

"Dr. Beegle has rearranged and amplified his material, and struck a more positive note. I endorse as emphatically as I can his deprecating of a Maginot-line mentality where the doctrine of Scripture is concerned."

— F. F. Bruce

Scripture Tradition And Infallibility By Beegle Dewey M

Don Thorsen, Keith H. Reeves

Scripture Tradition And Infallibility By Beegle Dewey M:

Scripture, Tradition, and Infallibility Dewey M. Beegle, 1973 The basic contention of this forthright and challenging study is that inerrancy and infallibility apply only to God and to his Son Jesus Christ Inasmuch as scripture has been given transmitted and interpreted through human channels it is bound to bear the marks of that humanity Nevertheless God is not restricted by this self imposed limitation Scripture is sufficiently accurate and trustworthy to accomplish his purpose because the Holy Spirit drives home God s message with authority The claims of biblical inerrancy or infallibility Beegle believes stem from insecurity But scripture understood properly does not make such claims for itself and most certainly a dynamic church characterized by confident preaching of the gospel has no need to go beyond the Bible to lend it such feeble defenses Cover

Inerrancy Norman L. Geisler, 1980 Inerrancy is a collection of essays by fourteen leading evangelical scholars on a wide range of topics related to the doctrine of the inerrancy of the Bible Footnotes and index are included **The Authoritative**

Word Donald K. McKim, 1998-05-22 Contemporary controversies over the inspiration and authority of the Bible have left many people confused The host of specialized studies makes it difficult for a reader to be introduced to the nature of Scripture without consulting a number of sources *Evangelicalism and Karl Barth* Phillip R. Thorne, 1995-01-01 This long standing series provides the guild of religion scholars a venue for publishing aimed primarily at colleagues It includes scholarly monographs revised dissertations Festschriften conference papers and translations of ancient and medieval documents Works cover the sub disciplines of biblical studies history of Christianity history of religion theology and ethics Festschriften for Karl Barth Donald W Dayton James Luther Mays Margaret R Miles and Walter Wink are among the seventy five volumes that have been published Contributors include C K Barrett Francois Bovon Paul S Chung Marie Helene Davies Frederick Herzog Ben F Meyer Pamela Ann Moeller Rudolf Pesch D Z Phillips Rudolf Schnackenburgm Eduard Schweizer John Vissers Hermeneutics, Authority, and Canon D. A. Carson, John Woodbridge, 2005-03-09 Among the many recent discussions of the nature and authority of Scripture I would judge this to be one of the most valuable Particularly in those essays that deal with the actual phenomena of the text of Scripture it displays a level of sophistication and of sympathetic awareness of alternative views that has too often been lacking In contrast to the backs to the wall tone of some conservative defenses of inerrancy these authors write for the most part with the confidence of those who have a coherent and well grounded position to offer The volume will I believe both help to commend Evangelical doctrine to those who suspect it of blind obscurantism and also contribute significantly to mutual understanding among Evangelicals who are too ready to polarize over their different assessments of what it means to honor Scripture as the Word of God R T France Vice Principal London Bible College These thought minded essays are the channel through which conservative scholars must steer for competent interaction with current critical theories for helpful direction in focusing the battle over Scripture and for reflection of conflict areas that Evangelicals must themselves resolve This work rises above the shallow shadow boxing over

inerrancy and engages central concerns with academic ability and dignity It puts on the agenda issues that Evangelical leaders must now wrestle Does the Bible contain different kinds of truth Is all divine revelation rational Is the canon really post apostolic No reader will agree with all that is said some will loudly disagree here and there But all students will be stimulated and serious readers edified at the frontiers of current debate Carl F H Henry Lecturer at Large World Visio

