Sidrah Stories A Torah Companion:

Sidrah Stories Steven M. Rosman, 1989 A collection of Jewish stories including original tales and adaptations from the Midrash the Talmud and the Chasidic masters based on the weekly portions from the Torah Teaching about God and Spirituality Roberta Louis Goodman, 2002 A wide array of renowned scholars and practitioners share their ideas for teaching about God from a Jewish perspective in this comprehensive collection This enlightening yet practical resource includes ready to use lessons for preschool through adult and family education as well as background material to enrich the teacher's own sense of God and spirituality Chapters include Writing a Personal Theology by Dr Neil Gillman The Changing Perceptions of God in Judaism by Rabbi Rifat Sonsino The Spiritual Condition of American Jews by Dr David Ariel The Image of God as Teacher by Dr Hanan Alexander Spiritual Mentoring by Dr Carol Ochs Tell Me a Story by Rabbi Sandi Eisenberg Sasso

Growing Together Jeffrey L. Schein, Judith S. Schiller, 2001 Making the Bible Modern Penny Schine Gold, 2018-10-18 The Bible has played a critical role in the story of Judaism modernity and identity Penny Schine Gold examines the arena of children's education and the role of the Bible in the reshaping of Jewish identity especially in the United States in the 1920s and 1930s when a second generation of Eastern European Jews engaged the task of Americanizing Jewish culture religion and institutions Professional Jewish educators based in the Reform movement undertook a multifaceted agenda for the Bible in America to modernize it harmonize it with American values and move it to the center of the religious school curriculum Through public schooling the children of Jewish immigrants brought America home it was up to the adults to fashion a Judaism that their children could take back out into America Because of its historic role in the development of Judaism and its cultural significance in American life Gold finds the Bible provided Jews with vital links to both the past and the present The ancient sacred text of the Bible transformed into highly abridged and amended Bible tales was brought into service as a bridge between tradition and modernity Gold analyzes these American developments with reference to the intellectual history of eighteenth and nineteenth century Europe innovations in public schooling and social theory Protestant religious education and later versions of children's Bibles in the United States and Israel She shows that these seemingly simple children's books are complex markers of the pressing concerns of Jews in the modern world **V'Khol Banayikh** Sara Rubinow Simon, Linda Forrest, Ellen Fishman, 2010-03-15 A Jewish Special Needs Resource Guide This handbook describes various disabilities and provides an array of options including program models professional development interventions and resources material and organizations **Storytelling with Children in Crisis** Molly Salans, 2004-01-15 This book looks at the benefits to children of listening to fairy tales a selection of which are provided and creating their own I found Storytelling with Children in Crisis thought provoking and I am glad I was able to put into practice some of its ideas Counselling Children and Young People Journal Describing home based therapeutic work in real life chaotic families this book has relevance to anyone working with children and families What is most helpful is the author's readiness to discuss her own doubts and

vulnerabilities Community Care Molly Salans has been a storyteller for many years visiting children in deprived areas who have depression ADHD and behavioral problems caused by poverty absent fathers depressed mothers run down schools and violence Describing her therapy sessions as they happened Molly Salans puts the children in the context of their lives and recounts her sessions the folk and fairy stories she told and the ones they developed themselves In doing so she shows how storytelling and listening thinking about characters in the stories and talking about alternative endings inspires the imagination compassion and way of thinking needed to cope with such emotionally difficult lives This remarkable book includes over fifteen original children s drawings and reveals the methodology Molly uses to help heal these children and their families making it essential for all those involved in therapy and in storytelling
