Shosha Isaac Bashevis Singer, 1982 Shosha Isaac Bashevis Singer, 2009-05-01 Evocation de la communauté juive de Pologne la veille de l'holocauste nazi *Recovering the Canon* David Neal Miller, Isaac Bashevis Singer, 1986 **Shosha** Isaac Bashevis Singer, 1978 Studies in Contemporary Jewry Ezra Mendelsohn, 1997-01-30 Literary Strategies Jewish Texts and Contexts collects essays on Jewish literature which deal with the manifold ways that literary texts reveal their authors attitudes toward their own Jewish identity and toward diverse aspects of the Jewish question Essays in this volume explore the tension between Israeli and Diaspora identities and between those who write in Hebrew or Yiddish and those who write in other non Jewish languages The essays also explore the question of how Jewish writers remember history in their search for a useable past From essays on Jabotinsky's virtually unknown plays to Philip Roth's novels this book provides a strong overview of contemporary themes in Jewish literary studies Shoshaman Shinya Arai, 1991-04-18 Acknowledging no god but the corporate good the shoshamen high powered professionals within Japan's integrated trading companies serve as the unrelenting cogs of an economic machine Or do they Shoshaman takes us inside the world of Japan Inc to explore the daily lives of the people who inhabit it Written by a senior executive in a major sogo shosha this absorbing novel reveals as no textbook can the strategies required to win the race to the top It also makes painfully clear the ethical and psychological choices that such a race demands The cast of characters is as varied as the corporate world itself from the devoted Ojima who has been passed over by the company to the spirited Masako who strikes out on her own The hero Nakasato Michio finds that the road to success is long and perilous as he tries to satisfy his ambitions while remaining faithful to his values First published as Kigyoka sarariman in 1986 and made into a prize winning television miniseries in 1988 the book has been acclaimed in Japan for the verisimilitude of its characters and situations It offers a clear understanding of what it is like in human terms to survive and perhaps succeed within the confines of the Japanese corporation Drop A Novel Yuvaveer, Andy The rocking tough guy from the USA who's trying to let go of a painful past Nitya A breath of fresh air who puts a smile on everyone's face In zigzags of life she's trying to find direction Pragnya An inquisitive and persistent journalist The story is her goal and she won't stop until she gets it Swaroop The silent and conflicted seeker who constantly questions the mystery of life Yatri The enigmatic photographer You'll think about what he said long after he said it and you'll think about what he didn't say even longer Join the gang as they take a journey within Follow them as their backpack full of questions and

discover a treasure trove of answers on an adventure filled road trip Whether it s having a jallebi eating contest in Varanasi or white water rafting in Rishikesh each place presents its own challenge showing each of characters what they need to drop in life in order to move forward Dare to question What do YOU have to drop in order to evolve **Modern Jewish**

Worldmaking Through Yiddish Children's Literature Miriam Udel,2025-10-14 How modern Yiddish children s literature gave expression to emerging forms of Jewish identity As migration carried Yiddish to several continents during the long twentieth century an increasingly global community of speakers and readers clung to Jewish heritage while striving to help their children make sense of their lives as Jews in the modern world Miriam Udel traces how the stories and poems written for these Yiddish speaking children underpinned new formulations of secular Jewishness Udel provides the most comprehensive study to date of this corpus of nearly a thousand picture books chapter books story and poetry collections and anthologies Moving geographically from Europe to the Americas and chronologically through the twentieth century she considers this emerging canon in relation to the deep Jewish past and imagined Jewish futures before reckoning with the tragedy of the Holocaust Udel discusses how Yiddish children s literature espoused political ideologies ranging from socialism to Zionism and constituted a project of Jewish cultural nationalism one shaped equally by the utopianism of the Jewish left and important shifts in the Western understanding of children childhood and family life **Modern Jewish Worldmaking Through Yiddish Children s Literature** shows how Yiddish authors educators and cultural leaders confronting practical limits on their ability to forge a fully realized nation of their own focused instead on making a symbolic and conceptual world for Jewish children to inhabit with dignity justice and joy *Witness Through the Imagination* S. Lillian Kremer,Lilian Kremer,2018-02-05 *Witness through the Imagination* presents a critical reading of themes and stylistic strategies of major American Holocaust fiction to determine its capacity to render the prelude progress and aftermath of the Holocaust Criticism of Holocaust literature is an emerging field of inquiry and as might be expected the most innovative work has been concentrated on the vanguard of European and Israeli Holocaust literature Now that American fiction has amassed an impressive and provocative Holocaust canon the time is propitious for its evaluation *Witness Through the Imagination* presents a critical reading of themes and stylistic strategies of major American Holocaust fiction to determine its capacity to render the prelude progress and aftermath of the Holocaust The unifying critical approach is the textual explication of themes and literary method occasional comparative references to international Holocaust literature and a discussion of extra literary Holocaust sources that have influenced the creative writers treatment of the Holocaust universe **The Jewish Quarterly** ,1981 **The Marrano Way** Agata Bielik-Robson,2022-05-09 The Marrano phenomenon is a still unexplored element of Western culture the presence of the borderline Jewish identity which avoids clear cut cultural and religious attribution and precisely as such prefigures the advent of the typically modern free oscillating subjectivity Yet the aim of the book is not a historical study of the Marranos or conversos who were forced to convert to Christianity but were suspected of

retaining their Judaism undercover The book rather applies the Marrano metaphor to explore the fruitful area of mixture and cross over which allowed modern thinkers writers and artists of the Jewish origin to enter the realm of universal communication without at the same time making them relinquish their Jewishness which they subsequently developed as a hidden tradition The book poses and then attempts to prove the Marrano hypothesis according to which modern subjectivity derives to paraphrase Cohen out of the sources of the hidden Judaism modernity begins not with the Cartesian abstract ego but with the rich self reflexive self of Michel de Montaigne who wrestled with his own marranismo in a manner that soon became paradigmatic to other Jewish thinkers entering the scene of Western modernity from Spinoza to Derrida The essays in the volume offer thus a new view of a Marrano modernity which aims to radically transform our approach to the genesis of the modern subject and shed a new light on its secret religious life as surviving the process of secularization although merely in the form of secret traces

