Sidney Hillman Great American:

Sidney Hillman Jean Gould,1942 **The 100 Greatest Americans of the 20th Century** Peter Dreier,2012-06-26 A hundred years ago any soapbox orator who called for women s suffrage laws protecting the environment an end to lynching or a federal minimum wage was considered a utopian dreamer or a dangerous socialist Now we take these ideas for granted because the radical ideas of one generation are often the common sense of the next We all stand on the shoulders of earlier generations of radicals and reformers who challenged the status quo of their day Unfortunately most Americans know little of this progressive history It isn t taught in most high schools You can t find it on the major television networks In popular media the most persistent interpreter of America s radical past is Glenn Beck who teaches viewers a wildly inaccurate history of unions civil rights and the American Left The 100 Greatest Americans of the 20th Century a colorful and witty history of the most influential progressive leaders of the twentieth century and beyond is the perfect antidote **Congressional Record** United States. Congress,1950 **An Undercurrent of Suspicion** George Sirgiovanni, The one period that most students of anti Communism have ignored is the years of the Second World War when the United States and the Soviet Union briefly stood together as allies against Nazi Germany During this period criticizing the Soviet Union and the Communist party abruptly went out of fashion But even then there were Americans who chose to be unfashionable These leaders and opinion makers are the subject of Sirgiovanni s An Undercurrent of Suspicion This book demonstrates that the undercurrent of suspicion against the Soviet Union and communism in general was considerably stronger under World War II than many Americans realize or recall Many long time anti communists refuse to go along with the quasi official moratorium on criticizing America s Soviet ally and although the war granted the Communist Party of the United States an unaccustomed degree of legitimacy this was by no means universally conceded either The resilience of such attitudes n what surely were the most auspicious years of the U S Soviet relations contributes to our understanding of why a far more virulent and widespread Cold War mentality of mistrust and hostility burst forth so soon after the Allied victory Many issues that contributed to the Cold War had been raised during the alliance such as the political and territorial makeup of Eastern Europe Those who assumed that the U S S R could never be trusted to act in a spirit of justice and compassion included conservative politicians anti communist labor leaders right wing newsmen Catholics and Protestant fundamentalists and American Socialists all of whom Sirigiovani discusses at length These individuals also insisted that the domestic Communist movement despite its patriotic wartime line remained in the service of today s ally but tomorrow s probably adversary Joseph Stalin s U S S R An Undercurrent of Suspicion will of considerable interest to anyone interested in communism ad anti communism American politics and the history of ideas especially as they relate to political issues The general reader will the book provides a new dimension to the war years and in so doing helps explain the deep background of the Cold War

Congressional Record United States. Congress,1941 The Congressional Record is the official record of the proceedings

and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 **Report of the General Executive Board and Proceedings of the Biennial Convention** Amalgamated Clothing Workers of America, 1920 Proceedings of the 1945 1973 conventions are included in Report of the General Executive Board

Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971 New York Public Library. Research Libraries, 1979 *Proceedings of the ... Biennial Convention of the Amalgamated Clothing Workers of America* Amalgamated Clothing Workers of America. Convention, 1919 **Report of the General Executive Board to the Biennial Convention** Amalgamated Clothing Workers of America, 1956 *Anti-Communism in Twentieth-Century America* Larry Ceplair, 2011-10-05 This compelling critical analysis of anti communism illustrates the variety of anti Communist styles and agendas thereby making a persuasive case that the threat of domestic communism in Cold War America was vastly overblown In the United States today communism is an ideology or political movement that barely registers in the consciousness of our nation Yet merely half a century ago communist was a buzzword that every citizen in our nation was aware of a term that connoted traitor and almost certainly a characterization that most Americans were afraid of Anti Communism in Twentieth Century America A Critical History provides a panoramic perspective of the types of anti communists in the United States between 1919 and the collapse of the Soviet Union It explains the causes and exceptional nature of anti communism in the United States and divides it into eight discrete categories This title then thoroughly examines the words and deeds of the various anti Communists in each of these categories during the three Red Scares in the past century The work concludes with an unapologetic assessment of domestic anti communism This book allows readers to more fully comprehend what the anti communists meant with their rhetoric and grasp their impact on the United States during the 20th century and beyond for example how anti communism has reappeared as anti terrorism *Historical Dictionary of the 1940s* James Gilbert Ryan, Leonard C Schlup, 2015-03-26 The only available historical dictionary devoted exclusively to the 1940s this book offers readers a ready reference portrait of one of the twentieth century s most tumultuous decades In nearly 600 concise entries the volume quickly defines a historical figure institution or event and then points readers to three sources that treat the subject in depth In selecting topics for inclusion the editors and authors offer a representative slice of life as contemporaneous Americans saw it with coverage of people movements court cases and economic social cultural political military and technological changes The book focuses chiefly on the United States but places American lives and events firmly within a global context **Report of the General Executive Board - Amalgamated Clothing Textile Workers Union** Amalgamated Clothing and Textile Workers Union, 1920 Short of the Glory Tracy Campbell, 2010-09-12 Arthur Schlesinger Jr thought that he might one day become president He was a protege of Felix

Frankfurter and Fred Vinson a political prodigy who held a series of important posts in the Roosevelt and Truman administrations Whatever became of Edward F Prichard Jr so young and brilliant and seemingly destined for glory Prichard was a complex man and his story is tragically ironic The boy from Bourbon County Kentucky graduated at the top of his Princeton class and cut a wide swath at Harvard Law School He went on to clerk in the U S Supreme Court and become an important figure in Roosevelt s Brain Trust Yet Prichard known for his dazzling wit and photographic memory fell victim to the hubris that had helped to make him great In 1948 he was indicted for stuffing 254 votes in a U S Senate race J Edgar Hoover never a fan of the young genius made sure he was prosecuted and so many of the members of the Supreme Court were Prichard s friends that not enough justices were left to hear his appeal So the man Roosevelt s advisors had called the boy wonder of the New Deal went to jail Prichard s meteoric rise and fall is essentially a Greek tragedy set on the stage of American politics Pardoned by President Truman Prichard spent the next twenty five years working his way out of political exile Gradually he became a trusted advisor to governors and legislators though without recognition or compensation Finally in the 1970s and 1980s Prichard emerged as his home state s most persuasive and eloquent voice for education reform finally regaining the respect he had thrown away in his arrogant youth **The American Review of Reviews** Albert Shaw,1927

American Cloak and Suit Review ,1914 *The American Democracy (Works of Harold J. Laski)* Harold J. Laski,2014-10-30 This is Laski s most important book after A Grammar of Politics It discusses on a grand scale every aspect of American public life Laski surveys American traditions and the American spirit political institutions the entire educational religious economic and social scene America as a world power and Americanism as a principle of civilisation Laski s unsurpassed knowledge of American constitutional social and cultural history is set in the perspective of his deep study of comparative constitutional history and political theory He was one of very few people to see U S politics from the inside as a result of his friendships with Roosevelt Brandeis and Oliver Wendell Holmes *Intercollegiate Socialist* ,1922

Wisconsin Library Bulletin ,1951 **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1952 Includes Part 1A Books **Daily Labor Report** ,1958

Whispering the Secrets of Language: An Emotional Journey through **Sidney Hillman Great American**

In a digitally-driven earth where monitors reign great and immediate transmission drowns out the subtleties of language, the profound strategies and mental nuances hidden within words frequently get unheard.
