London's Shadows Drew D. Gray, 2010-09-02 In 1888 London was the capital of the greatest empire the world had ever

known In the West End the glittering lamps illuminated the homes of the rich and the emporiums that displayed the countless luxuries that they enjoyed This was a city that reflected the wealth of the Victorian age but there was also a dark side to Victorian London vice and crime degradation poverty and despair When an unknown killer began murdering prostitutes in Whitechapel the horrors of the East End were brought out of the shadows In 1888 London was the capital of the most powerful empire the world had ever known and the largest city in Europe In the West End a new city was growing populated by the middle classes the epitome of Victorian values Across the city the situation was very different The East End of London had long been considered a nether world a dark and dangerous place and it embodied many of the fears of respectable Victorians Using the Whitechapel murders of Jack the Ripper as a focal point London's Shadows explores prostitution and poverty revolutionary politics and Irish terrorism immigration the criminal underclass and the developing role of the Metropolitan Police It also considers how the sensationalist New Journalism took the news of the Ripper murders to the furthest corners of the Empire This is a new and fresh portrait of London at the height of Victoria's reign revealing the dark underbelly of the city's history
