Sierra Devotion:

Cultures of Devotion Frank Graziano, 2007 Spanish America has produced numerous folk saints venerated figures regarded as miraculous but not officially recognized by the Catholic Church Some of these have huge national cults with hundreds perhaps millions of devotees In this book Frank Graziano provides the first overview in any language of these saints offering in depth studies of the beliefs rituals and devotions surrounding seven representative figures These case studies are illuminated by comparisons to some hundred additional saints from contemporary Spanish America Among the six primary cases are Difunta Correa at whose shrines devotees offer bottles of water and used auto parts in commemoration of her tragic death in the Argentinean desert Gaucho Gil is only one of many gaucho saints whose characteristic narrative involves political injustice and Robin Hood crimes on behalf of the exploited people The widespread cult of the Mexican saint Nino Fidencio is based on faith healing performed by devotees who channel his powers Nino Compadrito is an elegantly dressed skeleton of a child whose miraculous powers are derived in part from an Andean belief in the power of the skull of one who has suffered a tragic death Graziano draws upon site visits and extensive interviews with devotees archival material media reports and documentaries to produce vivid portraits of these fascinating popular movements In the process he sheds new light on the often fraught relationship between orthodox Catholicism and folk beliefs and on an important and little studied facet of the dynamic culture of contemporary Spanish America

everything she can to find the right job good friends and most important true love But nothing is working out Now she has to stay home to care for her grandmother By herself For the whole weekend It will be terrible But a series of startling surprises shows Sierra just how wrong she is and before she knows it she is on her way to the perfect job her first real date and an encounter with a mysterious stranger Don't You Wish Sierra has three wishes visit her California friends have her older sister Tawni disappear and learn more about the mysterious stranger When Easter break arrives Sierra's first wish comes true She is headed to Newport Beach for fun sun and surf Unfortunately not only does Tawni not disappear she accompanies Sierra on her escape What's worse everyone has a boyfriend except Sierra But will her wishes begin to change as she realizes God wants to mold her according to His wishes Story Behind the Book After writing the twelve book Christy Miller series for teens a new character showed up on the pages of the final novel Her name was Sierra Jensen and she was so compelling as a teenage character that readers began asking for a series about Sierra in order to hear more about her life choices Our family had just moved to Portland at the time and I found it easy to picture a sixteen year old like Sierra shopping at the local vintage clothing stores hanging out with friends at a garage band concert and serving at the homeless shelter on weekends
