abused as a child by the people he knew and trusted Unconditional Love is a journey of a well educated boy who became a doctor and an ambassador for the HIV prevention and human rights All he wanted was love and solace but because of his past he only found lies and deceit from his numerous partners They always blamed him for being abused He claimed his sorrows and went into a world of silence With time his femininity blossomed into beautiful Arohi His transgender avatar provided temporary relief and she eventually found love and control of her destiny As she tried to overcome the demons of her past she was diagnosed with HIV Why did you give me all this pain my Lord she prayed What wrong did I do Where had I erred She went into depression and attempted suicide She had gone through so much pain as a child will this revelation destroy her or make her into a stronger individual Beloved, We Are One Lee McEachern, 2013-06 In 1996 during a period of questioning and evaluating his life up to that date Lee McEachern took to heart spiritual writings he had read which emphasized the fastest way to lasting love real peace and happiness and maybe even God was through the eternal flame of love and something happened Lee felt like he was just a regular guy but he had experienced something extraordinary that was out of this world and absolutely beyond words Trusting in the Beloved with a capital B he made a connection to a Oneness of Love then he spent three years creating his own spiritual writings something that he had never done before trying to describe the peace love and joy that he had glimpsed He felt he knew that it resided at the center of our being at the center of the being of everyone and everything He knew the Beloved was in all of us What if I can get them to see a spark of that infinitely loving Oneness he thought But after three years of teaching Oneness poetry he stopped or at least tried to because the normal regular real world needed his attention His wife and son needed his attention In early 2013 Lee read Dr Eben Alexander's book Proof of Heaven His fascinating and strong message of an infinitely loving Oneness that is here now and more real than anything we can perceive with our physical senses made Lee think of his own teaching Oneness poetry In his book Dr Alexander wrote We are connected as One through our divine link with God Lee thought His whole book resonates with what I experienced and what I was trying to describe back in the 90's If a well educated well respected neurosurgeon and scientist can stick his neck out and share his unorthodox oneness of love experience then I will too So Lee dusted off the old poems added a few newer ones remember he said he tried to stop and here you have Beloved we are One Thank you Dr Alexander for giving me the nudge I needed to move forward Lee
