Scribbled Stories:

Scribbled Stories Jack Patterson, 2002-07-30 Jack Patterson for 30 years taught school in the Redwood City School District in California. He now resides in an enclave west of Redwood City called Emerald Hills. As a retired teacher, he finds he is a very busy person. First it takes time to be a great grandfather to grandson K J. Also writing and reading are ongoing activities for each day. In spare moments, he helps his lovely wife Phyllis with her wild garden. Then once or twice a week, he takes a bundle of sticks and attempts to strike a golf ball 40 or 50 times before he goes home a disheartened and discouraged man. His Scribbled Stories come from his life as lived and remembered, all true blue except for a few. Every Picture Hides a Story William Cane, Anna Gabrielle, 2022-11-15 Each year 11 million people trek to the Louvre to gawk at the Mona Lisa. Many visitors clutch guide books in hand describing the painting. For some, it's the experience of a lifetime; one they'll talk about with friends and family for decades. Yet some modern researchers say that the vast majority of people will never recognize the hidden messages in this painting. That's because those hidden messages are subliminal. Buried below the threshold of conscious awareness, Da Vinci used techniques people never notice. Not only don't people know what they're seeing, they would be shocked to find out. A surprisingly large number of famous paintings fall into the same category. That is, they employ subliminal techniques to enhance the effectiveness of the work or to encode messages within portraits and landscapes. No book, however, has ever attempted to provide an overview of the technical sophistication and arcane methods that artists worldwide have used to conceal secret meaning in their work. Every Picture Hides a Story is the first book to expose the subliminal content in the world's greatest paintings. Titillating, subversive, and building on the groundbreaking work of pioneers of art criticism, this book will enable readers to view art masterpieces with greater understanding. And their enjoyment of these works will be exponentially enhanced. This full color book contains 86 images of the paintings and their details. **The Storymakers**, 2000 Explore the lives of 83 of the most talented children's authors writing today. Told in the authors' own words, these lively biographies describe the creative process and offer advice to today's young writers. Learn how they create wonderful books, where they get their ideas, what their desks look like, and what their favourite books were when they were growing up. **The Writer**, 1911 **The Cowboy's Last Chance** Lee Ann Sontheimer Murphy, 2024-10-21 When Vivian Blackburn recently returned to Southwest Missouri, she sets out to shoot pictures at a rodeo. She's not looking for a cowboy, but when she meets bull rider Calhoun Kelly, she's found one. They have an instant attraction and rapport. They're compatible in every way, but one: he has a strong Christian faith, and she lost hers after her parents died. When Vivian experiences strange dreams that seem to warn Calhoun of upcoming danger, she doesn't know what to think. Calhoun decides to hang up his spurs at the end of the season, but before he does, he and Vivian are married. They decide they'll settle at her grandmother's old farmhouse, but not until he rides his last rodeo. When he's critically injured, his life hangs in the balance. Will Vivian find her faith and pray? It's a close call, but time will tell. **The Scarred Santa** Lee Ann Sontheimer

Encyclopedia of Victorian Women's Writing Lesa Scholl,Emily Morris,2022-12-15 Since the late twentieth century there has been a strategic campaign to recover the impact of Victorian women writers in the field of English literature However with the increased understanding of the importance of interdisciplinarity in the twenty first century there is a need to extend this campaign beyond literary studies in order to recognise the role of women writers across the nineteenth century a time that was intrinsically interdisciplinary in approach to scholarly writing and public intellectual engagement *Emotions of a Book* Guido Parisi,2016-11-29 The settings of the stories the facts described and the style of writing spring from the wealth of experience of a teacher and writer who has lived in many countries of the world The main purpose of *Emotions of a Book* is to analyse the relationship between the author depicted as an artist and a book presented as a living being gifted with its own personality This axiom can be extended to any other category of artist musician painter sculptor and so on in their interaction with their respective working tools or objects Guido asks if a book a musical instrument a paint brush has its own soul sensitivity the power to influence to shape another's will to make its own decisions Is it possible that these things these apparently inert objects can be supplied with an energy to give them their own life Indeed it is not only an artist who when face to face with his working tool engages in long dialogues with it as if it were a living thing This happens to anyone used to seeing or dealing with the same things every day a writing desk a hammer a spade or even a computer Is then the process of

