Buffy the Vampire Slayer Anne Billson,2005-12 From 1997 to 2003 Buffy the Vampire Slayer single handedly reinvented the high school genre splicing it with action comedy and the supernatural Series by series Anne Billson unravels the magic of Buffy examining the antecedents influences and the new twist on the age old story of the struggle between Good and Evil

History of Chautauqua County, New York, and Its People John Phillips Downs,Fenwick Y. Hedley,1921

George Washington on Screen Leigh Ehlers Telotte,2023-07-17 One of the most moving narratives from the American Revolution is the first presidential administration and the many precedents set by George Washington While media historians have extensively analyzed screen portrayals of the more sensational events of America in the 1750s to the 1790s far less attention has been paid to portrayals of the first presidency and the character of George Washington in film television and other formats This book addresses that gap by providing the most comprehensive analysis of the character of George Washington on screen Divided into two parts the book begins with an analysis of how the Washington character has evolved through time and screen media from early silent films to modern multimedia products In Part II a filmography documents each piece of screen media that features a representation of Washington It includes silent films theatrical films cartoons television and screen media from the 21st century such as streaming video games and multimedia presentations Arranged alphabetically each entry includes format type production details crew and cast lists and a brief description of Washington s character in relation to the plot

Un-Dead TV Brad Middleton,2015-02-05 Vampires are ubiquitous in our popular culture from movies to television in fiction and art and even within the hallowed halls of academia But in the not so distant past these undead creatures held more fear than fascination they lived in the shadows and were the stuff of nightmares In 1897 Bram Stoker introduced Dracula to the Western world and our concept of vampires was changed forever For over sixty years the undead have bled the television airwaves appearing in every type of programming imaginable Un Dead TV catalogues over one thousand unique vampire appearances and is the first book of its kind to explore this phenomenon to the extent that it truly deserves

Fighting the Forces David Lavery,Rhonda V. Wilcox,2002-02-25 For every television series the original vision grows within a press of forces both social and artistic expectations conventions of the business as well as conventions of the art Bad television predictable commercial exploitative simply yields to the forces Good television like the character of Buffy the Vampire Slayer fights them Fighting the Forces explores the struggle to create meaning in an impressive example of popular culture the television series phenomenon Buffy the Vampire Slayer In the essays collected here contributors examine the series using a variety of techniques and viewpoints They analyze the social

and cultural issues implicit in the series and place it in its literary context not only by examining its literary influences from German *liebestod* to Huckleberry Finn but also by exploring the series' purposeful literary allusions. Furthermore, the book explores the extratextual such as fanfiction and online discussion groups. The book is additionally supplemented by an online journal *Slayage* www.slayage.tv created by the book editors in acknowledgement of the ongoing nature of television art.

Rhonda V. Wilcox and David Lavery have written and edited several books and articles exploring the social, literary, and artistic merit of quality television. In addition to *Buffy the Vampire Slayer*, their work has covered a variety of programs including *Twin Peaks*, *Northern Exposure*, *The X-Files*, and *The Sopranos*.

Why Buffy Matters Rhonda Wilcox, 2005-08-26

Hugely enjoyable, long-awaited book by top world authority on *Buffy the Vampire Slayer*. *Buffy* is still on screens and on DVD in home television libraries of a wide array of TV watchers and fans. This is also the student text for TV and cultural studies at colleges and universities where *Buffy* is widely taught. Rhonda Wilcox is a world authority on *Buffy the Vampire Slayer* who has been writing and lecturing about the show since its arrival on our screens. This book is the distillation of this remarkable body of work and thought, a celebration of the series that she proposes is an aesthetic test case for television. *Buffy* is enduring as art, she argues, by exploring its own possibilities for long-term construction as well as producing individual episodes that are powerful in their own right. She examines therefore the larger patterns that extend through many episodes: the hero myth, the imagery of light, naming, symbolism, Spike, sex, and redemption. *Buffy Summers* compared and contrasted with *Harry Potter*. She then moves in to focus on individual episodes such as the *Buffy* musical *Once More with Feeling*, the largely silent *Hush*, and the dream episode *Restless*. T. S. Eliot comes to television. She also examines *Buffy's* ways of making meaning from literary narrative and symbolism to visual imagery and sound. Combining great intelligence and wit, written for the wide *Buffy* readership, this is the worthy companion to the show that has claimed and kept the minds and hearts of watchers worldwide.

Sex and the Slayer Lorna Jowett, 2005-04-15

The author aims to demonstrate in this book not how feminist or progressive the show is, but how it represents femininity, masculinity, and gender relations, including sexuality, and how this relates to the context of genre. The book aims to draw out patterns of gender representation and to relate these to relevant contexts.

Intro *Faith and Choice in the Works of Joss Whedon* K. Dale Koontz, 2015-02-12

Joss Whedon once identified himself as an angry, hard-line atheist who is nevertheless fascinated by the concept of devotion. While organized religion seems to hold no satisfactory answers for Whedon, his dedication to exploring the meanings of faith and belief can be seen in many of the characters he has created for such works as *Buffy the Vampire Slayer*, *Angel*, *Firefly*, *Serenity*, and *Fray*. This work examines a variety of Whedon's characters and discusses what can be learned from their struggles and discoveries regarding religion and belief. Part One focuses on the characters' search for purpose, revealing how Dawn, Spike, and Angel attempt to define the meaning of their lives in *Buffy the Vampire Slayer* and its spin-off *Angel*. Part Two focuses on family, examining the unconventional family dynamic in Whedon's comic book miniseries *Fray* and television series *Firefly*. Part

Three centers around the concept of redemption using Angel s Doyle Firefly s Malcolm Reynolds and Shepherd Book and Buffy s Faith Leanne to examine the characters search for salvation and their own acceptance of their past actions Finally Part Four focuses on the harmful potential of religious zealotry revealing the negative aspects of absolute belief through Firefly s River and Buffy s Caleb A primary source guide follows the main text providing the writer director and air date of each television episode along with publication data for Whedon s print works including the in publication Season 8 comic books for Buffy the Vampire Slayer *Report of the Commissioners of Fisheries of the State of New York* New York (State). Commissioners of Fisheries,1888 Outdoor Sports and American Angler ,1888 Joss Whedon and Race Mary Ellen Iatropoulos,2016-11-24 Joss Whedon is known for exploring philosophical questions through socially progressive narratives in his films television shows and comics His work critiques racial stereotypes sometimes repudiating them sometimes reinvesting in them sometimes both at once This collection of new essays explores his representations of racial power dynamics between individuals and institutions and how the Whedonverse constructs race ethnicity and nationality relationships Report New York (State). Commissioners of Fisheries,1888 **The American Angler** William Charles Harris,1887 *Proceedings and Papers of the National Fishery Congress, Held at Tampa, Florida, January 19-24, 1898* ,1898