Evangelicals at an Impasse Robert K. Johnston,2020-03-09 Biblical inspiration and interpretation in conflict Evangelicals assert that the Bible is the infallible source and sole authority for Christian beliefs and living This premise is currently under fire from social and cultural mores AND more importantly from differences of biblical interpretation Contradictory opinions have arisen on several issues What exactly does the Bible claim What is the rightful role of women in the church and at home How do Christians evaluate homosexuality is it always a sin What is the church's role in social ethics Evangelicals at an Impasse considers these burning issues and offers helpful guidelines Robert K Johnston seeks to bridge the gaps among the biblical writers the church fathers and contemporary humanity He offers an effective way for Christians and more specifically evangelicals to understand the Bible as it relates to theology tradition and culture Johnston considers the issues the facts surrounding them social practices the pros and cons on each question and provides striking insights in his conclusions conclusions NOT solutions Evangelicals and other Christians in fact anyone interested in religion in America will find this a fascinating and remarkable book God, Revelation and Authority: God Who Speaks and Shows (Vol. 4) Carl F. H.

Henry,1999-01-25 Part 4 in a monumental six volume set that presents an undeniable case for the revealed authority of God to a generation that has forgotten who he is and what he has done *What Christians Believe about the Bible* Don

Thorsen,Keith H. Reeves,2012-08-15 Christians talk frequently about the Bible yet they do not always have an informed and wide ranging understanding of varied Christian views about its nature Don Thorsen and Keith Reeves combine their biblical and theological knowledge to create such a unique introduction to the Bible This book not only provides an introduction to the interpretation of the Bible but also to the history and theological understanding behind it equipping students to think critically about their own tradition's approach to Scripture It is perfect as a supplemental textbook in both introductory biblical studies and theology courses but it will also be of interest to adult education classes **Toward Understanding**

the Bible Perry Yoder,2006-01-25 This work is offered in the hope that it will help those seeking biblical answers for today's problems to find a coherent and consistent way of using the biblical text Hermeneutics is not so interested in the specific explanation of individual passages but in a more general way with the object or goal of exegesis If in exegesis the aim is to discover the meaning of a passage how will we tell when we have gotten this In this essay we see that the task of hermeneutics is to teach us how we may tell a valid explanation from an invalid one what constitutes a correct understanding of a passage from the Introduction Forgotten Scriptures Lee Martin McDonald,2009-01-01 The early Christian church

had a variety of Scriptures and other source material that informed their faith and shaped their thinking But after a few

centuries the church decided to keep the twenty seven books of our present New Testament and to treat them as a canonical in faith and practice But what of the other books Many of them have survived and remain valuable for understanding the diversity of the early Christian church and the astounding claims of faith on which it was founded Learning about these ancient documents need not threaten the church s current orthodoxy and authority in fact learning about these texts can help today s Christians form a deeper understanding of the early church

New & Enlarged Handbook of Christian Theology
Donald W. Musser, Joseph Price, 2011-09-01 This handbook provides thorough introductory articles on important themes in Christian theology Along with cross references and select bibliographies it is an indispensable reference source The Handbook consists of 148 topical entries arranged alphabetically Instead of a Table of Contents a Routes For Reading page suggests related entries and cross referencing makes surfing this volume easier than ever

The Collected Writings of James Leo Garrett Jr., 1950-2015: Volume Two James Leo Garrett Jr., 2018-07-26 James Leo Garrett Jr has been called the last of the gentlemen theologians and the dean of Southern Baptist theologians In The Collected Writings of James Leo Garrett Jr 1950 2015 the reader will find a truly dazzling collection of works that clearly evince the meticulous scholarship the even handed treatment the biblical fidelity the wide historical breadth and the honest sincerity that have made the work and person of James Leo Garrett Jr so esteemed and revered among so many The first two volumes of the series explore Dr Garrett s writings on the experience history and lives of Baptist Christians and this inaugural volume specifically considers Baptists Baptist views of the Bible and Anabaptists Spanning sixty five years and touching on topics from Baptist history theology ecclesiology church history and biography religious liberty Roman Catholicism and the Christian life The Collected Writings of James Leo Garret Jr 1950 2015 will inform and inspire readers regardless of their religious or denominational affiliations

Interdisciplinary Perspectives on the Authority of Scripture Carlos R. Bovell, 2011-09-01 Conservative Protestant views of Scripture have not moved much beyond the fundamentalist modernist controversies of the early twentieth century Today discussions must evolve and become transparently conversant with recent scholarly developments

