Siege Of The Villa Lipp:

Send No More Roses Eric Ambler, 2023-10-03 A battle of criminal minds leads to deadly attacks in the Gold Dagger Award winning author's thriller of cerebral twists and sophisticated wit. In the parlance of criminology, an Able Criminal is one who flies below the radar of crime syndicates and law enforcement alike. Employing no discernable pattern or method, he is virtually uncatchable, but that won't stop criminologist Frits Krom from trying. Krom believes that Paul Firman, the director of an ostensibly legitimate international investment firm, is a textbook Able Criminal. Surprisingly, Firman has agreed to an interview with Krom at his secluded villa on the French Riviera. But amid their barbed exchanges, it becomes clear that the host and his guest are under siege by a third party, one whose motives and violent intentions are unclear. Now criminal and criminologist will have to join forces in order to survive. *Send No More Roses* was previously published under the title *The Siege of the Villa Lipp*. Eric Ambler, 1978-08-01 [Passport To Panic](#) Eric Ambler, 2010-11-26 Lewis Page needs money urgently. He determines to get it from his brother who lives in a remote region of South America. However, he is in the hands of a notorious man named Benevides. Now held prisoner, Lewis learns what is going on. Fearful and dramatic events with dangerous and violent intermissions follow. *The Special Branch* LeRoy Panek, 1981 The author has chosen seventeen of the most important or representative British spy novelists to write about. He presents some basic literary analysis and criticism, trying both to place them in historical perspective and to describe and analyze the content and form of their fiction. **Skytip** Eric Ambler, 2010-08-23 Peter Ackland is ordered to rest by his Doctor. He travels to Cornwall and is greeted by Henry Braddock, who has a revolver in his pocket. Ackland also comes across other characters who try their hand at blackmail and a stage that is all set for murder. [Topkapi](#) Eric Ambler, 2010-08-06 Arthur Simpson is a thief whose victim turns out to be in a league well above his own. Simpson is blackmailed into smuggling arms into Turkey. The Turkish police discover this, and he is further blackmailed by them into spying on the gang or rot in a Turkish jail. But agreeing to help brings even worse danger. *Fragments* Pedro Blas Gonzalez, 2005 Eschewing hair splitting for the sport of it, Gonzalez takes a fresh look at the notion of subjectivity and the nature of the self in seven essays. With reference to Camus, Cocteau, Gabriel, Marcel, Ortega, and Enrique Anderson Imbert, he explores diverse topics from the aesthetic vision and moral courage to the absurd. His nuanced and sensitive writing draws the reader on an introspective journey through a portal that subtly shifts the perception of human reality. **Eric Ambler's Novels** Robert Lance Snyder, 2019-12-30 Eric Ambler's first six novels, released between 1936 and 1940, quickly established his reputation as a master craftsman of intrigue and espionage narratives. Far less often discussed are the twelve Cold War novels he published after an eleven-year hiatus as a screenwriter between 1951 and 1981. This study argues that his entire corpus manifests late modernism's impulse toward a broadly social, political, and cultural critique of the times. Ambler's fiction from the mid 1950s onward is also remarkable for its ludic turn as he assesses the self-deceptions of an increasingly bureaucratized and media

