Behrman's prolific career as a Broadway playwright and Hollywood screenwriter spans a period from the 1920s to the mid 1960s As a writer for popular performance he had to contend with commercial influences and with producers and directors involved in the dynamics of the collaborative process Though eminently successful his works have not received adequate

critical scrutiny His oeuvre probably will never be fully determined because of collaboration numerous rewrites and the many unpublished and unproduced plays and scripts Author Robert F Gross here provides an immensely detailed record of the primary materials published and unpublished including plays filmscripts fiction and essays and of the critical response both reviews and analytical studies Focusing on Behrman as a dramatist Gross has written extensive plot summaries and critical overviews for each of fifty one plays Where applicable full production credits are given for premieres and revivals and references are made to reviews and commentary about specific productions as well as to the plays in general The annotated secondary bibliography is divided into chronologically organized sections for reviews and for books parts of books and articles Fully cross referenced the material is also accessible through an author index to the secondary bibliography and a general subject index In an opening appraisal Gross expresses his appreciation for Behrman whose high comedies he finds to be informed by a probing ethical conscience and whose goal of scrupulosity he emulates in his own work This scrupulous playwright is here given his due in a comprehensive sourcebook of value for theatre historians and theatre professionals

Fletcher, 2019-11-14 The Decades of Modern American Drama series provides a comprehensive survey and study of the theatre produced in each decade from the 1930s to 2009 in eight volumes. Each volume equips readers with a detailed understanding of the context from which work emerged; an introduction considers life in the decade with a focus on domestic life and conditions; social changes, culture, media, technology, industry, and political events; while a chapter on the theatre of the decade offers a wide-ranging and thorough survey of theatres, companies, dramatists, new movements, and developments in response to the economic and political conditions of the day. The work of the four most prominent playwrights from the decade receives in-depth analysis and re-evaluation by a team of experts, together with commentary on their subsequent work and legacy. A final section brings together original documents such as interviews with the playwrights and with directors, drafts of play scenes, and other previously unpublished material. The major playwrights and their works to receive in-depth coverage in this volume include Clifford Odets' *Waiting for Lefty* (1935), *Awake and Sing* (1935), and *Golden Boy* (1937); Lillian Hellman's *The Children's Hour* (1934), *The Little Foxes* (1939), and *Days to Come* (1936); Langston Hughes' *Mulatto* (1935) and *Mule Bone* (1930, with Zora Neale Hurston); and Gertrude Stein's *Doctor Faustus Lights the Lights* (1938).
