Olukoya,2017-08-04 Besieged Leningrad Polina Barskova,2017-10-15 During the 872 days of the Siege of Leningrad September 1941 to January 1944 the city s inhabitants were surrounded by the military forces of Nazi Germany They suffered famine cold and darkness and a million people lost their lives making the siege one of the most destructive in history Confinement in the besieged city was a traumatic experience Unlike the victims of the Auschwitz concentration camp for example who were brought from afar and robbed of their cultural roots the victims of the Siege of Leningrad were trapped in the city as it underwent a slow horrific transformation They lost everything except their physical location which was layered with historical cultural and personal memory In *Besieged Leningrad* Polina Barskova examines how the city s inhabitants adjusted to their new urban reality focusing on the emergence of new spatial perceptions that fostered the production of diverse textual and visual representations The myriad texts that emerged during the siege were varied and exciting engendered by sometimes sharply conflicting ideological urges and aesthetic sensibilities In this first study of the cultural and literary representations of spatiality in besieged Leningrad Barskova examines a wide range of authors with competing views of their difficult relationship with the city filling a gap in Western knowledge of the culture of the siege It will appeal to

Russian studies specialists as well as those interested in war testimonies and the representation of trauma

Foster,2015-12-14 The Age of Agade is the first book length study of the Akkadian period of Mesopotamian history which saw the rise and fall of the world s first empire during more than a century of extraordinary political social and cultural innovation It draws together more than 40 years of research by one of the world s leading experts in Assyriology to offer an exhaustive survey of the Akkadian empire Addressing all aspects of the empire including its statecraft and military territory and cities arts religion economy and production The Age of Agade considers what can be said of Akkadian political and social history material culture and daily life A final chapter also explores how the empire has been presented in modern historiography from the decipherment of cuneiform to the present including the extensive research of Soviet historians summarized here in English for the first time

Drawing on contemporaneous written and artifactual sources as well as relevant materials from succeeding generations Foster introduces the reader to the wealth of evidence available Accessibly written by a specialist in the field this book is an engaging examination of a critical era in the history of early Mesopotamia Micah W. Edward Glenny,2015-02-11 In this commentary W Edward Glenny provides a careful analysis of the Greek text and literary features of Micah based on its witness in the fourth century codex Vaticanus The commentary begins with an introduction to Micah in Vaticanus and it contains an uncorrected copy of Micah from Vaticanus with textual notes and a literal translation of that text In keeping with the purpose of Brill s Septuagint Commentary Series Glenny seeks to interpret the Greek text of Micah as an artifact in its own right in order to determine how early Greek readers who were unfamiliar with the Hebrew would have understood it
