Show Us The Moon The Dublin Days Of Lar Redmond:

Show Us the Moon Lar Redmond, 1988 *Goodbye to Catholic Ireland* Mary Kenny, 2000 *Saothar*, 1989 Writing Ireland's Working Class Michael Pierse, 2016-04-30 Exploring writing of working class Dublin after Se n O Casey this book breaks new ground in Irish Studies unearthing submerged narratives of class in Irish life Examining how working class identity is depicted by authors like Brendan Behan and Roddy Doyle it discusses how this hidden urban Ireland has appeared in the country's literature *Books Ireland*, 1990 **Irish Publishing Record**, 1989 *Dublin Street Life and Lore* Kevin Corrigan Kearns, 1991 The first half of this century was the heyday of Dublin's vibrant and bustling traditional street life Now in Dublin's Street Life and Lore through the vivid oral histories of the participants themselves Professor Kevin Kearns chronicles this rich street life and lore for future generations The fascinating and often poignant verbal testimonies of Dublin's last surviving tram drivers lamplighters market traders street dealers spielers buskers local characters and others of their vanishing breed comprise a wholly original and captivating personal historical record of Dublin's long renowned street life told in Professor Kearns's uniquely engaging and informative style **Dublin Pub Life and Lore** Kevin Corrigan Kearns, 1996 **Dictionary of Irish Literature**, 1996 Working Class Heroines Kevin C. Kearns, 2018-09-21 In Working Class Heroines acclaimed historian Kevin C Kearns brings us the voices of the forgotten women of Dublin's tenements If it weren't for his work the lives of these everyday heroines would be lost forever Based on 30 years of research spent interviewing and recording the life stories of the working class women of Dublin it covers the squalid tenement days of the early 1900s through the mid century decades of slumland block flats and into the 1970s when deadly drugs infiltrated poor neighbourhoods terrifying mothers and stealing away their children What emerges is an intimate and poignant celebration of the mummies and grannies who held the fabric of family life in an environment of hardship and often cruelty Through vivid tales of how they coped with grinding poverty huge families pitiless landlords the oppressive Church dictatorial priests feckless and often abusive husbands these remarkable women shine with astonishing dignity wit pride and a resilient spirit despite their struggles Working Class Heroines gives voice and pays tribute to the long silent unsung heroines who were the indispensable caretakers of both family and community and remains one of the most important Irish feminist documents of our times The ordinary woman has long been absent from our national narrative I think we should be grateful that Working Class Heroines exists and we can benefit now from listening to these voices Ellen Coyne The Sunday Times **Dublin's Lost Heroines** Kevin Corrigan Kearns, 2004 Kevin Kearns the acclaimed author of Dublin Tenement Life and other oral histories has now prepared a masterly work of reminiscence celebration and sadness Based on interviews he has conducted during LDEPual visits to Dublin extending over thirty years he has drawn together a unique picture of women's lives in the old Dublin slums Tall town houses originally built as elegant homes for the rich in the eighteenth century fell into the hands of avaricious and pitiless landlords who filled them to bursting point with the desperate and impoverished urban proletariat

Conditions were often unspeakably vile with massive over crowding and utterly inadequate sanitation Yet out of these dreadful tenements families were reared households kept together and human dignity maintained women the mummies and grannies of the Dublin slums whose voices course through this remarkable book They tell of how they lived of the difficulties they faced of the grinding poverty the unemployment the fecklessness of their men folk and always of their heroic struggle to maintain the basic decencies of human life in inhuman conditions
