Scripture and Tradition in Judaism Géza Vermès, 1961 Scripture and Tradition in Judaism Géza Vermès, 1983-01-01 *Scripture and Tradition in Judaism* Vermès, 2022-07-11 *Scripture and Tradition in Judaism* Geza Vermès, 1973 Scripture and Traditions Patrick Gray, Gail R. O'Day, 2008 This volume contains twenty two essays in honor of Carl R Holladay whose work on the interaction between early Christianity and Hellenistic Judaism has had a considerable impact on the study of the New Testament The essays are grouped into three sections Hellenistic Judaism the New Testament in Context and the History of Interpretation Among the contributions are essays dealing with conversion in Greek speaking Judaism and Christianity 3 Maccabees as a narrative satire retribution theology in Luke Acts church discipline in Matthew the Exodus and comparative chronology in Jewish and patristic writings corporal punishment in ancient Israel and early Christianity and Die Judenfrage and the construction of ancient Judaism **Judaism, Christianity, and Islam: The Classical Texts and Their Interpretation, Volume II** F. E. Peters, 2021-04-13 Invoking a concept as simple as it is brilliant F E Peters has taken the basic texts of the three related and competitive religious systems we call Judaism Christianity and Islam and has juxtaposed them in a topical and parallel arrangement according to the issues that most concerned all these children of Abraham Through these extensive passages and the author's skillful connective commentary the three traditions are shown with their similarities sometimes startlingly underlined and their well known differences now more profoundly exposed What emerges from this unique and ambitious work is a panorama of belief practice and sensibility that will broaden our understanding of our religious and political roots in a past that is by these communities definition still the present The hardcover edition of the work is bound in one volume and in the paperback version the identical material is broken down into three smaller but self contained books The second The Word and the Law and the People of God discusses the scriptures of the three faiths in various contexts exegetical and legal Throughout the work we hear an amazing variety of voices some familiar some not all of them central to the primary and secondary canons of their own tradition alongside the Scriptural voice of God are the words of theologians priests visionaries lawyers rulers and the ruled The work ends as does the same author's now classic Children of Abraham in what Peters calls the classical period that is before the great movements of modernism and reform that were to transform Judaism Christianity and Islam **Judah and Tamar (Genesis 38) in Ancient Jewish Exegesis** Esther Menn, 2021-12-06 This exploration of Genesis 38 in three interpretive writings shows how new meanings emerge through encounters between the biblical text and later Jewish communities A literary reading within the canon suggests that the story of Judah and Tamar points to the morally ambiguous origins of David's lineage Ancient Jewish exegesis however challenges this understanding The Testament of Judah interprets Genesis 38 as the story of a warrior king's tragic downfall Targum Neofiti develops it to illustrate the concept sanctification of the divine Name and Genesis Rabbah portrays it as a series of providential events issuing in the royal and messianic lineage Esther Marie Menn

pioneers a fresh approach to the study of biblical interpretation by analyzing the relation between interpretative genre altered plot structure and cultural values Biblical Interpretation in the Book of Jubilees John C. Endres SJ, 2023-11-29

This study of Jubilees 19 30 Jacob traditions focuses on the author's redaction of biblical tradition in Genesis 23 34 especially the additions to and deletions from the tradition Two questions arise consistently how did the writer interpret redact the story and what did he propose theological tendencies The focal point is how he retold the story in keeping with his vision

Bart Koet, Steve Moyise, Joseph Verheyden, 2013-03-18 The Scriptures of Israel in Jewish and Christian Tradition is a collection of studies in honour of Professor Maarten J J Menken Tilburg Utrecht and illustrates the rich diversity of approaches to biblical interpretation at the beginning of the Common Era An international team of specialists share their insights on such topics as the availability of Hebrew Aramaic and Greek texts Jewish and Christian hermeneutics notions of authority and inspiration and even a study of inscriptions Each in its own way demonstrates that the relationship between text and tradition culture and belief is always complex **Jewish Biblical Interpretation and Cultural Exchange** Natalie

B. Dohrmann, David Stern, 2013-06-18 Biblical interpretation is not simply study of the Bible's meaning This volume focuses on signal moments in the histories of scriptural interpretation of Judaism Christianity and Islam from the ancient period to

