The Sources of Luke's Passion-narrative Alfred Morris Perry,1920

Reading St. Luke's Text and Theology: Pentecostal Voices Riku P. Tuppurainen,2019-10-16

Lukan narrative takes its readers into God's story how his salvation plan in Jesus began on the slopes of Judea and at the Sea of Galilee ending on the hill of Calvary and the Mount of Olives yet moving on and telling how the Spirit descended onto the Temple Mount empowering God's people who then began to fulfill the given mandate in the presence of the Spirit Yet readers of Luke Acts throughout the centuries have had a meandering journey as they have tried to understand the narrative's persuasion and Spirit references This book seeks to bring awareness to these challenges by some of the most respected Pentecostal biblical scholars and systematicians Here their vigorous labor with the questions of hermeneutics and theology in relation to Lukan writings have come to fruition These contributions have been collected as a Festschrift in honor and celebration of the career of Roger Stronstad a Pentecostal biblical scholar whose contribution to Lukan studies have moved Pentecostal scholarship from shadows into daylight The editor of this volume invites the readers of Lukan narrative to journey together on the road to Emmaus as we continue to ponder the events in the past the present and the future

Holy Fable Volume IV Robert M. Price, 2020-04-21 In this fourth volume of Robert M Price's celebrated Holy Fable series he turns his critical lens away from the Bible and toward a broader range of scriptural works that were written or rediscovered in modern times. Employing the same sympathetic but eagle-eyed treatment that defined past volumes, he offers in-depth analysis of the Joseph Smith-penned Book of Mormon, the long-sealed Gospel according to Thomas, the New Age Jesus of the Aquarian Gospel, the H. P. Lovecraft-invented Necronomicon, and the Andrew Lloyd Webber and Tim Rice rock opera Jesus Christ Superstar. With his trademark scholarship and wit, he demonstrates how and why this eclectic mix of contemporary scriptural work provides genuine spiritual inspiration to a colorful variety of religious groups and seekers today.

Christ in the Gospels of the Liturgical Year Raymond E. Brown, 2012-05-03 2009 Catholic Press Association Award Winner A decade after the untimely death of renowned Scripture scholar Father Raymond E. Brown, S.S., he continues to inspire and inform scholars and preachers, students and pastoral ministers, lay and ordained. It was only days after Father Brown's death that his final book was published by Liturgical Press. That book, *Christ in the Gospels of the Ordinary Sundays*, completed his six-volume series on preaching the Scriptures, a series that had begun in the mid-1970s with the publication of his popular *An Adult Christ at Christmas*. Those six volumes are collected here in one convenient commemorative edition to mark the tenth anniversary of Brown's death. Brown's work is left largely untouched, and readers will find that his wisdom is lasting. Yet Brown, being a scholar's scholar, would recognize the need for some enhancement in a work being republished some thirty years after the first volume appeared. Appropriately, then, this edition contains introductory essays by Brown's colleagues and friends, John R. Donahue, S.J., and Ronald D. Witherup, S.S., as well as useful indexes and a bibliography of resources for preaching the word of God in the context of the lectionary. As Witherup notes in his preface, Brown had the rare capacity to simplify complex biblical studies in a manner that did not dumb down the material but allowed it to be understood by a wide audience. He did this in a fashion that was both inspiring and educational. That very broad audience—those who grew up with Brown, so to speak, as well as a whole new generation of readers and preachers of the word—will find this book to be a source of inspiration and knowledge that they will turn to again and again.

Raymond E. Brown, S.S. 1928–1998 was the Auburn Distinguished Professor of Biblical Studies at Union Theological Seminary in New York City. He was author of some forty books on the Bible and past president of three of the most important biblical societies in the world. By appointment of two popes, Paul VI in 1972 and John Paul II in 1996, Brown was a member of the Roman Pontifical Biblical Commission. Time magazine called him probably the premier Catholic Scripture scholar of the U.S.

The Foundations of the Creed Harvey Goodwin,1899 Paul and the Miraculous Graham H. Twelftree,2013-09-15 How can we explain the difference between the miraculous Christianity expressed in the Gospels and the nearly miracle free Christianity of Paul In this historically informed study senior New Testament scholar Graham Twelftree challenges the view that Paul was primarily a thinker and reimagines him as an apostle of Jesus for whom the miraculous was of profound importance Highlighting often overlooked material in Paul s letters Twelftree offers a fresh consideration of what the life and work of Paul might teach us about miracles in early Christianity and sheds light on how early Christians lived out their faith

The Life of Jesus Critically Examined David Friedrich Strauss,1860 David Friedrich Strauss s Das Leben Jesu kritisch bearbeitet 1835 brought about a new dawn in Biblical criticism by applying the myth theory to the life of Jesus Strauss treated the Gospel narrative like any other historical work and denied all supernatural elements in the Gospels Das Leben Jesu created an overnight sensation and Strauss became embroiled in fierce controversy This earliest English version of 1846 was translated by the novelist George Eliot and was her first published book **Jesus and Peter** Michael Perham,2012-10-18 Isn t it a mind blowing thought that God the creator of all that is wants to be our friend Friendship means an intimacy and an understanding that few of us associate with God For many playing the servant to Jesus master may sound like the easier option Yet Jesus holds out the hand of friendship to all of us Michael Perham tells the beautiful story of how the friendship between Jesus and Simon Peter developed This book traces Peter s journey from the moment he answered Jesus call to his role as a leader in the first Christian communities Peter s story exemplifies our desire to become God s

friends and the struggles we might experience along the way Full of fresh insights into the Scriptures Jesus and Peter will help you to nurture a joyful and satisfying friendship with God And what can be more rewarding in life than to become God's friend
