career had declined but she remained very popular with the public She capitalized on that popularity through in person and TV appearances nightclub appearances and stage productions Her larger than life life ended sadly

when she passed away at age thirty four in a car accident Golden looks beyond Mansfield s flashy public image and tragic death to fully explore her life and legacy She discusses Mansfield s childhood her many loves including her famous on again off again relationship with Mikl s Mickey Hargitay her struggles with alcohol and her sometimes tumultuous family relationships She also considers Mansfield s enduring contributions to American popular culture and celebrity culture This funny engaging biography offers a nuanced portrait of a fascinating woman who loved every minute of life and lived each one to the fullest Josefina Niggli, Mexican American Writer Elizabeth Coonrod Martinez,2007 The work of one of the earliest Mexican American women writers who focused on life lived between two cultures and nations is the subject of this new literary study **Suicide in the Entertainment Industry** David K.
