Black Samson Nyasha Junior, Jeremy Schipper, 2020 Leading biblical scholars tell the story of how Samson a controversial biblical character became a celebrated icon in African American literature and how Black Samson was used to address race in America Critical Analysis of August Wilson's "Ma Rainey's Black Bottom" Christina Lyons, 2021-10-05 Academic Paper from the year 2006 in the subject English Language and Literature Studies Literature grade A Southern Illinois University Carbondale Department of English course English Drama August Wilson language English abstract In his play Ma Rainey s Black Bottom opened at the Yale Repertory Theatre on April 6 1984 the African American playwright August Wilson evokes provocation individualism versus general conceptions of the Black man s world conservatism versus progressiveness and exploitation The play surprises by its unanticipated cruel ending is relatively poor in action but subtly embeds external conflicts respectively racial issues as well as internal conflicts trivial quarrels among the characters Since I see a crucial juxtaposition between two characters Toledo the intellectual and Levee the ignorant who theatrically become opponents in the final man slaughter scene I am focusing on a comparison between those two after a brief description of the

plot and the set of characters The first third of the play bears a faint resemblance with *Waiting for Godot* because it depicts the impatient White producer and manager as well as the quarrelling Black band members waiting for their singer the famous Ma Rainey who takes her time getting her big black bottom to the rehearsal scheduled for 1 00 p m She banishes one band member ignorant conceited and vain Levee who is constantly seen polishing his shoes from future productions Levee dreams of establishing his own band anyway hoping to become famous with his more modern songs not this old jug band shit 16 that the White producer has promised to record with him However the latter retracts his offer offering him ridiculous five dollars for each of his songs leaving Levee stranded who is already so overheated that he overacts pulls his knife and in affect stabs his colleague Toledo who accidentally steps on his shiny shoe This shoe stepping scene which takes place on page 87 Hey Watch it shit You stepped on my shoe is foreshadowed by a similar event when another band member Slow Drag by mistake commits the same crime p 26 Damn Slow Drag Watch them big ass shoes you got The irony of the play is that the most understanding of all characters is killed for nothing for having left a tiny mark on the unstained immaculate eleven dollars worth of shoes
