Marivaux E. J. H. Greene, 1965-12-15 The last thirty years have seen a renewed interest in the novels plays and essays of Marivaux Each year more of his work is made available to the public in partial editions More and better studies have appeared superseding the old and in the last thirty years almost all of his plays have been performed Today no corder of his work remains unexplored our knowledge of his life which had been until recently a tissue of fancy and anecdote has been enhanced by the discovery of a few facts This critical study of the entire body of Marviaux s writings sets out to tell whether this attention represents a securely established place for Marivaux among the great French writers or simply a vogue It consists of a careful analysis of the individual works in chronological order rather than in systematic groups as is customary showing the development of Marivaux s thinking and the intimate relationship among the plays novels and essays of any given period A history of the reception of the works by scholars and critics from Marivaux s time to the present presents succinctly the historical perspective through which the modern reader may understand the long indifference to Marivaux in France and his contemporary discovery Professor Greene s work will be of great value to all students of the eighteenth century in France Because of his lively interest in the theatre arts it will also be valuable for directors planning to produce the plays of Marivaux

Women by Women Roseanna Lewis Dufault, 1997 While some of the featured works seem dark and pessimistic they express collectively a certain hope for a brighter more egalitarian future This anthology brings together cogent critical studies in a way that identifies and illuminates trends among Quebec s contemporary women writers

The Selected Works of George Sand George Sand, The correspondence of George Sand and Gustave Flaubert if approached merely as a chapter in the biographies of these heroes of nineteenth century letters is sufficiently rewarding In a relationship extending over twelve years including the trying period of the Franco Prussian War and the Commune these extraordinary personalities disclose the aspects of their diverse natures which are best worth the remembrance of posterity However her passionate and erratic youth may have captivated our grandfathers George Sand in the mellow autumn of her life is for us at her most attractive phase The storms and anguish and hazardous adventures that attended the defiant unfolding of her spirit are over In her final retreat at Nohant surrounded by her affectionate children and grandchildren diligently writing botanizing bathing in her little river visited by her friends and undistracted by the fiery lovers of the old

time she shows an unguessed wealth of maternal virtue swift comprehending sympathy fortitude sunny resignation and a goodness of heart that has ripened into wisdom For Flaubert too though he was seventeen years her junior the flamboyance of youth was long since past in 1862 when the correspondence begins he was firmly settled a shy proud grumpy toiling hermit of forty in his family seat at Croisset beginning his seven years labor at L Education Sentimentale master of his art hardening in his convictions and conscious of increasing estrangement from the spirit of his age He with his craving for sympathy and she with her inexhaustible supply of it meet he pours out his bitterness she her consolation and so with equal candor of self revelation they beautifully draw out and strengthen each the other s characteristics and help one another grow old But there is more in these letters than a satisfaction for the biographical appetite which indeed finds ITS account rather in the earlier chapters of the correspondents history What impresses us here is the banquet spread for the reflective and critical faculties in this intercourse of natural antagonists As M Faguet observes in a striking paragraph of his study of Flaubert It is a curious thing which does honor to them both that Flaubert and George Sand should have become loving friends towards the end of their lives At the beginning Flaubert might have been looked upon by George Sand as a furious enemy Emma Madame Bovary is George Sand s heroine with all the poetry turned into ridicule Flaubert seems to say in every page of his work Do you want to know what is the real Valentine the real Indiana the real Lelia Here she is it is Emma Roualt And do you want to know what becomes of a woman whose education has consisted in George Sand s books Here she is Emma Roualt So that the terrible mocker of the bourgeois has written a book which is directly inspired by the spirit of the 1840 bourgeois Their recriminations against romanticism which rehabilitates and poetises the courtesan against George Sand the Muse of Adultery are to be found in acts and facts in Madame Bovary Now the largest interest of this correspondence depends precisely upon the continuance beneath an affectionate personal relationship of a fundamental antagonism of interests and beliefs resolutely maintained on both sides George Sand with her lifelong passion for propaganda and reformation labors earnestly to bring Flaubert to her point of view to remould him nearer to her heart s desire He with a playful deference to the sex and years of his friend addresses her in his letters as Dear Master Yet in the essentials of the conflict though she never gives over her effort he never budes a jot he has taken his ground and in his last unfinished work Bouvard and Pecuchet he dies stubbornly fortifying his position To the last she speaks from a temperament lyrical sanguine imaginative optimistic and sympathetic he from a temperament dramatic melancholy observing cynical and satirical She insists upon natural goodness he upon innate depravity She urges her faith in social regeneration he vents his splenetic contempt for the mob Through all the successive shocks of disillusioning experience she expects the renovation of humanity by some religious some semi mystical amelioration of its heart he grimly concedes the greater part of humanity to the devil and can see no escape for the remnant save in science and aristocratic organization For her finally the literary art is an instrument of social salvation it is her means of touching the world with her ideals her love her aspiration for him the

