**An Introduction to the Psychology and Pedagogy of High School Latin** Wren Jones Grinstead,1916 [The Plays of William Shakespeare](#) William Shakespeare,1840 *Charlotte Lennox* Norbert Schürer,2012-02-09 This volume compiles and annotates for the first time the complete correspondence of the eighteenth century British author Charlotte Lennox best known for her novel *The Female Quixote* Lennox corresponded with famous contemporaries from different walks of life such as James Boswell David Garrick Samuel Johnson and Sir Joshua Reynolds and she interacted with many other influential figures including her patroness the Countess of Bute publisher Andrew Millar and the Reverend Thomas Winstanley In addition to Lennox s and her correspondents letters this book presents related documents such as the author s proposals for

subscription editions of her works her file with the Royal Literary Fund and a series of poems and stories supposedly composed by her son but perhaps written by herself In these carefully and extensively annotated documents Charlotte Lennox traces the vagaries in the career of a female writer in the male dominated eighteenth century literary marketplace The introduction situates Lennox in the context of contemporaneous print culture and specifically examines the contentious question of the authorship of *The Female Quixote* Lennox s experimentation with various forms of publication and her appeals for charity to the Royal Literary Fund when she was impoverished towards the end of her life The author who emerges from Charlotte Lennox was an active assertive innovative and independent woman trying to find her place and make a literary career in eighteenth century Britain Thus this volume makes an important contribution to the history of female authorship literary history and eighteenth century studies
