Seven Novels Other Stories:

The Unfinished Novel and Other Stories Valerie Martin, 2007-12-18 From the Orange Prize winning author of *Property* comes a vital and heartbreaking collection of short stories that turns an unflinching eye upon artists driven and blocked, desired and detested, infamous and sublime as they struggle beneath the tyranny of Art to reconcile their audience with their muse. A triumph. *The New Yorker*. A painter who owes his small success to a man he despises discovers that his passivity has cost him the love that might have set him free. A writer of modest talents encounters the old love who once betrayed him; now she repels him, yet the unfinished novel she leaves in his hands may surpass anything he could ever produce himself. An American poet in Rome finds herself forced to choose between her lover and a world so alien it takes her voice away. A print maker who has reached a certain age enters so deeply into the magical world of her imagination that she can never find her way back. In captivating, luminous prose, Martin explores the trials and rewards of human relationships and creative endeavor with all the ease and insight of a writer at the top of her form.

The Black Mirror and Other Stories Franz Rottensteiner, 2008-12-31 Handsomely equipped with a comprehensive introductory historical essay, editor's notes, and selected bibliography, this distinguished anthology is a model of genre research. These previously untranslated stories, published from 1871 onward, offer reading virtually unknown to most American and many German readers. Some authors combine scientific and philosophical issues like Kurd Lasswitz in his witty tale *To the Absolute Zero of Existence*. A story from 2371 while others, as in Erik Simon's 1983 title story, pose psychological puzzles involving alien phenomena. Though the earlier stories in particular demand painstaking reading, all of them repay it with rewarding insights into German and Austrian culture and the many possible uses and misuses of science.

Dwight's House and Other Stories Meredith Sue Willis, 2004

Anaro and Other Stories M. Bhagat, 2001 This collection of Manjul Bhagat's stories translated from Hindi by the author herself deals with the experiences of women, children, and men wrestling with life not from positions of strength but nevertheless wrenching bits and pieces of their dreams. *Anaro*, winner of the Yashpal Award, is the story of a bold woman authoritatively sketched in *Brave Strokes*, who keeps fighting to keep her dreams alive in the face of mounting debts.

The Hockey Sweater and Other Stories Roch Carrier, 1979-11-01 The *Hockey Sweater*, the title story in this 20-story collection, has become an enduring classic: a Quebec boy and Habs fan is shipped a Toronto Maple Leafs sweater by mistake. It encapsulates everything you need to understand French and English Canada, told with humour and love.

Vazhga Vazhga and Other Stories Imayam, 2023-12-22 Imayam is considered one of the most important Tamil writers today, and this powerful collection of stories reveals just why that is. Whether he is depicting a lack of political morality in the novella *Vazhga Vazhga*, questioning whether religion unifies or divides in *Tiruneeru Sami*, or narrating his unique spin on *Sambar*, a character from one of our epics, Imayam's unsparing gaze on society gently and subtly reveals the inequalities people must live with and navigate. Beautifully translated by Prabha Sridevan, the stories in this collection are layered and told with