The End of Modernism William Collins Donahue, 2003-01-14 Nobel laureate Elias Canetti wrote his novel *Auto da Fe* *Die Blendung* when he and the twentieth century were still quite young Rooted in the cultural crises of the Weimar period *Auto da Fe* first received critical acclaim abroad in England France and the United States where it continues to fascinate readers of subsequent generations *The End of Modernism* places this work in its cultural and philosophical contexts situating the novel not only in relation to Canetti's considerable body of social thought but also within larger debates on Freud and Freudianism misogyny and modernism's fragmented subject anti-Semitism and the failure of humanism contemporary philosophy and philosophical fads and traditionalist notions of literature and escapist conceptions of history *The End of Modernism* portrays *Auto da Fe* as an exemplum of analytic modernism and in this sense a crucial endpoint in the progression of postwar conceptions of literary modernism

Eternal Treblinka Charles Patterson, 2002 This book explores the similar attitudes and methods behind modern society's treatment of animals and the way humans have often treated each other most notably during the Holocaust The book's epigraph and title are from *The Letter Writer* a story by the Yiddish writer and Nobel Laureate Isaac Bashevis Singer In relation to them all people are Nazis for the animals it is an eternal Treblinka The first part of the book Chapter 1-2 describes the emergence of human beings as the master species and their domination over the rest of the inhabitants of the earth The second part Chapters 3-5 examines the industrialization of slaughter of both animals and humans that took place in modern times The last part of the book Chapters 6-8 profiles Jewish and German animal advocates on both sides of the Holocaust including Isaac Bashevis Singer himself The Foreword is by Lucy Rosen Kaplan former attorney for People for the Ethical Treatment of Animals PETA and daughter of Holocaust survivors Her foreword the Preface and Afterword excerpts from the book chapter synopses and an international list of supporters can be found on the book's website at www.powerfulbook.com

Encyclopedia of the Novel Paul Schellinger, 2014-04-08 The *Encyclopedia of the Novel* is the first reference book that focuses on the development of the novel throughout the world Entries on individual writers assess the place of that writer within the development of the novel

form explaining why and in exactly what ways that writer is important. Similarly an entry on an individual novel discusses the importance of that novel not only from analyzing the particular innovations that novel has introduced and the ways in which it has influenced the subsequent course of the genre. A wide range of topic entries explore the history, criticism, theory, production, dissemination and reception of the novel. A very important component of the *Encyclopedia of the Novel* is its long surveys of development of the novel in various regions of the world. *Popular World Fiction, 1900-present: Sc-Z, Cumulative index with Beacham's popular fiction [in America]* Walton Beacham, Suzanne Niemeyer, 1987. Publishing and critical history of best selling world fiction writers, critical evaluations of selected titles.

Narratives of Resistance Ana María Manzanás Calvo, Jesús Benito Sánchez, 1999. The articles included in this collection cover a wide range of literatures and topics but most of them address the ways in which ethnic writers create themselves in opposition and resistance to the mainstream. These narratives of opposition and resistance do not equate protest narratives but represent a consciously subversive effort. There is agency and creativity in the confrontation for the majority of these narratives are not only demystifying an old world and order but creating a new one; there narratives are not reproducing as much as producing and forging culture and literature. The articles we present resist not only the politics of traditional canon formation but the politics of cultural nationalism as well; they challenge the margins as well as the center. With this revisionist agenda the aim of this collection is to invite readers to further their rethinking of American and Caribbean literatures.

Isaac Bashevis Singer: His Work and his World Hugh Denman, 2021-12-28. A quarter of a century after Isaac Bashevis Singer was awarded the Nobel Prize for Literature it is time to take stock of his achievement. Penetrating studies of his fictional and autobiographical works by leading scholars in the field reveal that for all the acclaim he has received on the basis of the English versions of his works no adequate evaluation of Bashevis's significance can be made without careful examination of the original Yiddish texts. Critical readings assess inter alia his themes and motifs, the impact of Kabbalah on his work, reflections of society in his original Polish homeland as well as his place within the context of contemporary Jewish American letters and the canon of modern Yiddish and Hebrew writing.

Vegetarianism and Veganism in Literature from the Ancients to the Twenty-First Century Theophilus Savvas, 2024-05-29. *Vegetarianism and Veganism in Literature from the Ancients to the Twenty-First Century* reassesses both canonical and less well known literary texts to illuminate how vegetarianism and veganism can be understood as literary phenomena as well as dietary and cultural practices. It offers a broad historical span ranging from ancient thinkers and writers such as Pythagoras and Ovid to contemporary novelists including Ruth L. Ozeki and Jonathan Franzen. The expansive historical scope is complemented by a cross-cultural focus which emphasises that the philosophy behind these diets has developed through a dialogic relationship between east and west. The book demonstrates also the way in which carnivorousism has functioned as an ideology one which has underpinned actions harmful to both human and non-human animals.
