An overweight divorced out of love aged care worker Bruce is about to turn sixty and coming face to face with the burning question to do or to decline. Bruce's life is presented as a roller coaster ride of battles with a bad back impotence and diminishing career prospects while at the same time telling the comic stories of his online love life and his nearest and bitterest. Some of his friends are in their third age and going through similar confronting experiences. His clients and mother are in their fourth age and having a tough time. His much younger ex girlfriend hasn't even thought about getting older and is bent on revenge against him and won't take any prisoners. Other characters are equally challenged by aging but flying brilliantly above the mess. At times Bruce is torn apart as he must witness the struggles of those aging before his very eyes. He is gripped by the writing on his own wall battered and bruised by a cunning woman scorned yet determined to find a way through the rest of his life that will bring purpose dignity lasting love and some kind of inner peace. If you're approaching experiencing or even worn down by aging *Love in the Third Age* may just turn all that around and give you many moving and funny moments to laugh at both on your own and with others. *Love & War as Never Before* George Wilson Morin, 2010-11-11 *Love* Uncle Martin a battalion commander with the Hell on Wheels 2nd Armored Division cousin Pat a company commander with the 7th Armored uncle Tom a Navy lieutenant commander in the Philippines and the boy's elusive father John an intelligence officer with the 8th Army Air Corps. Their experiences are told through a trove of some four hundred pages of letters found yellowing in a crushed cardboard box in the corner of the father's garage some fifty years after the conflict ended. *Hey, Kid! Does She Love Me?* Harry Mazer, 2015-05-05 Jeff's life would be so much better if he were the one directing it. Close up Mary running toward him with tears in her eyes. Oh my darling I couldn't wait to get back. Cut to long shot Jeff puts his arms around her. They kiss. Fade out. Jeff already sees everything as a scene in a movie planning the camera angles and imagining people reading the lines he'll write for them. As soon as he saves up enough money to move to California he's going to quit his dishwashing job and then look out for Director Orloff. Unfortunately Mary Silver doesn't seem to have read the script. When they were in high school drama club together she never noticed Jeff and now that she's back in town a new player has entered the scene. Mary's infant daughter Hannah. Being a mom is a full time job but Jeff knows that Mary was born to be an actress he's seen her come alive on stage transforming into her character from the inside out. Her kind of talent is in a class by itself. If only Mary could see herself as Jeff sees her beautiful and talented and utterly in love with him. Will their romance always be just in his head. Or can he win Mary's heart another way by figuring out what it means to be a friend to her and to Hannah.
