Wiersbe Bible Commentary 2 Vol Set Warren W. Wiersbe,2023-06-09 The Wiersbe Bible Commentary is a must have for believers wanting a deeper and practical resource for studying God s Word and includes The complete Old and New Testament Genesis to Revelation Section by section commentary Biblical charts Book introductions Extended notes References Dr Warren Wiersbe is one of the most beloved Bible teachers with over 40 years of pastoral experience His bestselling Bible Commentaries are one of the most trustworthy resources used by pastors Bible teachers and persons interested in knowing more about God s Word His easy to read and insightful explanations provide a comprehensive understanding of the Bible *Blessed Are the Poor in Spirit* Evangelist John Henry Manigo,2015-08-21 One book or three books My main interesting is to help deaf hard of hearing hearing people understand the Word of God and to apply to their

own life with God's help. It also gives us as well to the hearing people who need encouragement, help, and inspire in the Word of God, and that the Word of God is for them to receive His Word by faith. My main reason of writing the Trinity is to show the example of God, Jesus, and the Holy Spirit as one and believe that God is One. I also write Trinity for various reasons and put down Bible verses to help match the Old Testament and New Testament that speak the same thing to show them the Bible in fact is real. God's Word is very real. I write the main points because I have heard in the past about their belief, their teaching, their faith in God, and I am willing to write down what they say, and that the Bible has all the answer to our need and purpose. I have studied the Bible for forty-five years, seeking answers and being able to explain better from God's teaching from God's Word. Whenever I hear people talk about their faith in God, I write down Bible verses to help inspire their life positively. It would help all of us to grow in grace through our Lord Jesus Christ. He has the answer to all of our problems. My main points are to help them know that they can be saved through Jesus Christ by faith in Him alone. Only Him shall we be saved. Be Blessed. Evangelist John H. Manigo. I Corinthians 6:19-20.

Imagining and Reimagining the Restoration Robert A. Rees, 2025-08-19. In *Imagining and Reimagining the Restoration*, Robert A. Rees embarks on an imaginative and profound exploration of Latter-day Saint theology and culture. Through essays, poems, and midrashic interpretations, Rees sheds new light on foundational doctrines, the roles of prophetic imagination, and the divine narratives within the Restoration. He reexamines figures like Joseph Smith and Heavenly Mother, urging readers to embrace a creative and expansive faith perspective that transcends mere tradition. This captivating work brings readers into a visionary discourse that emphasizes the power of imagination as a spiritual gift. With poetic interludes and scholarly insight, this volume is a transformative invitation to both imagine and reimagine faith, theology, and cultural belonging. Praise for *Imagining and Reimagining the Restoration*. While our imaginations might be unleashed by contemplation of the creations of our Creator and by the implications of the Restoration midwifed into the world through the Prophet Joseph, it may help us also to consider more proximate examples of faithful master imaginers. The life and writings of Robert Rees, including the creative poetic and midrashic compositions of his own imagination that punctuate this volume, comprise a striking case study. He is an uncommon person who has lived an uncommon life and written with uncommon reach and imagination. There is scarcely a significant aspect of the Restoration on which he has not made creative public comment, often in print. Yet more rare, he has in the pages that follow contemplated imagination itself, a provocation to me, and I hope to you. Philip Barlow, Associate Director, Neal A. Maxwell Institute for Religious Scholarship, Brigham Young University.

Abraham, Ancestry, and Ethnicity in Luke's Gospel Andrew Benko, 2024-12-15. What happens to the racial identity of those who follow Jesus? *Abraham, Ancestry, and Ethnicity in Luke's Gospel* From These Stones explores how Luke employs the

concept of ancestry especially descent from Abraham to recategorize believers and nonbelievers Luke's use of the patriarch is informed by his function in Second Temple literature as the ancestor of the Israel but also the father of several other races and a point of surprising contact between Jews and gentiles In his gospel Luke offers a new layer of ethnic identity to gentile believers as adjunct members of Abraham's family tree [Chasing the Night](#) Iris Johansen,2011-04-19 Forensic sculptor Eve Duncan is drawn into the mystery of a child who had been abducted eight years earlier and must use her skills with age progression as a way to reunite mother and son But Eve must face looming demons of her own Martin's Press **NIV, The Grace and Truth Study Bible** Zondervan,2021-08-24 Know this Grace He loved you by name before all creation Love this Truth He'll know you by name for all eternity The NIV Grace and Truth Study Bible paints a stunning canvas of the goodness of God's redemptive plan revealed in the gospel of Jesus Warmhearted and practical study notes guide your reading as you learn and relearn the good news of Jesus on every page Whether you are just starting your walk with God or have been studying the Bible for years you'll gain fresh insights of grace and truth while you learn to love him more deeply Some Words of Grace and Truth Your citizenship is in heaven God is your refuge and strength The Spirit of Jesus lives in you You who mourn will be comforted Features of this NIV Grace and Truth Study Bible E Book Complete text of the accurate readable and clear New International Version NIV Project leadership by general editor Dr Al Mohler president of the Southern Baptist Theological Seminary Insightful and practical bottom of the page study notes Center column cross reference system for deeper study Comprehensive NIV concordance Words of Jesus in red 16 pages of full color maps **The Binge Watcher's Guide To The Handmaid's Tale** Jamie K. displayed in Jesus I am suggesting that our Jesus Story must take the Apostle Paul's understanding of Reconciliation seriously. God too has to pay the price of Sin. He is part of the problem of our alienation and neither we nor God can escape its consequences. Therein lies the POWER I believe of the Jesus Story to hold the attention of today's Seeker Jesus not only died for our sins, he died for God's Sin as well. Our Sin was our disobedience; God's Sin was his Ignorance. It is Paul who, getting his message directly from the Risen Christ, sees this most clearly. Paul wants us to understand that God was in Christ's life and death, reconciling the world to himself not just forgiving us. Unlike the Jesus Story told by today's Church, Paul sees God's Grace as much more amazing than mere payment for our peccadilloes.

How to Read the Gospels Yung Suk Kim, 2024-05-29. This accessible introduction to the Gospels examines the distinctive messages offered by the texts, giving students a better understanding of methods and interpretations. It explores a close reading of each Gospel and encourages students to approach texts from their own perspectives, from postcolonialism to environmentalism. The discussion questions included will help students focus their reflections on the Gospel narrative, its theology, and methods of reading it. How to Read the Gospels is an ideal textbook for undergraduate and seminary classrooms. The book aims to reach seminary and graduate students who study the Gospels critically and comprehensively. It provides user-friendly summaries such as the basics of each Gospel, authorship, history, important parables, etc. the Jesus of each Gospel, and notable interpretation and translation issues. Without reading the entire story, readers often focus on only specific passages. This book aims to foster close reading of each entire text, sensitizing students to historical and literary issues that commonly arise and helping them better understand various ways to interpret these formative stories. What makes this book unique is that it also engages various readings of the Gospels from traditional to deconstruction approaches, including womanist interpretation, disability interpretation, ecological interpretation, and many more. For example, how can readers understand the story of Jesus' surprising conversation with the Samaritan woman in John 4 through the lens of feminism or postcolonial criticism? By providing alternative ways to think about these stories and various methods of approaching texts that may be new to the student, the book opens up how such passages can be interpreted and appreciated.