Interdisciplinary Perspectives on the Authority of Scripture provides contemporary reflections on the most pressing challenges facing inerrancy today Whatever your current position this volume will deepen your understanding of the authority of Scripture

Revisioning Evangelical Theology Stanley J. Grenz, 1993-03-02 Stanley J Grenz evaluates the course of evangelical theology and sets out a bold agenda for a new century He proposes that evangelical theology to remain vibrant and vital in the postmodern era should find its central integrative motifs in the reign of God and the community of Christ

A Theology for the Church Dr. Daniel L. Akin, 2014-06-01 The revised edition of A Theology for the Church retains its original structure organized under these traditional theological categories revelation God humanity Christ the Holy Spirit salvation the church and last things Each chapter within these sections contains answers to the following four questions What does the Bible say What has the church believed How does it all fit together How does this doctrine impact the church today Contributions from leading Baptist thinkers R Albert Mohler Jr Paige Patterson and Mark Dever among others will also appeal to the broader evangelical community Included in this revision are new chapters on theological method from a missional perspective Bruce Ashford and Keith Whitfield and theology of creation providence and Sabbath that engages current research in science and philosophy Chad Owen Brand Chapters on special revelation David Dockery and human nature John Hammett have also been updated

Theology, Church, and Ministry David S. Dockery, 2017-10-01 Theology Church and Ministry A Handbook for Theological Education helps readers understand the critical role theological education plays in equipping God called ministers for service in the church

Buddhavacana and Dei Verbum Michael Fuss, 2023-08-07 Challenged by the teaching of Vatican II about the seeds of the Word in non Christian religions this book investigates the sacred character of the Saddharmapitakam and its relation to the fundamental theological category of scriptural inspiration In applying the methods of modern exegesis the Pitakam in its ingenious composition is disclosed as a religious drama about the inspirational experience of the Buddha The draft of a theology of inspiration along the guide lines of the Dogmatic Constitution Dei Verbum of Vatican II elaborates a christology of the Word as its core which allows an extension of inspiration in analogical manner to non Biblical scriptures The contrast of Christ the Word incarnate and Buddha the Inspired One offers a new contribution to an inter religious dialogue

The Survivor's Guide to Theology M. James

Sawyer,2016-04-11 Men and women embarking on the study of systematic theology quickly find themselves awash in a sea of unfamiliar theological terms historical names and philosophical isms The Survivor s Guide to Theology is both a life preserver to help stay afloat and a compass to help navigate these often unfamiliar waters While many books on systematic theology provide introductory material still the reader is often forced to dive right into actual theology without adequate framework for understanding Resources for building this framework are available but scattered This unique book brings them together in one place The Survivor s Guide to Theology is ideal for both introduction and review reference The first part deals with the question What is Theology It addresses issues categories theory of knowledge and more The second part surveys nine major theological systems For each the author provides history and background overview of content and theological distinctive and a critique The final part provides the reader with biographical sketches of significant theologians a brief dictionary of common theological terms and an annotated bibliography of major theological works *Engaging the Written Word of God*

James Innell Packer,2012 In this collection of articles written over forty years Packer sets out his beliefs about the authority of Scripture and the principles that should be applied when interpreting it Important topics such as the adequacy of human language upholding the unity of Scripture and challenges in Biblical interpretation are considered in the first two sections Gods Inerrant Word and Interpreting the Word In the final section Preaching the Word Packer turns his attention to pastoral leaders and the importance of correct and responsible expository preaching **Scriptural Perspicuity in the Early English Reformation in Historical Theology**

Richard M. Edwards,2009 A consistent indigenous English doctrine of scriptural perspicuity correlates with a commitment to the availability of the vernacular scriptures in English and supports the English roots of the Early English Reformation EER Although political events and figures dominate the EER its religious component springing from John Wyclif and streaming throughout the tradition must be recognized more widely This book critically surveys the doctrine of scriptural perspicuity from the beginning of the Church in the first century noted as early as John Chrysostom through the seventeenth century examining its impact on the current debates concerning competing hermeneutical systems reader response hermeneutics and the debates in conservative American Presbyterianism and Reformed theology on subscription to the Westminster Confession of Faith the length of creation days and other issues
