Fabled Truths Lurlynn Franklin, 2013-10-03 With themes wrapped around tabooed comedy routines *Fabled Truths* Volume One is the first of three collections containing easy but uncomfortable self portraits and poetic essays addressing social situations through parodies of American iconography uncompromised profiling and mindless stereotyping The book presents skewed modern snapshots of what a long history of bias has left on the shared consciousness of Americans guiding the viewers outside and deeper inside the skins of what their own surface assessments of cultures social practices and gender identities might be with a challenge to cross that battle lines between the fables and the truths of those assessments *Fabled Truths* is not just about race and sex the poor or the rich It is about differences minute and profound the fragile separations between individuals and how those thin lines deem every human being subject to becoming somebodys punch line somebodys joke the center of a one liner Crossing paths in content these 16 self portraits and 20 poetic essays do not entirely define each other very much like those people who live in the other part of town Those others who we have to drive past to get to our part of town Those others who based on a casual two second encounter leads to our complete one minute summation of the others entire existence [The Drew + Fable Series 4-Book Bundle](#) Monica Murphy, 2016-03-08 Discover the series that became a bestselling phenomenon for Monica Murphy who has won raves from Katy Evans Jay Crownover and K A Tucker Drew and Fable are from different worlds until a provocative stunt pulls them together and changes everything Their story unfolds over two novels before shifting focus to their friends and family in books three and four Full of searing chemistry exquisite angst and mind blowing twists this addictive ebook bundle begs to be read straight through ONE WEEK GIRLFRIEND SECOND CHANCE BOYFRIEND THREE BROKEN PROMISES FOUR YEARS LATER Temporary That s the word I d use to describe my life right now I m temporarily working double shifts at least until I can break free I m temporarily raising my little brother since apparently our actual mother doesn t give a crap about either of us And I always end up as nothing but the temporary girlfriend the flavor of the week for every guy who s heard the rumor that I give it up so easily At least Drew Callahan college football legend and local golden boy is upfront about it He needs someone to play the part of his girlfriend for one week In exchange for cash As if that s not weird enough ever since he brought me into his world nothing really makes sense Everyone hates me Everyone wants something from him And yet the only thing Drew seems to want is me I don t know what to believe anymore Drew is sweet sexy and hiding way more secrets than I am All I know is I want to be there for him permanently **Second Chance Boyfriend** Monica Murphy, 2013-11-05 From breakout author Monica Murphy comes the exhilarating conclusion to Drew and Fable s story the star crossed young romance that began in One Week Girlfriend Lost Everything in my life can be summed up by that one sickening word My football coach blames me for our season ending losses So does the rest of the team I wasted two whole months drowning in my own despair like a complete loser And I lost my girlfriend Fable Maguire the only girl who ever mattered because I was afraid that being with

me would only hurt her But now I realize that I m the one who s truly lost without her And even though she acts like she s moved on and everything s fine I know she still thinks about me just as much as I think about her I know her too well She s so damn vulnerable all I want to do is be there to help her to hold her to love her I just need her to give me one more chance We may be lost without each other but together we re destined to find a love that lasts forever *The Bear's Claws* Russell Phillips,Andrew Knighton,2019-09-09

It s 1982 but not as we know it The Cold War has lost its chill and World War III has arrived threatening to send the whole planet into meltdown Vladislav Rakovich is a young idealistic communist He dreams of being an officer leading his soldiers on a mission to free the world from capitalism But as the Soviet armies roll west he gains his first bitter taste of command and reality hits Can he stay focused on his aim in the face of undisciplined troops a corrupt superior officer and NATO s military might As conflict rages around him Rakovich finds that his biggest battle comes from within as his faith in the communist cause is shaken by the horror of war Back home in Leningrad Rakovich s beloved sister Anna has other things to worry about Drawn into a world of trade unions and protests Anna finds herself driven by a new purpose although her beliefs introduce her to a dangerous world where dissent can lead to disappearance or even death Will this war birth the second revolution the nation is crying out for Or will the people be trampled underfoot by the establishment once more *The Bear s Claws* is a compelling and powerful story of how family courage and conviction can survive in a world torn apart by war **Lectures on the Doctrine of Election** Alexander C.
