## **Shroud Of Secrecy The Story Of Corruption Within The Vatican:**

**Shroud of Secrecy** Luigi Marinelli, Millenari, 2000-01 Centuries have passed and secularism seems to have a stronghold on our world view but the Vatican still rules the practices and doctrines of more than a third of the earth's people with arguably the same iron fist it always has. After all this time the all powerful Vatican remains a complete mystery to all those outside its walls. Until now a small group of Vatican prelates felt they could not participate in the code of silence that has allowed corruption and hypocrisy to flourish within the seat of power of one of the world's biggest most influential religions. This group which has referred to itself as the Millenarians has preferred anonymity for fear of repercussions from the publication of this book. One of the group Luigi Marinelli was compelled to step forward and his livelihood and life have been threatened in the balance. The book was an act of love for the Church. Marinelli has been quoted as saying 'He and his fellow Millenarians strongly believe that the Church they love cannot survive if the ruling powers are mired in bureaucracy rampant careerism corruption and lack of accountability. The anecdotal evidence they provide is shocking at the very least.' **Sacred Silence** Donald B. Cozzens, 2004 Sacred Silence is a book about failed leadership in the Catholic Church. Donald Cozzens looks at various challenges and the scandal gripping the Church and offers an historical overview of our church leadership. He explains how the misplaced loyalties of those in leadership positions created the current crisis. Cozzens clarifies why bishops and church authorities think the way they do and why the ecclesiastical system might be the real villain in the abuse scandal. With compassion and understanding Cozzens answers the why of the present and past leadership failures and proposes a new direction. Chapters in Part One: Masks of Denial are Sacred Silence and Forms of Denial. Chapters in Part Two: Faces of Denial are Sacred Oaths, Sacred Promises, Voices of Women, Religious Life and the Priesthood, Abuse of Our Children, Clerical Culture, Gay Men in the Priesthood and Ministry and Leadership. The chapter in Part Three: Beyond Denial is Sacred Silence, Sacred Speech. Donald Cozzens PhD a priest and writer is author of two award winning titles Sacred Silence and The Changing Face of the Priesthood and editor of The Spirituality of the Diocesan Priest, all published by Liturgical Press. He is writer in residence at John Carroll University where he teaches in the religious studies department. *How the Catholic Church Became Naughty...And Where the Real Hindrance to Reform Lies* Jack Doherty, 2015-10-31 The cardinals and bishops of the Catholic Church have been naughty for centuries. Why can't they practice what they preach? At Christmastime 2014 Pope Francis scolded them for their vanity, hypocrisy, backbiting, gossiping, boasting, lusting for power and control and acting like Lords of the Manor. This book is an expansion on Pope Francis's admonition to his inner governing circle the Vatican Curia, tracing this naughtiness from the time of Emperor Constantine who converted to Christianity in the early 4th century and gave the Church palaces, basilicas, riches and a noble lifestyle. It is a short journey throughout the lascivious and corruption filled history of these church leaders, their torture of non-believers, selling of indulgences and church offices, concubinage, partnering with evil kings and rulers, ending with the 20th century Vatican Bank, frauds, the money laundering

for Mafia and Mason crimes the betrayal of the Church and the sexual abuse of children scandal These popes cardinals and bishops of the Catholic Church are and have been the Real Hindrance to Reform with their peculiar Vatican mindset of clericalism arrogance and exaggerated self estimation of their superiority over everyone and everything It has been evolving for 1700 years This short book is not a denunciation of the Catholic Church but a ray of hope that the Vatican will make the deep changes that are necessary for survival of Catholicism Only a priesthood that includes married celibate male and female priests with a non clerical mindset will bring about the needed reform of the Catholic Church not the Pope alone nor the regressive Vatican mindset of clericalism ingrained in present day church leaders

*A Corrupt Tree: An Encyclopaedia of Crimes committed by the Church of Rome against Humanity and the Human Spirit* A.S.,2014-01-13 A Corrupt Tree is a unique extensively researched four volume expos of the dark side of the Church of Rome It reveals that for nearly two thousand years the Church s fundamental characteristic has been its self serving abuse of religio corporate power A large proportion of this first volume provides a detailed catalogue of the multitude of unholy popes Included are those who were immature capricious corrupt lascivious fanatical senile truly mad megalomaniac tyrannical murderous and wholesale killers It confirms that for many many centuries the popes were corrupt cruel inhumane and despotic In an age of savagery they were the leaders in barbarity in the subsequent age of enlightenment they have persistently resisted the march of progress Additionally the popes were wholesale killers who made the principle of assassination a law of the Christian Church Accordingly the Church has shed more innocent blood than any other institution that has ever existed among mankind Here also are presented the cupidity corruption and sexual misconducts of lesser ecclesiastics including cardinals bishops priests monks and nuns Pope Honorius III for example described his priests as worse than beasts wallowing in their dung The Church s ruthless stranglehold on knowledge and learning is catalogued in detail Mathematics philosophy and science were repressed Selected applied theology ruled the world Everything was explained but nothing was understood The chapters on censorship reveal that even works of considerable literary or philosophical merit did not escape A large number of writings which eventually became classics of European culture were condemned and prohibited The Church also exhibited a vitriolic hatred of those who translated the Bible into the vernacular Many of these men were annihilated Holy books were burned in large numbers particularly the Jewish Talmud It is clearly demonstrated that the Church held back civilisation for over fifteen hundred years Century after century passed away and left the peasantry but little better than the cattle in the fields Finally the unholy behaviours of the numerous popes cardinals and lesser ecclesiastics are shown to establish unequivocally that the Church of Rome is neither holy nor apostolic The ultimate message of these volumes is that to become an exemplary institution and to play a truly humane role in the world s future the Catholic Church must change

[In the Closet of the Vatican](#) Frederic Martel, 2019-02-21 The New York Times Bestseller An earth shaking exposé of clerical corruption National Catholic Reporter In the Closet of the Vatican exposes the rot at the heart of the Vatican and the Roman Catholic Church today This brilliant piece of investigative writing is based on four years authoritative research including extensive interviews with those in power The celibacy of priests the condemnation of the use of contraceptives the cover up of countless cases of sexual abuse the resignation of Benedict XVI misogyny among the clergy the dramatic fall in Europe of the number of vocations to the priesthood the plotting against Pope Francis all these issues are clouded in mystery and secrecy In the Closet of the Vatican is a book that reveals these secrets and penetrates this enigma It derives from a system founded on a clerical culture of secrecy which starts in junior seminaries and continues right up to the Vatican itself It is based on the double lives of priests and on extreme homophobia The resulting schizophrenia in the Church is hard to fathom But the more a prelate is homophobic the more likely it is that he is himself gay Behind rigidity there is always something hidden in many

cases a double life These are the words of Pope Francis himself and with them the Pope has unlocked the Closet No one can claim to really understand the Catholic Church today until they have read this book It reveals a truth that is extraordinary and disturbing
