*Moving Beyond Belief* Rick Herrick, 2022-10-14 This book argues that a religion centered around biblical belief has not worked when it comes to living the teachings of Jesus For many Christians their religion has become an ideology which doesn't touch their hearts The central argument of the book is that we must shift the focus of our religion away from biblical belief to a sense of the deep transforming love that comes from knowing God The book provides detailed instructions on how such a knowing takes place In making such a change Christians will finally come to a place where they can work with God to make the world a better place *Moving in the Apostolic* John Eckhardt, 1999-01-22 Why is God restoring apostles to His Church

Because restoration of the apostolic ministry is necessary for the Church to complete its mission on earth We are now experiencing the greatest outpouring of the Holy Spirit the world has ever known and we should expect to see multitudes swept into the Kingdom as a result In this book John Eckhardt reveals how the apostolic dimension affects the preaching teaching worship prayer and giving of the local church and how apostolic leadership will point the way toward fulfillment of the Great Commission

Quest for the Kingdom John M. Newman,2011 A fascinating analysis that blends world history Western religion and Eastern mysticism Quest for the Kingdom by Dr John M Newman examines the kingdom of God as the historical Jesus describes it The book s premise holds that Jesus teachings include specific instructions for the quest to find and live in God s kingdom before death This powerful work favors fact and readers can revel in Jesus authentic teachings that describe the quest both as internal spiritual cultivation and the way to live in the world It is rare for a book on Christian theology to break new ground but Newman does this on two fronts the striking parallel of Jesus teachings with the ancient mysticism of yoga and the equally fascinating parallel between Jesus healing techniques and the practices of modern psychotherapists like Freud Newman is meticulous in drawing these original and unique parallels and they lift this work s premise to a non generic level that speaks to several audiences an accomplishment that sets the work apart from the pack In twenty accessible and engaging chapters like The Kingdom of God The War of the Houses The Kingdom Is Like a Woman Spiritual Cultivation and The Exorcisms and Healings of Jesus the reader watches Jesus at work healing and offering his parables at a communal meal In addition to elucidating the path to the kingdom that Jesus shared with his followers Newman explains and illustrates the voice print of Jesus his sage rhetorical strategies and distinctive discourse Newman brings Jesus parables to life with a penetrating analysis that enables the reader to experience Jesus mastery of metaphor and management of the unconscious trajectory of thought in the minds of his listeners A commanding new breakthrough in the understanding of the teachings and works of Jesus this book is a must read for academics and laypersons alike **Sermon Outlines for Busy Pastors:**
