Lyndhurst A Guide To The House Landscape:

Lyndhurst Amelia Peck, Alexander Jackson Davis, 1998-01-01 **Stories from Home** Margaret Ponsonby, 2016-04-01

Most homes in the past were not elite wealthy interiors complete with high fashion furnishings designed by well known architects and designers as many domestic histories often seem to have assumed As this book makes clear there were in fact an enormous variety of house interiors in England during the period 1750 1850 reflecting the location status and gender of particular householders as well as their changing attitudes tastes and aspirations By focusing on non metropolitan homes which represented the majority of households in England this study highlights the need for historians to look beyond prevailing attitudes that often reduce interiors to generic descriptions based on high fashions of the decorative arts Instead it shows how numerous social and cultural influences affected the manner in which homes were furnished and decorated Issues such as the availability of goods gender regional taste income the second hand market changing notions of privacy and household hierarchies and print culture could all have a significant impact on domestic furnishing The study ends with a discussion of how domestic interiors of historic properties have been presented and displayed in modern times highlighting how competing notions of the past can cloud as well as illuminate the issue Combining cultural history and qualitative analysis of evidence this book presents a new way of looking at ordinary and provincial homes that enriches our understanding of English domestic life of the late eighteenth and early nineteenth centuries **Directory of Historical Organizations in the United States and Canada** American Association for State and Local History, 2002 This multi functional reference is a useful tool to find information about history related organizations and programs and to contact those working in history across the country *American Gothic Art and Architecture in the Age of Romantic Literature* Kerry Dean Carso, 2014-11-15 *American Gothic Art and Architecture in the Age of Romantic Literature* analyses the influence of British Gothic novels and historical romances on American art and architecture in the Romantic era **Historic Houses of the Hudson River Valley, 1663-1915** Gregory R. Wessex: A Landscape History Hadrian Cook, 2024-04-04 Wessex is famous for its coasts, heaths, woodlands, chalk downland, limestone hills and gorges, settlements and farmed vales. This book provides an account of the physical form, development and operation of its landscape as it was shaped by our ancestors. Major themes include the development of agriculture, settlements, industry and transport.

British and Irish Paintings in Public Collections Christopher Wright, Catherine May Gordon, 2006-01-01 This book sets a new standard as a work of reference. It covers British and Irish art in public collections from the beginning of the sixteenth century to the end of the nineteenth and it encompasses nearly 9 000 painters and 90 000 paintings in more than 1 700 separate collections. The book includes as well pictures that are now lost, some as a consequence of the Second World War and others because of deaccessioning, mostly from 1950 to about 1975 when Victorian art was out of fashion. By listing many tens of thousands of previously unpublished works, including around 13 000 which do not yet have any form of attribution, this book becomes a unique and indispensable work of reference, one that will transform the study of British and Irish painting.
