Revelation (Paideia: Commentaries on the New Testament) Sigve K. Tonstad, 2019-11-05 This practical commentary on Revelation is conversant with contemporary scholarship draws on ancient backgrounds and attends to the theological nature of the text Sigve Tonstad an expert in the early Jewish context of the New Testament offers a nonretributive reading of Revelation and addresses the issue of divine violence Paideia commentaries explore how New Testament texts form Christian readers by attending to the ancient narrative and rhetorical strategies the text employs showing how the text shapes moral habits and making judicious use of photos and sidebars in a reader friendly format **God so Loved...** Steve Ink, 2015-05-05 John 3 16 is perhaps the most popular verse in the entire Bible It provides us with a concise description of God s motivation and action that leads to the hope of the eternal abundant life promised through Christ It is the Gospel proclaimed in one brief sentence In God So Loved this powerful verse is broken down so that each concept of the whole can be examined explored and personalized Author Steve Ink examines who God is what God has done and how we should live our lives in response This book is written for those seeking to learn about and gain a better understanding of the good news of Jesus Christ The main text of the book provides an overview of the Christian message as seen through Ink s personal experiences The notes provide supportive information for those who want to learn more *Galatians* Samuel Ngewa, 2010 The second of the Hippo preaching commentaries with endnotes on the Greek text and other issues of academic importance

Holiness in the Letters of Paul J. Ayodeji Adewuya, 2016-10-21 Paul s understanding of holiness stems from the holiness of God as revealed in the Old Testament Using varied terminology Paul describes the holiness that should characterize the believers as the people of God God expects moral integrity of his people because he has provided believers with his Holy Spirit to enable them to live exemplary Christlike lives in this present world though polluted as they prepare for the world to come Believers who like Paul anticipate the Parousia must not only desire but also pray that holiness becomes a reality in their lives cognizant of the fact that holiness is a matter of practice not merely a status that one attains upon justification Thus holiness is an imperative for the people of God *The Bible and the Future* Anthony A. Hoekema, 1994-09-06 Writing from the perspective that the coming of God s kingdom is both present and future Hoekema covers the full range of eschatological topics in this comprehensive biblical exposition The two major sections of the book deal with inaugurated eschatology the already and future eschatology the not yet Detailed appendix bibliography and indexes **Translating the**

Bible Literally Michael T. Schmid, 2016-05-31 Differences in translation between so called literal Bible versions make it quite appropriate to re evaluate what is meant by the label literal What do different literal Bible translations have in common How do they differ How do we account for possible different concepts of literalness How is the concept of literalness applied to the making of a Bible translation To answer these questions the author compares three literal Bible translations the King James Version the New American Standard Bible and the English Standard Version For each of these versions the historical background and the writings of the translators themselves are analysed The book concludes with a comparison of the three translations in their renderings of selected examples from the Gospel of John *Counseling One Another* Paul Tautges, 2016-02-29 This paradigm shifting book helps believers understand the process of being transformed by God s grace and truth and challenges them to be a part of the process of discipleship in the lives of their fellow brothers and sisters in Christ Counseling One Another biblically presents and defends every believer s responsibility to work toward God s goal of conforming us to the image of His Son a goal reached through the targeted form of intensive discipleship most often referred to as counseling All Christians will find Counseling One Another useful as they make progress in the life of sanctification and as they discuss issues with their friends children spouses and fellow believers providing them with a biblical framework for life and one another ministry in the body of Christ *The Voice of Jesus* Stephen I. Wright, 2007-10-01 This book explores what it means to seek the voice of Jesus in his parables through the interpretive keys of literary tropes Through a detailed discussion of significant periods of parable interpretation with reference to six narrative parables peculiar to Luke s Gospel it demonstrates the continued necessity of a creative response to an intention when confronted with figures of speech Drawing on the long tradition of interpretation a fresh hearing of the tone of the parables as exemplary tales is suggested rooted in both the conditions of Jesus s contemporary culture and the Old Testament Scriptures *The Naked State of Human Being* Luis Ivan Martinez-Toledo, 2016-04-21 This book explains the image of nakedness gymnos taken by Paul in the Corinthian correspondence to refer to the state of human being during death Through an academic approach but simple language the author explains the biblical monist understanding of human being He takes the biblical experience of death and resurrection to point out his arguments This book uncovers the ancient problem of the continuation of personal identity from life prior to death on to resurrection It also provides a fresh biblical approach from an anthropological and biblical perspective to the problem of what being human really is Those who enjoy traveling through the Bible with an open mind and warm heart will find in this book a good experience *Worship with Fasting* Albert Lemmons , 2021-03-08 Worship with Fasting explores both the mystery and practical nature of fasting Most spiritual leaders and believers know what fasting is and that it has some importance in the pages of Scripture but few understand its purpose and power As a result it is a little used weapon in the Church and in believers lives today In Worship with Fasting Lemmons connects the dots between worship prayer fasting and the Holy Spirit s power Worship with Fasting will give you a hunger for more of the presence of God and instruction on

how to incorporate fasting into your individual and church life Worship with Fasting is written by highly gifted and respected teacher Dr Albert Lemmons In fact Dr Thomas Keith Roberts in the Foreword quotes a pastor who once told him When Albert Lemmons clears his throat he gives you more wisdom than most people can by talking all day long **Exploring Kenosis**

Gromacki,2008-08-01 Before coming to grips with an individual verse or passage in the New Testament Bible students and expositors must understand how it relates to the theme of the book This nontechnical survey offers readers a working

understanding of the New Testament by providing the theological tools necessary to synthesize biblical passages into themes. It incorporates historical and cultural backgrounds without becoming a book on manners and customs and deals with the actual text of Scripture without becoming a verse by verse commentary. Pictures, charts, and outlines aid comprehension. This classic text, which has served students well for many years, is now available in paperback. *Do it Yourself Hebrew and Greek* Edward W. Goodrick, 1980. Edward Goodrick's classic guide introduces the alphabets and basic elements of Greek and Hebrew grammar. With this foundation, the student is encouraged to use some basic language tools including analytical lexicons, interlinears, concordances, and commentaries. Festschrift to honor F.