the early modern and shows how deeply intertwined these religions have always been *The Scriptures of Israel in Jewish and Christian Tradition* Bart J. Koet, Steve Moyise, Joseph Verheyden, 2013-03-22 The Scriptures of Israel in Jewish and Christian Tradition is a collection of studies in honour of Professor Maarten J J Menken Tilburg and addresses questions of textual form Jewish and Christian hermeneutics and notions of authority and inspiration The Zechariah Tradition and the Gospel of Matthew Charlene McAfee Moss, 2008 The Zechariah Tradition and the Gospel of Matthew is a comprehensive study of the ways Matthew utilizes Zechariah texts and traditions Against the background of materials from Qumran and apocryphal and deuterocanonical writings Matthew s explicit citations of Zechariah are examined the influence of Zechariah elsewhere in the First Gospel is identified and the extent to which Matthew alludes to characteristic Zechariah themes alone or in combination with other prophetic traditions is explored Zechariah traditions appear in Matthew s distinctive materials as well as in texts Matthew has transmitted or altered from Mark and Q The impact of Zech 9 14 is not limited to the Passion Narrative but extends through Matthew s Infancy and Galilean healing narratives as well important concepts from Zech 1 8 are also discerned in the Infancy and Passion Narratives Moss works through the canonical order of Matthew this enables readers to appreciate the cumulative effect of Zechariah s influence at each stage of the Gospel story Two appendices one arranged according to Zechariah and the other to Matthew list possible references to Zechariah in Matthew This monograph is useful for Matthean studies and it is an insightful investigation of how one set of Old Testamental traditions are appropriated in one canonical Gospel and in the New Testament **Scripture, Tradition and Reason** Richard Bauckham, Benjamin Drewery, 2004-10-28 Essays on scripture tradition and reason at the heart of every major issue confronting the life and thought of all the Christian Churches today in honour of R P C Hanson **The Background of the Gospels, Or, Judaism in the Period Between the Old and New Testaments** William Fairweather, 1920 One Scripture or Many? Christine Helmer, Christof Landmesser, 2004-06-03 One Scripture or Many proposes a novel understanding of canon that reaches beyond the text to the reality of tradition This new approach to biblical theology takes up major questions concerning the unity of the canon Its thesis is bold canon is both text and tradition As text the canon is the product of a history of formation its unity is ascribed by subsequent generations interpreting the text As tradition its fundamental openness to diverse interpretations is the function of a subject behind the text that holds together the tradition s unity Yet open endedness does not mean an absence of determinacy Hermeneutical theological and philosophical parameters are given in order to maintain a unity at one level that does not exist between ideas conflicting on another level These parameters are constituted through the relationship between text reality and experience On the one hand these parameters are embedded in the text On the other hand they are inextricably linked to reality because they themselves reflect experiences of that reality The interdisciplinary approach in this book draws on scholarship in the Hebrew Bible the Dead Sea Scrolls the New Testament philosophy and theology Both Jewish and Christian scholars conclude that the search for the canon is an open

ended process of interpretation Questions of the canon's unity find their niche in a new concept of biblical theology that presupposes the theological and philosophical relevance of biblical texts As conceived in religious categories experience and reality are themes already available in scripture Whether one or many scripture addresses these questions for our time

Josephus and the Theologies of Ancient Judaism Jonathan Klawans, 2013-01-10 Though considered one of the most important informants about Judaism in the first century CE the Jewish historian Flavius Josephus's testimony is often overlooked or downplayed Jonathan Klawans's *Josephus and the Theologies of Ancient Judaism* reexamines Josephus's descriptions of sectarian disagreements concerning determinism and free will the afterlife and scriptural authority In each case Josephus's testimony is analyzed in light of his works general concerns as well as relevant biblical rabbinic and Dead Sea texts Many scholars today argue that ancient Jewish sectarian disputes revolved primarily or even exclusively around matters of ritual law such as calendar cultic practices or priestly succession Josephus however indicates that the Pharisees Sadducees and Essenes disagreed about matters of theology such as afterlife and determinism Similarly many scholars today argue that ancient Judaism was thrust into a theological crisis in the wake of the destruction of the second temple in 70 CE yet Josephus's works indicate that Jews were readily able to make sense of the catastrophe in light of biblical precedents and contemporary beliefs Without denying the importance of Jewish law and recognizing Josephus's embellishments and exaggerations *Josephus and the Theologies of Ancient Judaism* calls for a renewed focus on Josephus's testimony and models an approach to ancient Judaism that gives theological questions a deserved place alongside matters of legal concern Ancient Jewish theology was indeed significant diverse and sufficiently robust to respond to the crisis of its day *Authoritative Scriptures in Ancient Judaism* Mladen Popović, 2010-06-14 Many scholars of the Second Temple period have replaced the concept of canonization by that of canonical process Study of the Dead Sea Scrolls has been crucial for this new direction Based on this new evidence taxonomic terms like biblical nonbiblical or parabiblical seem anachronistic for the period before 70 C E The notion of authoritative Scriptures plays an important part in the new paradigm of canonical process but it has not yet been sufficiently reflected upon and is in need of clarification Why were some texts more authoritative than others For whom and in what contexts were texts authoritative And what are our criteria to determine to what extent a text was authoritative In short what do we mean by authoritative This volume focuses on specific texts or corpora of texts and approaches the notion of authoritative Scriptures from sociological cultural and literary perspectives **The Bookman**, 1897