creativity conditioned by this interaction Each of us can give his own interpretation and answer Guido has tried to monitor step by step the inner drama of an author aware of his talent but incapable of expressing it for various reasons A few of these reasons are personal such as precarious health a lack of will and motivation and another is the fact that the invisible life blood of a blank book appears with an autonomous life It expresses its world and its long history with the same human feelings as any person but it also possesses a power which it uses to influence talented authors This book will appeal to those who enjoy reading about literature history and culture Indian Popular Fiction Prem Kumari Srivastava, Mona Sinha, 2021-11-24 The scholarly essays in this book open up experimental and novel spaces and genres beyond the traditional and the literary world of Indian Popular Fiction as it existed towards the end of the last millennium They respond to the possibilities opened up by the technology driven and internet savvy reading and writing world of today Contemporaneous and bold most of the essays resonate with the racy and fast paced milieu and social media space inhabited by today's youth Combative in its drift this book makes possible an attempt to disband hierarchies and dismantle categories that have engulfed the expansive landscape of Indian Popular Fiction for too long It facilitates discussion on graphic novels microfiction popular entertainment and political satire on television and celluloid social media driven romances existing in the domain of the real rather than that of fantasy and mythological readings against the backdrop of gender and politics Aimed at facilitating further research by scholars and enthusiasts of Indian Popular Fiction this book is also an ode to the current trends generated by social and internet media cosmos This book is co published with Aakar Books New Delhi Taylor Francis does not sell or distribute the print versions of this book in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka **Basil Godfrey's Caprice** Holme Lee, 1868 The Heiress Marie Bryce, 2025-10-07 Born into privilege but shaped by pain Marie's journey is anything but predictable The Heiress follows her through a life of emotional upheaval domestic violence mental health struggles and the heartbreak of loving someone who cannot love safely in return After surviving a devastating incident that shatters her marriage Marie begins the slow climb back to herself With her daughters as her anchor and the unexpected return of William the man who once loved her purely she discovers that healing is not linear but possible This deeply human story explores resilience and the quiet power of choosing peace over chaos As Marie rebuilds her life finds love again and welcomes new joy into her family she learns that scars don't disappear but they don't define her either A tender triumphant novel about reclaiming your voice protecting what matters most and finding beauty after the storm As Marie navigates the complexities of divorce motherhood and healing she discovers that true safety isn't found in silence it's found in truth Her relationship with William blossoms offering her a second chance not just at love but at life itself Together they build a new family welcoming a baby boy and celebrating a wedding filled with joy resilience and the support of those who stood by her through every storm The Heiress is a deeply human story about surviving domestic violence reclaiming identity and finding beauty in broken places It's about the scars that remain the love that endures and the power of choosing peace over chaos

The Winding Path To Freedom 5th ed. Roman D. Mac,2012-07-18 in Ukrainian fields and forests in the 1940s and 1950s but what makes any successful popular insurgency work whether it takes place in America in 1776 or in troubled parts of the world today History aside Roman Mac s story is also a moving human document There is tragedy heartbreak and heroic endurance here both witnessed and lived And Roman depicts it all in modest straightforward style not only the great struggle that was going on around him but also the struggle that was going on within himself We see and feel the rustic joys and travails of village life the destruction and loss that war Nazism and Communism bring upon it and we too struggle along the winding path to freedom with a young boy who manages to keep his faith his humanity and not the least of accomplishments amidst so much suffering and sorrow his sense of humor through it all Although I was already familiar with Ukrainian history and as an aide to Presidents Nixon Ford and Reagan was 2 ROMAN D MAC an eye witness to the last chapters of the Cold War reading Roman Mac s story made me understand more fully what that colossal struggle was really like for the ordinary people who bore the brunt of it His gift of making us see it all as he saw it then through a young boy s eyes brings alive both the brutality of battle and magic solitary moments in the still forest with only woodland creatures as companions We feel the pelting snow and piercing cold we smell the smoke of the campfires and we hear both the whiz of bullets and the deep moving chords of the freedom fighters songs just as the young Roman Mac did more than half a century ago Then with the battle over we follow a troubled but determined young man on the road to a new life in the west We share the ups and downs of a new series of trials and tests from which he emerges once again with his humanity and his humor intact By book s end we feel as if we ve walked beside him all the way and we too experience his joy in achieving success dignity and a happy family life in America Thank you Roman Mac for sharing and showing us so much and for doing it with such clarity honesty and goodness of heart
