can a Christian's faith be built apart from the knowledge of God's word? The answer is: It can't. This commentary provides a tool for building faith with the goal of changed values, changed relationships, changed character, and changed behavior. But the goal of our instruction is love from a pure heart and a good conscience and a sincere faith. 1 Tim 1:5. This commentary and its accompanying workbook can be used by an individual, by someone who is discipling another person one-on-one, or by small groups such as Sunday school classes, home Bible studies, or discipleship groups. In addition to the commentary itself, thought-provoking questions are provided for discussion, and fill-in-the-blank outlines are available for individuals or groups. The outlines are useful primarily for the transfer of information and knowledge about the chapter being studied. They provide an overview of the contents of the chapter with a few practical implications presented in order to apply personally the scriptural lessons in the text. The study questions are geared more in the direction of increasing critical thinking skills about the lessons from the text and stimulating thinking about how to apply the scriptural lessons to one's life, values, and relationships. In short, the purpose of this commentary is to make disciples who understand the teachings of Scripture and process those teachings in such a manner that values, behaviors, and relationships are transformed consistent with the word of God. Only then does one become a true disciple of Jesus Christ.

The Gospel of Luke (Catholic Commentary on Sacred Scripture) Pablo T. Gadenz, 2018-09-18. In this addition to the successful Catholic Commentary on Sacred Scripture series, Fr. Pablo Gadenz examines the Gospel of Luke from within the living tradition of the Church for pastoral ministers, lay readers, and students alike. Gadenz explains the biblical text clearly and concisely in light of recent scholarship and pays particular attention to the themes, theology, and Old Testament background of Luke's Gospel. Sidebars explain the biblical background and offer theological insights from Church fathers, saints, and popes, and reflection and application sections offer suggestions for daily Christian living.

Wisdom Commentary: Luke 1:9 Barbara E. Reid, OP, Shelly Matthews, 2021-01-15. Because there are more women in the Gospel of Luke than in any other gospel, feminists have given it much attention. In this commentary, Shelly Matthews and Barbara Reid show that feminist analysis demands much more than counting the number of female characters. Feminist biblical interpretation examines how the female characters function in the narrative and also scrutinizes the workings of power with respect to empire, to anti-Judaism, and to other forms of othering. Matthews and Reid draw attention to the ambiguities of the text, both the liberative possibilities and the ways that Luke upholds the patriarchal status quo, and guide readers to empowering reading strategies.

Luke Darrell L. Bock, 1996. Most commentaries focus on the original meaning of the Bible but don't discuss its contemporary application. The information they offer is valuable, but the job is only half done. The NIV Application Commentary Series helps with both halves of Bible study: Discover the original meaning of Luke and how his message has the same impact today.

LUKE K. B. Napier, 2023-03-27. This Bible Commentary on the Book of Luke is one of a series of ongoing Commentaries on the Bible Based on Sunday studies taken by the author, combining theology, Bible study interpretation, devotional material, and application for today.
