Verity Vox and the Curse of Foxfire Don Martin, 2025-08-05 NEW YORK TIMES BESTSELLER Indie Bestseller USA Today Bestseller WELCOME TO FOXFIRE The rules here are simple Don't look in the trees Don't whistle in the woods at night Don't answer if you hear your name called And remember everything wants Verity Vox is a witch in training who has never met a problem her spells can't solve But when a cryptic plea for help sends her to the forgotten coal mining town of Foxfire she soon learns even magic has its limits Verity discovers a curse was laid years ago by a traveling magician who vanished into the ancient Appalachian hills to seek greater power Crops won't grow Bellies go hungry Even treasured possessions fall apart What's worse people have gone missing amidst rumors that they've sought out the magician who is lying in wait for those foolish or desperate enough to strike a deal with him The witch must break the curse find a missing girl and solve the mystery of what's really under the mountain before the town falls forever into the clutches of the monster lurking in the hills

The Hemingway Patrols Terry Mort, 2009-08-18 From the summer of 1942 until the end of 1943 Ernest Hemingway spent much of his time patrolling the Gulf Stream and the waters off Cuba's north shore in his fishing boat Pilar. He was looking for German submarines. These patrols were sanctioned and managed by the US Navy and were a small but useful part of anti submarine warfare at a time when U boat attacks against merchant shipping in the Gulf and the Caribbean were taking horrific tolls. While almost no attention has been paid to these patrols other than casual mention in biographies they were a useful military contribution as well as a central event to Hemingway around which important historical literary and biographical themes revolve. *The Lawless Breed* T. A. Mort, 2004 From a bold new voice in western adventure comes this rousing tale of a former Union Navy officer and trained killer who faces a murderous Navajo and encounters other deadly dangers while he pursues a band of killer stagecoach robbers. Original. **Showdown in the Sonoran Desert** Ananda Rose, 2012-06-01 This book offers reflections on a daunting and controversial ethical question How should we treat the strangers who enter this country illegally To understand the experience of those directly confronted by this problem Ananda Rose traveled to the Sonoran desert at the border between the U S and Mexico There she gathered opinions from Minutemen Border Patrol agents Catholic nuns humanitarian air workers left wing protestors ranchers and other ordinary citizens in southern Arizona She depicts the results of these interviews as two starkly opposed ideological perspectives that of religious activists who embrace a biblically inspired model of hospitality that stresses love of strangers and a borderless compassion

and that of law enforcement which is concerned with safety security and strict respect for international borders
