Martin Luther, the Hero of the Reformation Henry Eyster Jacobs, 1910

Martin Luther Richard Marius, 2000-11-01 Few figures in history have defined their time as dramatically as Martin Luther And few books have captured the spirit of such a figure as truly as this robust and eloquent life of Luther A highly regarded historian and biographer and a gifted novelist and playwright Richard Marius gives us a dazzling portrait of the German reformer his inner compulsions his struggle with himself and his God the gestation of his theology his relations with contemporaries and his

responses to opponents Focusing in particular on the productive years 1516-1525 Marius' detailed account of Luther's writings yields a rich picture of the development of Luther's thought on the great questions that came to define the Reformation Marius follows Luther from his birth in Saxony in 1483 during the reign of Frederick III through his schooling in Erfurt his flight to an Augustinian monastery and ordination to the outbreak of his revolt against Rome in 1517 the Wittenberg years his progress to Worms his exile in the Wartburg and his triumphant return to Wittenberg Throughout Marius pauses to acquaint us with pertinent issues the question of authority in the church the theology of penance the timing of Luther's Reformation breakthrough the German peasantry in 1525 Muntzer's revolutionaries the whys and hows of Luther's attack on Erasmus In this personal occasionally irreverent always humane reconstruction Luther emerges as a skeptic who hated skepticism and whose titanic wrestling with the dilemma of the desire for faith and the omnipresence of doubt and fear became an augury for the development of the modern religious consciousness of the West In all of this he also represents tragedy with the goodness of his works overmatched by their calamitous effects on religion and society

Luther and the Reformation James Mackinnon, 1925 **Luther Alive** Edith Simon, 1968 This account of Luther describes him as a private citizen in the role of husband and father and as the public figure whose part in the religious and social revolution of the Sixteenth Century was a central one

Defending Luther's Reformation John A. Maxfield, 2017 Defending Luther's Reformation assists Christians in grasping the significance of Luther and the Reformation and equips readers to celebrate the distinctive approach of Lutheranism as a confession addressing especially Luther's critiques of the Roman Catholic hierarchy his understanding of the authority of Scripture his perspective on the estate of marriage and his reactions to his opponents concerning the Lord's Supper In our ecumenical age Luther is often characterized most essentially as a divisive figure the Reformation viewed as a tragic division of the Church rather than a much needed and long awaited reform or a renewal of pure doctrine and evangelical preaching and pastoral care Luther's central role in the Reformation has been disputed as has the traditional conviction among historians that the Reformation itself was a significant epoch in the history of Christianity and of Western civilization Among the reformers of the sixteenth century Luther in particular has been judged intolerant bigoted anti-Semitic and an ideologue whose political thought contributed to the creation of oppressive European regimes of princely absolutism Yet Luther's Reformation did result in a changed Christianity one that endures today shaping the faith and piety of Christian communities that continue to proclaim the Reformation Gospel and having a salutary influence also in other Christian communions Catholic and Protestant where the Word of God is proclaimed among the gathered saints and where Christ's command is heeded to make disciples of all nations Book jacket
