 ,1896 Illuminati Bible of Divine Light: Part two Sorin Cerin, 2021-07-10 With the appearance of my first philosophical
 studies but also of aphorisms I initially published the book entitled Bible of the Light and then a more complete form of the
 book Bible of the Light was the book entitled The Illuminati Bible so that in present to publish the full form of the Bible which
 I felt that it will be perfected with the help of God and which I decided to call the Illuminati Bible of Divine Light Some will
 wonder why I chose this name of The Illuminati Bible starting with that book published in 2014 the content of which is also in
 this book called the Illuminati Bible of Divine Light which in turn contains many other parts Simple Firstly because I wanted
 to help in Good the Karma of this World because Illuminati and Enlightenment are spoken of in negative terms and secondly
 because Illuminati comes from Enlightenment and true Enlightenment cannot bring the Evil nor can it be the Evil vile True
 Enlightenment must be based only on Good and never on bringing the Evil as the supreme Wickedness Therefore in order to
 improve the Karma of Mankind I show that Enlightenment does not consist in Wickedness but in combating Wickedness The
 enlightened ones cannot be a hidden group of people who lead humanity out of the shadows committing all sorts of evils and
 abuses to maintain power These people are by no means Enlightened but Dark If there really are some in such a situation
 then they use the term Illuminati or Enlightened falsely How just as Dark are those who dirtyly attack on the true Illuminati
 or Enlightened only out of obscure interests of a religious nature for fear that the Enlightened ones might open the souls of

the People and show them the Way to the Truth from which some high prelates that are at the head of certain churches flee who are afraid that if the Truth would be found they will lose both their financial and their decision making power I believe that the future will belong to those truly Enlightened the true Illuminati A thing is to use Evil to bring through it Good and another is to use Evil to bring through it the Wickedness The true Enlightened and not Dark are those who understand that the Evil can only be used for Good when he can do it and the Good only for the Evil less Evil when the Good itself can lead to destruction disaster or pain The real Bad People the Dark Ones are the ones who use both Good and Evil to do as much as possible Evil and not Good Mankind must understand that the Evil and Good the God and the Devil are an Entity with two distinct characteristics an Entity that defines our True God that is our Creator Factor and Unique Incidentally Therefore in order to improve the Karma of this World we will have to pray to the Universal Consciousness formed by the Universal Pure Language That is to pray to the Divine Light of all the Worlds the Supreme God of Intelligence which to inspire our thoughts so that to use in moderation both Good and Evil for the ultimate purpose of doing and bringing through us as much as possible Good Why didn t I let in continuation the name of the Illuminati Bible and to this new much deeper work of the Bible and call it the Illuminati Bible of Divine Light Because compared to the other book called the Illuminati Bible the Illuminati Bible of Divine Light contains in addition to the content of that book many other new chapters that appeared with the new Wisdom Collections or with the final form of the Coaxialism Sorin Cerin **Harper's Bazaar** ,1867 **Youth's**

Companion ,1879 **Time Travel and Alternate Realities** Danuta Siniarska ,2025-06-02 With a passion for weaving enchanting tales that bridge the realms of fantasy and self discovery the author commands a unique place within the literary landscape Known for their immersive writing style and imaginative world building they have captivated readers with their previous works Their deep understanding of time travel and alternate realities showcases their expertise in exploring complex ideas through engaging narratives that resonate with a broad audience The author s professional background is rich with experience in both the literary and educational fields Having worked as a creative writing instructor they harness the power of storytelling to inspire others on their own writing journeys Their experiences in editing and publishing have granted them insights into the publishing process while their collaborations with fellow writers and industry professionals have expanded their literary horizons This diverse background enables them to approach their stories with a well rounded perspective creating engaging content that speaks to readers of all ages Graduating with a degree in Literature and Creative Writing the author has immersed themselves in the world of stories since a young age Their academic pursuits have enriched their understanding of narrative structures themes and character development The quest for knowledge has fueled their creativity propelling them to explore the boundaries of genre while delving into the themes of identity and personal growth Their earlier works have laid the groundwork for the themes explored in Time Travel and Alternate Realities which draws from both literary traditions and contemporary storytelling Beyond their technical prowess the author connects with readers on a

deeper level through personal experiences of transformation and discovery They embrace a writing style that combines whimsical prose with philosophical undertones inviting readers to reflect on their own journeys The exploration of alternate realities serves as a metaphor for the choices we make and the poignancy infused in every narrative highlights the author's belief in the transformative power of storytelling This authenticity fosters a sense of relatability and creates a lasting connection with their audience Driven by a mission to inspire others through the magic of storytelling the author envisions a future where their narratives continue to spark curiosity and self discovery They aim to broaden their literary reach while exploring new themes that encourage readers to reflect on their own realities As they embark on new writing projects they remain dedicated to their craft committing themselves to creating compelling worlds where the impossible becomes possible urging each reader to embark on their own journey of exploration
