Iran at War Kaveh Farrokh, 2011-12-20 Following on from his award winning book on the history of ancient Persia Kaveh Farrokh goes on to examine Iran's wartime history from the Safavid dynasty of the 16th and 17th century through to the 1979 Revolution and beyond He shows how the early military successes were followed by centuries of defeat as the external influences of nations like Russia and Britain began to shape the internal history of Iran before unraveling the complex violent 20th century military history of the country which encompasses two world wars regional movements foreign intervention anti government revolts conflicts on the Soviet border a revolution and an eight year war with Iraq Illustrated with contemporary illustrations and photographs this book provides an unparalleled investigation into the bloody martial history of Iran

Sugar and the Indian Ocean World Norifumi Daito, 2024-07-11 Tracing the history of the sugar trade and its consumption in the Persian Gulf during the 18th century this book explores the interplay of social economic and political interests created by this popular commodity The study of sugar has until now focused mainly on its significant growth in European markets from the mid 17th century and more recently parallel

developments in East Asia In this book Daito shows how the sugar trade also developed in and became important to the Indian Ocean World Studying how the consumption of sugar wavered after the brutal overthrow of the Safavid dynasty in 1722 this book shows how the Dutch East India Company and the trading network responded to political upheavals in the region and consequently the changing trading conditions Arguing that sugar continued to be imported and consumed despite these political disturbances Sugar and the Indian Ocean World proves this was not a period of economic stagnation for the region and shows how sugar became an important intersection between socio cultural practices and the Indian Ocean economy

Islamic Gunpowder Empires Douglas E. Streusand, 2018-05-04 Islamic Gunpowder Empires provides readers with a history of Islamic civilization in the early modern world through a comparative examination of Islam's three greatest empires the Ottomans centered in what is now Turkey the Safavids in modern Iran and the Mughals ruling the Indian subcontinent Author Douglas Streusand explains the origins of the three empires compares the ideological institutional military and economic contributors to their success and analyzes the causes of their rise expansion and ultimate transformation and decline Streusand depicts the three empires as a part of an integrated international system extending from the Atlantic to the Straits of Malacca emphasizing both the connections and the conflicts within that system He presents the empires as complex polities in which Islam is one political and cultural component among many The treatment of the Ottoman Safavid and Mughal empires incorporates contemporary scholarship dispels common misconceptions and provides an excellent platform for further study

The Safavid World Rudi Matthee, 2021-07-21 The Safavid World brings together thirty chapters on many aspects of the complex Safavid state 1501-1722 With the latest insights and arguments some offer overviews of the period or topic at hand and others present new interpretations of old questions based on newly found sources In addition to political history and religious life the chapters in this volume cover economic conditions commercial links and activities social relations and artistic expressions They do so in ways that stretch both the temporal and geographical perimeters of the subject and contributors also examine Safavid Iran with an eye to both its Mongol and Timurid antecedents and its long afterlife following the fall of the dynasty Unlike traditional scholarship which tended to view the country as unique sui generis and barely affected by the outside world The Safavid World situates Iran in a wider regional or global context Examining the Safavids from their foundations in the fourteenth century to their relations with the rest of the world in the eighteenth century this study is essential reading for undergraduates postgraduates and scholars of the Safavid world and the history and culture of Iran and the Middle East

Afghanistan Ali Ahmad Jalali, 2021-12-15 Afghanistan A Military History from the Ancient Empires to the Great Game covers the military history of a region encompassing Afghanistan Central and South Asia and West Asia over some 2 500 years This is the first comprehensive study in any language published on the millennia long competition for domination and influence in one of the

key regions of the Eurasian continent Jalali s work covers some of the most important events and figures in world military history including the armies commanded by Cyrus the Great Alexander the Great the Muslim conquerors Chinggis Khan Tamerlane and Babur Afghanistan was the site of their campaigns and the numerous military conquests that facilitated exchange of military culture and technology that influenced military developments far beyond the region An enduring theme throughout Afghanistan is the strong influence of the geography and the often extreme nature of the local terrain Invaders mostly failed because the locals outmaneuvered them in an unforgiving environment Important segments include Alexander the Great remembered to this day as a great victor though not a grand builder the rise of Islam in the early seventh century in the Arabian Peninsula and the monumental and enduring shift in the social and political map of the world brought by its conquering armies the medieval Islamic era when the constant rise and fall of ruling dynasties and the prevalence of an unstable security environment reinforced localism in political social and military life the centuries long impact of the destruction caused by Chinggis Khan s thirteenth century early eighteenth century when the Afghans achieved a remarkable military victory with extremely limited means leading to the downfall of the Persian Safavid dynasty and the Battle of Panipat 1761 where Afghan Emperor Ahmad Shah Abdali decisively routed the Hindu confederacy under Maratha leadership widely considered as one of the decisive battles of the world It was in this period when the Afghans founded their modern state and a vast empire under Ahmad Shah Durrani which shaped the environment for the arrival of the European powers and the Great Game

E.J.W. Gibb Memorial Series ,1913 **Iran** Abbas Amanat,2017-10-24 A masterfully researched and compelling history of Iran from 1501 to 2009 This history of modern Iran is not a survey in the conventional sense but an ambitious exploration of the story of a nation It offers a revealing look at how events people and institutions are shaped by currents that sometimes reach back hundreds of years The book covers the complex history of the diverse societies and economies of Iran against the background of dynastic changes revolutions civil wars foreign occupation and the rise of the Islamic Republic Abbas Amanat combines chronological and thematic approaches exploring events with lasting implications for modern Iran and the world Drawing on diverse historical scholarship and emphasizing the twentieth century he addresses debates about Iran s culture and politics Political history is the driving narrative force given impetus by Amanat s decades of research and study He layers the book with discussions of literature music and the arts ideology and religion economy and society and cultural identity and heritage
