Curtis, 2024-01-04 *New Directions in Childhood Studies* Innocence Trauma and Agency in the Twenty first Century

acknowledges that the conceptual frameworks for understanding the experience of childhood in the twentieth century are no longer adequate and offers important updates to the construct of American childhood The chapters in this collection examine contemporary children s literature film and video games to explore the ways in which everyday realities like trauma disaster and death impact the experience of childhood in America today In many ways the essays show the narratives blur traditional lines between children s and adult content taking children series as subjects while also guiding them through the processes of dealing with the particular challenges Collectively the essays develop a more contemporary construct of the American child and offer new insights into what that construction might mean for contemporary American society and culture

Recognitions Enrico Botta, Gianna Fusco, Pilar Martínez Benedí, Anna Scannavini, 2024-11-04 This volume offers a critical exploration of the many ways in which transcodification acts at the intersection of literature art history and social and cultural artifacts to foster instances of recognition in the US Recognition covers a wealth of meanings from the mere acknowledgement of existence validity or legality or appreciation of something as valuable to the identification of something as known or familiar Accordingly this volume deals with different struggles for recognition One focus of the volume is the assessment of artistic achievement in relation to a so called original with essays concerned with cultural codes and with the role that translation adaptation and cross cultural encounters have played in US artistic and literary productions A second parallel strand focuses on the fight for political and social inclusion or on the dynamics beneath the recognition of group and gender identities to explore how activism and artistic literary productions challenge received identity boundaries and accepted social and cultural hierarchies Bringing together recognition and transcodification transculturality the book deconstructs crystalized and codified categories and celebrates the crossing of boundaries     STEM 2: Pencil It! Jason Changkyu Kim, 2023-04-07 Practice Sheets and Activities     **Critical Encounters in Secondary English** Deborah Appleman, 2023-12-22 Grounded in solid theory with new field tested classroom activities the fourth edition of Critical Encounters in Secondary English continues to help teachers integrate the lenses of contemporary literary theory into practices that have always defined good pedagogy The most significant change for this edition is the addition of Critical Race Theory CRT as an analytical lens CRT offers teachers fresh opportunities for interdisciplinary planning and teaching as it lends itself to lessons that encompass a variety of disciplines such as history sociology psychology and science As with the previous edition each chapter concludes with a list of suggested nonfiction pieces that work well for the particular lens under discussion This popular text provides a comprehensive approach to incorporating nonfiction and informational texts into the literature classroom with new and revised classroom activities appropriate for today s students Book Features Helps both pre and inservice ELA teachers introduce contemporary literary theory into their classrooms Offers lucid and accessible explications of contemporary literary theory Provides dozens of innovative and field tested classroom activities Tackles the thorny issue of Critical Race Theory in helpful and practical ways Praise for the Third Edition What a smart and useful book It

provides teachers with a wealth of knowledge and material to help their students develop critical perspective and suppleness of thought Mike Rose University of California Los Angeles This Third Edition proves that Appleman still has her hand on the pulse of the rapidly changing landscape of education Ernest Morrell Teachers College Columbia University This new edition of Deborah Appleman's now classic book demonstrates even more dramatically than previously how the critical theories she so skillfully teaches serve not only as lenses for the reading of literature but as tools for discovering interrogating and challenging injustice hypocrisy and the hidden power relations that students are likely to encounter Sheridan Blau Teachers College Columbia University
