 into his tied down holster but loosely knowing that he might suddenly require its use again Some parts of hell even the devil  
 didn t travel alone he told himself His gaze moved warily outward through the raging swirl of white heat surrounding the  
 town out across the harsh Mexican badlands After a moment he took the folded piece of paper from inside his riding duster  
 and opened it as he kept an eye on the empty dusty street From between two adobe buildings a skinny hound slunk out  
 through the dust picked up something from the dirt and raced away with it Dallas Fadden you re marked off the ranger  
 murmured to himself under his breath He looked at the list of names on the paper thieves rapists arsonists assassins wanton  
 murderers degenerates all the worst of the worst his captain had proclaimed them With a pencil stub that he pulled from  
 under the brim of his pearl gray sombrero he drew a straight line through Fadden s name On the ground at his feet Fadden  
 lay at the end of a long streak of bloody dirt where his trail of lawlessness had ended A bullet hole gaped in the center of his  
 back The thumb of his right hand had been clipped off by the same single bullet before it bored through his heart Seeing the  
 bloody stub Sam looked off in the direction the skinny hound had taken and realized what had caused the animal to venture  
 out before the smoke and dust had even settled Sam folded the paper and put it away Preview of Ralph Cotton s Gunfight at
