Lying Bastards Confessions Of A Grey Market Trader:

Lying Bastards Ricky George, 2004-12-01 *Lying Bastards* is a humorous occasionally bordering on black look at an unconventional business world. The principal characters are middlemen acting mainly on their own account and pitting their wits against the conventional style of the corporate giant. The trade surfaced during the designer sportswear boom of the mid seventies and produced an eclectic bunch of characters worldwide. The blank refusal of famous brands like adidas Lacoste and Levi's to supply cash and carry outlets and discount hypermarkets in Europe and the U S led to a massive hole in the market thus paving the way for entrepreneurs and opportunists from all four continents to create a business known as The Grey Market. This first book contains twenty business tales and five short stories. All the accounts are based on real life events and are the first of many experiences to be shared with the reader. *Intellectual Property Law and Policy Volume 10* Hugh Hansen, 2008-03-26 Hart Publishing is pleased to announce that it has recently become publisher of this prestigious and much valued work. The 15th Annual volume in the series collects the presentations and discussion from the Annual Fordham IP Conference. The contributions by leading world experts analyze the most pressing issues in copyright trademark and patent law as seen from the perspectives of the USA the EU Asia and WIPO. This volume in common with its predecessors seeks to make a lasting contribution to discourse in IP law. Few of the chapters are merely descriptive and most raise questions of policy or discuss new developments. Praise for the Fordham International Intellectual Property Conference. This must be one of the most enjoyable and thought provoking conferences in the IP field. The high quality of the speakers is matched by the intense audience led debates and challenges which follow. Hugh Laddie formerly Mr Justice Laddie University College London and consultant to Rouse Co Willoughby Partners. Faculty for this conference are always well known names well respected leaders in their fields speaking with a combination of candor and timeliness that is unrivaled by any other forum of its kind.