literary art is the avenue of escape from the meaningless chaos of existence it is his subtly critical condemnation of the world The origins of these unreconciled antipathies lie deep beneath the personal relationship of George Sand and Gustave Flaubert lie deep beneath their successors who with more or less of amenity in their manners are still debating the same questions today The main currents of the nineteenth century with fluent and refluxing tides clash beneath the controversy and as soon as one hears its long withdrawing roar and thinks it is dying away and is become a part of ancient history it begins again and will be heard no doubt by the last man as a solemn accompaniment to his final contention with his last adversary

Louis Hémon, traqué par son destin Bernard Courteau, 2014-08-29 Louis Hémon l'auteur de Maria Chapdelaine est mort le 8 juillet 1913 frappé par un train peu de distance du village de Chapleau en Ontario et tous sans exception ont conclu que cette mort avait été accidentelle ou en ont accepté aveuglément la thèse Tous sauf un En effet Jacques Ferron en 1972 dans sa préface à l'édition canadienne de Colin Maillard un autre roman de Louis Hémon mettait en doute ce verdict expéditif et cette unanimité suspecte Plusieurs arguments avaient pourtant été avancés pour expliquer cet accident dont le fait que Louis Hémon aurait été sourd et qu'il n'aurait pas entendu venir le train Mais il avait un compagnon qui était mort en même temps que lui frappé par le même train était-il possible que tous les deux aient été sourds alors qu'ils venaient tout juste de parler avec des gens qui n'en avaient rien remarqué La publication des œuvres complètes de Louis Hémon au cours des années 1990 en plus de nous donner accès à ce qu'il réservait de lui-même a permis de tisser des liens nouveaux entre ce qui jusqu'à ce jour était d'une part l'énigme de sa vie et le mystère de sa mort et d'autre part les faits et témoignages de ceux qui l'avaient côtoyé et les dispositions contenues dans les différents rapports des commissions d'enquête chargées de faire la lumière sur ces morts suspectes De sorte qu'il se avère maintenant que Louis Hémon loin d'être l'apâtre du terroir et l'ardent défenseur des valeurs traditionnelles ainsi qu'on a voulu le dépeindre s'est plutôt révélé à travers ses œuvres être un homme d'un élan et lancé dans la vaine recherche de son identité traqué par son destin et sa vie ne fut qu'une lente descente aux enfers dont ce livre raconte le troublant et tragique récit

La belle ogresse Joëlle Pétillot, 2011-01-21 Dans ce cabinet de psychologie atypique une vieille dame vient se faire aider pour surmonter l'absence d'un chat fugueur un jeune garçon trouve tout naturel de venir raconter les rêves de son père une amazone amputée d'un sein d'écuyer guidée par un chauffeur de taxi tombé amoureux de son visage aperçue dans le miroir Les vies plus ou moins blessées s'entremêlent et Louise la belle et plantureuse secrétaire rôgne sur ce ballet de dits et de non-dits avec une arme redoutable contre l'anxiété des uns ou la supposée inaptitude au bonheur des autres la gourmandise Les odeurs de caramel et de vanille d'orange et de chocolat interviennent de manière on ne peut plus terreenne pour l'apaisement Et les deux psychos se prennent des notes d'un ton grave en sont vite conscients travailler tels des sculpteurs cette pâte humaine de façon pour le moins inattendue ils vont se trouver en situation d'exercer une discipline trop connue de leurs pairs la psychologie freudienne
