The Exegetical Encounter Between Jews and Christians in Late Antiquity Emmanouela Grypeou, Helen Spurling, 2009 The Exegetical Encounter between Jews and Christians in Late Antiquity is a collection of essays examining the relationship between Jewish and Christian biblical commentators The contributions focus on analysis of interpretations of the book of Genesis a text which has considerable importance in both Christian and Jewish tradition The essays cover a wide range of Jewish and Christian literature including primarily rabbinic and patristic sources but also apocrypha pseudepigrapha Philo Josephus and Gnostic texts In bringing together the studies of a variety of eminent scholars on the topic of Exegetical Encounter the book presents the latest research on the topic and illuminates a variety of original approaches to analysis of exegetical contacts between the two sets of religious groups The volume is significant for the light it sheds on the history of relations between Jews and Christians in Late Antiquity [Interpreting Scriptures in Judaism, Christianity and Islam](#) Mordechai Z. Cohen, Adele Berlin, 2016-06-06 This comparative study traces Jewish Christian and Muslim scriptural interpretation from antiquity to modernity with special emphasis on the pivotal medieval period It focuses on three areas responses in the different faith traditions to tensions created by the need to transplant scriptures into new cultural and linguistic contexts changing conceptions of the literal sense and its importance vis vis non literal senses such as the figurative spiritual and midrashic and ways in which classical rhetoric and poetics informed or were resisted in interpretation Concentrating on points of intersection the authors bring to light previously hidden aspects of methods and approaches in Judaism Christianity and Islam This volume opens new avenues for interdisciplinary analysis and will benefit scholars and students of biblical studies religious studies medieval studies Islamic studies Jewish studies comparative religions and theory of interpretation **Judaism and Its Bible** Frederick E. Greenspahn, 2023-08 Judaism and Its Bible explores the profoundly deep and complex relationship between Jews Judaism and the Hebrew Bible The Hebrew Bible has been ubiquitous in Jewish life and thought Jews read it interpret it and debate it They translate the Bible even as they deem those translations inadequate and they cite the Bible as the basis for observances that are not even mentioned in it Jews quote the Bible as authority for their tradition s preservation and innovation as both the word of God and the language of humans and as justification for both pro and anti rabbinic movements Fascinating and comprehensive Judaism and Its Bible describes the extraordinary two and a half millennia journey of a people and its book that has changed the world **Men and Masculinities in Christianity and Judaism** Björn Krondorfer, 2009 A comprehensive collection of texts that maps out the field of Critical Men s Studies in Religion It contains 35 key texts that engage with the position of men in society and church the ideals of masculinity as engendered by religious discourse and alternative trajectories of being in the world whether spiritually relationally or sexually *The Qur'an's Reformation of Judaism and Christianity* Holger M. Zellentin, 2019-03-20 This volume explores the relationship between the Qur an and the Jewish and Christian traditions

considering aspects of continuity and reform The chapters examine the Qur'an's retelling of biblical narratives as well as its reaction to a wide array of topics that mark Late Antique religious discourse including eschatology and ritual purity prophetology and paganism and heresiology and Christology Twelve emerging and established scholars explore the many ways in which the Qur'an updates transforms and challenges religious practice beliefs and narratives that Late Antique Jews and Christians had developed in dialogue with the Bible The volume establishes the Qur'an's often unique perspective alongside its surprising continuity with Judaism and Christianity Chapters focus on individual suras and on intra-Qur'anic parallels on the Qur'an's relationship to pre-Islamic Arabian culture on its intertextuality and its literary intricacy and on its legal and moral framework It illustrates a move away from the problematic paradigm of cultural influence and instead emphasizes the Qur'an's attempt to reform the religious landscape of its time The Qur'an's Reformation of Judaism and Christianity offers new insight into the Islamic Scripture as a whole and into recent methodological developments providing a compelling snapshot of the burgeoning field of Qur'anic studies It is a key resource for students and scholars interested in religion Islam and Middle Eastern Studies

Socratic Torah Jenny R. Labendz, 2013-03-28 The relationship of the rabbis of Late Antique Palestine to their non Jewish neighbors rulers and interlocutors was complex and often fraught Jenny R Labendz investigates the rabbis self perception and their self fashioning within this non Jewish social and intellectual world answering a fundamental question Was the rabbinic participation in Greco Roman society a begrudging concession or a principled choice Labendz shows that despite the highly insular and self referential nature of rabbinic Torah study some rabbis believed that the involvement of non Jews in rabbinic intellectual culture enriched the rabbis own learning and teaching Labendz identifies a sub genre of rabbinic texts that she terms Socratic Torah in which rabbis engage in productive dialogue with non Jews about biblical and rabbinic law and narrative In these texts rabbinic epistemology expands to include reliance not only upon Scripture and rabbinic tradition but upon intuitions and life experiences common to Jews and non Jews While most scholarly readings of rabbinic dialogues with non Jews have focused on the polemical hostile or anxiety ridden nature of the interactions Socratic Torah reveals that the presence of non Jews was at times a welcome opportunity for the rabbis to think and speak differently about Torah Labendz contextualizes her explication of Socratic Torah within rabbinic literature at large including other passages and statements about non Jews as well as general intellectual trends in rabbinic literature and also within cognate literatures including Plato s dialogues Jewish texts of the Second Temple period and the New Testament Thus the passages that make up the sub genre of Socratic Torah serve as the entryway for a much broader understanding of rabbinic literature and rabbinic intellectual culture