focused world blind to its own follies In these later works can be seen elements of what has come to be known as postmodernism though in his commitment to chronicling the juggernaut of modernity he remains a uniquely independent witness of what is now being called the long twentieth century The Essential Mystery Lists Roger M Sobin,2011-09-30 For the first time in one place Roger M Sobin has compiled a list of nominees and award winners of virtually every mystery award ever presented He has also included many of the best of lists by more than fifty of the most important contributors to the genre Mr Sobin spent more than two decades gathering the data and lists in this volume much of that time he used to recheck the accuracy of the material he had collected Several of the best of lists appear here for the first time in book form Several others have been unavailable for a number of years Of special note are Anthony Boucher s Best Picks for the Year Boucher one of the major mystery reviewers of all time reviewed for The San Francisco Chronicle Ellery Queen Mystery Magazine and The New York Times From these resources Mr Sobin created Boucher s Best and Important Lists to Consider lists that provide insight into important writing in the field from 1942 through Boucher s death in 1968 This is a great resource for all mystery readers and collectors Winner of the 2008 Macavity Awards for Best Mystery Nonfiction *The Levanter* Eric Ambler,2012-12-11 Winner of the Crime Writers Association Gold Dagger Award Syria 1970 Michael Howell has kept his family s Middle Eastern business enterprises going through a decade of takeovers war and revolution thanks in part to his office manager Teresa who is also his mistress One late night at the office they discover men working overtime producing unauthorized bombs for the Palestine Action Force Worse this guerrilla terrorist group is not deterred by their discovery rather they will enlist Howell and Teresa s unwilling help in carrying out their plan *The Mystery Fancier (Vol. 2 No. 4)* July 1978 Guy M. explores the genre's evolution as a popular and even vulgar genre of financialisation characterised by volatile plots centred on currency speculation where the central mystery is money not murder By contextualising the rise of financial thrillers within the dramatic events of the 1970s such as the abolition of the Bretton Woods system and the oil crises this book illustrates how a genre found the world of finance during a particular historical moment but also how the world of finance found its genre This compelling narrative connects the past to our present financial landscape making it essential for anyone interested in the intersection of economic literary and cultural history *State of Siege* Eric Ambler, 2011-10-19 All in all Steve Fraser had enjoyed his three year stint in the former Dutch Southeast Asian colony of Sunda and he'd been well compensated But now he was looking forward to a last weekend in the capital before heading home But Sunda was newly independent and not entirely stable An opposition faction with fundamentalist Islamic leanings was set on overthrowing the provisional government And instead of enjoying a sybaritic weekend with the Eurasian beauty Rosalie Fraser finds himself trapped with her by a fanatical group who've taken over the country's radio station and made their headquarters in his friend Jebb's apartment As the government launches a counterattack the couple's survival depends on their ability to dodge bullets and the shifting loyalties of the coup's lieutenants **Waiting for Orders** Eric Ambler, 2012-12-11 *Waiting for Orders* collects nine short stories that span the sixty year career of master spy novelist Eric Ambler The stories include thrilling portrayals of wartime Europe in *The Army of the Shadows* 1939 six cases featuring a refugee Czech detective Dr Czissar 1940 *The Blood Bargain* 1972 a Central American political thriller and *The One Who Did for* Blagden Cole 1992 a detective story of sorts about the death of a painter In four accompanying essays Ambler shares intriguing anecdotes from different phases of his career offering unique insight into his writing process This intriguing and varied collection is a perfect introduction to the life and writing of one of the twentieth century's greatest thriller writers *Doctor Frigo* Eric Ambler, 2012-12-11 *Dr Frigo* is a change of scene for acclaimed spy thriller writer Eric Ambler moving from the European theater to an equally intriguing Caribbean political stage Dr Ernesto Castillo has shunned politics and shut himself off from the world since his father a Central American leader was assassinated years ago In fact his cool detached demeanor has earned him the nickname Dr Frigo The doctor is more than content to live quietly on a small island keeping busy with his practice and his mistress but now his late father's political party comes calling Its rising leader Manuel Villegas hopes to put Dr Castillo to work as his physician and as a rallying figure for the elder Castillo's supporters who are still numerous and necessary to help Villegas win power in a planned coup Ignoring the advice of his mistress whose marriage to a French intelligence officer made her an expert player of political games the doctor unwisely stumbles his way forward risking his profession and then his life **The Ability to Kill** Eric Ambler, 2012-12-11 With *The Ability to Kill* first published in 1963 renowned thriller writer Eric Ambler turns his attention to true crime with an emphasis on murder In five essays he presents a sampling of famously intriguing and often disturbing cases of the last few hundred years including 19th century Edinburgh

s Burke and Hare who supplied the medical school with ill gotten cadavers Victorian London s infamous Jack the Ripper the Frenchman Henri Desir Landru an early 20th century serial killer and the Californian doctor Bernard Finch and his lover Carole Tregoff who conspired to murder his wife in 1961 Rounding out the collection are a few pieces on lighter topics such as spies and how to spot them and novelists in Hollywood Though his subjects are sometimes grim Ambler s deft touch makes this examination of homicide and other matters pure pleasure to read **The Light of Day** Eric Ambler,2011-10-19 The Light of Day was the basis for Jules Dassin s classic film Topkapi When Arthur Abdel Simpson first spots Harper in the Athens airport he recognizes him as a tourist unfamiliar with city and in need of a private driver In other words the perfect mark for Simpson s brand of entrepreneurship But Harper proves to be more the spider than the fly when he catches Simpson riffling his wallet for traveler s checks Soon Simpson finds himself blackmailed into driving a suspicious car across the Turkish border Then when he is caught again this time by the police he faces a choice cooperate with the Turks and spy on his erstwhile colleagues or end up in one of Turkey s notorious prisons The authorities suspect an attempted coup but Harper and his gang of international jewel thieves have planned something both less sinister and much much more audacious

Judgment on Delchev Eric Ambler,2011-10-19 Foster s dramatic skill is well known in London s West End theaters So perhaps it wasn t so surprising when he was hired by an American newspaper publisher to cover the trial of Yordan Delchev for treason Accused of membership in the sinister Officer Corps Brotherhood and of masterminding a plot to assassinate his country s leader Delchev may in fact be a pawn and his trial all show But when Foster meets Madame Delchev the accused s powerful wife he suddenly become enmeshed in more life threatening intrigue than he could have imagined
