Scenario Tudor Gates, 2002 Scenario: The Craft of Screenwriting presents a system of logical analysis of the basic structures of successful screenplays from initial plot lines to realised scripts. All the essential building blocks are discussed in depth: the need for a strong premise, the roles of protagonist and antagonist, the orchestration of plot, characters, and dialogue leading to a clear resolution. Written by a highly experienced and successful screenwriter, this is a book which not only instructs first-time writers how to go about their work but also serves as a valuable check-list for established authors and for actors, directors, and teachers in their task of deconstructing and assessing the value of the material placed before them.
