*Preaching the Four Gospels with Confidence* Steven D. Mathewson, 2013-08-21 The gospels hold the key to why pastors get up every Sunday to preach They are the good news the pinnacle of the Christian faith But in order to preach from them with truth clarity and confidence you'll need the right tools Preaching the Four Gospels with Confidence is a book written for pastors who love Jesus and want to preach the Gospel well With a compelling voice Steven D Mathewson offers sound scriptural advice provides bibliographic tips for further study and quotes from well known and respected biblical scholars including G K Beale Craig S Keener D A Carson Additionally Mathewson will teach you how to negotiate the common challenges that arise while preaching from the gospels Problems such as How to interpret the gospels in relation to the rest of the New Testament How to rightly handle the Jewish and Greco Roman context of the gospels How to affirm the authority of the four gospels over the lost gospels This not a how to preach book it is a how to

preach well handbook that you ll want to reference again and again as you prepare sermons from the gospels *Trinitarian Self and Salvation* Scott Harrower,2012-01-13 In 1967 Karl Rahner famously wrote The economic Trinity is the immanent Trinity and vice versa From that time onwards Rahner s Rule has become the norm for conceiving the relationship between the Trinity in the economy of salvation and God s eternal inner life Evangelical theologians currently employ Rahner s Rule in a variety of ways One of the most popular is the Strict Realist Reading whereby trinitarian relationships in salvation history are taken to mirror eternal relationships within God This book brings this norm into conversation with the witness of Scripture in order to assess its viability In doing so it highlights troubling issues that arise from the application of the Strict Realist Reading of Rahner s Rule to the narrative of Luke Acts This book suggests that the Strict Realist Reading can be shown to be a questionable basis for our doctrine of God s inner life Sacred House Alan Andraeas,2019-10-01 While the House Church Movement is gaining immense popularity throughout many denominational and independent faith communitiescollectively standing as the largest denomination in the United Statesacramental and liturgical congregations are taking only the most tentative steps toward this venue of worship Consequently there exists a vacuum of guidelines or information to support this dynamic ministry model from a uniquely sacramental perspective In this book Dr Andraeas examines the scriptural foundations for liturgical worship the biblical theological and historical precedents for house churches and how a union between priestly liturgy and house church worship complement and support each other He concludes with a vigorous challenge for all sacramental and liturgical jurisdictions to engage their seminarians clergy and people in embracing this approach to church planting evangelism and community ministry while offering thoughtful and obtainable recommendations **Dignity and Destiny** John F. Kilner,2015-01-08 Misunderstandings about what it means for humans to be created in God s image have wreaked devastation throughout history for example slavery in the U S genocide in Nazi Germany and the demeaning of women everywhere In Dignity and Destiny John Kilner explores what the Bible itself teaches about humanity being in God s image He discusses in detail all of the biblical references to the image of God interacts extensively with other work on the topic and documents how misunderstandings of it have been so problematic People made according to God s image Kilner says have a special connection with God and are intended to be a meaningful reflection of him Because of sin they don t actually reflect him very well but Kilner shows why the popular idea that sin has damaged the image of God is mistaken He also clarifies the biblical difference between being God s image which Christ is and being in God s image which humans are He explains how humanity s creation and renewal in God s image are central respectively to human dignity and destiny Locating Christ at the center of what God s image means Kilner charts a constructive way forward and reflects on the tremendously liberating impact that a sound understanding of the image of God can have in the world today Peter and Paul in Acts: A Comparison of Their Ministries David Spell,2006-08-01 Acts is arguably the most exciting book in the New Testament It covers the tumultuous early years of Christianity and narrates the

growth of the church throughout the Roman Empire Luke tells this story by focusing primarily on two men Peter and Paul This book examines their apostolic ministries as they are revealed within the pages of The Acts of the Apostles Their apostolic ministries are examined in the context of several different components Leadership Evangelism and Church Planting Miracle Working and Healing and Mystical or Supernatural Experiences These categories are shown to detail particular aspects of each man s apostleship work These categories provide a convenient way to compare and contrast the type of ministry that each apostle performed as described by Luke Spell also devotes a chapter each to Luke s literary method and the relationship of Peter and Paul as seen in their letters These two chapters lay important groundwork for examining the apostles This book will provide the reader with valuable insights from Scripture that they can apply to their own lives and ministry By looking at how Peter and Paul conducted their ministries in the first century we can be more effective in the twenty first

**Hermeneutics, Intertextuality and the Contemporary Meaning of Scripture** Ross Cole,Paul Petersen,2013-12-31

Did Matthew twist the Scriptures Where did Satan come from My Reading Questions and issues like these are presented in this selection of papers and presentations from a Bible conference at Avondale College on the broad topic of intertextuality More than 100 scholars and administrators convened and shared their research as well as their personal perspectives on how to read and apply holy Scripture in the 21st century This anthology contains a representative sample of their studies and reflections

God as Creator in Acts 17:24 Jennifer Marie Creamer,2017-08-25 The Areopagus speech of Acts provides a helpful study of how Paul both engaged and confronted the contemporary culture of his day to present the message of Christianity to his hearers in Athens How does Paul as a Jew contextualize the message for his audience of Stoic and Epicurean philosophers in Athens on the topic of God as Creator in Acts 17 24 Paul touches on a subject of contentious debate between Stoics and Epicureans when he identifies God as Creator Stoics believed in a creating deity something akin to Plato s demiurge of the Timaeus Epicureans ridiculed such an idea By using the identification of God as Creator Paul engages a common controversy between schools of philosophy

**Studying the Historical Jesus** Darrell L.

Bock,2002-07-01 Interest in the historical Jesus continues to occupy much of today s discussion of the Bible The vexing question is how the Jesus presented in the Gospels relates to the Jesus that actually walked this earth Studying the Historical Jesus is an introductory guide to how one might go about answering that question by doing historical inquiry into the material found in the Gospels Darrell Bock introduces the sources of our knowledge about Jesus both biblical and extra biblical He then surveys the history and culture of the world of Jesus The final chapters introduce some of the methods used to study the Gospels including historical redaction and narrative criticisms Bock a well respected author provides an informed evangelical alternative to radical projects like the Jesus Seminar His audience however is not limited only to evangelicals This book written for college and seminary courses offers an informed scholarly approach that takes the Gospels seriously as a source of historical information
